Grand Knight's Report

The hot weather kept most people away from the highway cleanup July 14. Only one showed up. So Bill repeated his request for July 21 and this time 11 people showed

up and made short work of it. Thank you to John Rotundo, John Roman, Jose Sandoval, John Luttner, Josh Gomez, Ramon Carrasquillo and his son Samuel, Tommy Jones, Chris Tourrine, and Marcy (Bill Vossberg's sec'y). We were done before it got hot.

To all those Knights who rarely come to meetings we ask that you make the effort to come because we have work for you. We need your help! The Knights have programs that can protect and strengthen you and benefit your family. We need you to implement them.

These programs focus on Faith, Family, Community, and Life..

The Knights have made some good changes in the Supreme website. For example, Knights wanting to help with the faith programs can log into that website and learn how to do them. You can get a lot of help for the family, community, and life areas. Each area has 8 programs. Our council is required to do only one program in each area but we can do as many as we wish.

Please come and find out about these things.

Family of the Month

Bryan and Shelly Hearne

Bryan has been a Knight since 2011 and received the 4th degree 2 years later. He was our Grand Knight in 201X and is now a trustee. He met Shelly when he called the company she worked for. He displeased her and she hung up on him. Her boss told her not to hang up on him as he was their second largest customer. She called him back and the rest is history. They have been married 12 years with 3 girls. Bryan came to Texas when his father transferred here with the railroad. The is father started the garage door business that Bryan has now. Bryan was born in Kemp TX and then lived in Wautauga. Shelly was born in Chicago. Shelly's real first name is Araceli. Shelly manages their garage door company. They have been at St Thomas for 8 years. Shelly coordinates the school K thru 8 and help with the youth programs. Shelly likes to craft while Bryan loves fishing and hunting. Shelly helped on family nights when we

had them a few years ago. Thank you two for all you do

Knight of the Month

Father Mathew

Father became a Knight in 2005 He's been in Ft Worth for 14 years coming here from India. He was born and raised in the town of Bonkunam in the State of Kerala located in southern India. He is one of 12 children although two have since died. He was in high school when he felt God's call. There were many others in his school who were also being called, many wanting to go to the missions. He was ordained in 1975. He's been at St Thomas since 2014. We owe so much to those who dedicate their lives to God.

Happy August Birthday

Thought for August

All sin has consequences and when someone dies the consequences of their sins remain as does their attachment to sin ...removing that attachment and those consequences as well as bringing their love of God to its proper level would seem to be part of their perfection. Many theologians have studied this but have no answer. However we can speculate, that is, make some educated guesses since there are some things that are certain. There are only two ways to measure your love for someone. Suffering and sacrifice

Jesus showed His love for us by his sacrifice and suffering, especially in his Passion and crucifixion. And God did ask the dead to show their love for Him while they lived, which some tried to do but many didn't. So in purgatory they will learn to love God as they should have. They can see the consequences of their good actions (for which they will be rewarded in heaven) and see the consequences of their sins. And it's reasonable to speculate that sufficient prayers and masses not only remove their attachment to sin but also the consequences. Seeing the sad consequences of their sins will certainly cause them to suffer.

It helps to think that if they were going to meet the Pope or some other famous person, they would want to appear at their best with clean nice clothes. In Purgatory they can "clean their clothes", so to speak and so feel comfortable when they do meet God.
