Brother Knights,

We were able to successfully hold an Officers Meeting at SMOT with both in-person and virtual attendees. We do have some business to attend to, so we will have our August Business meeting at St. Martin's on August 11th. We will start with the rosary at 7pm, outside, followed by the business meeting in the Narthex at 7:30. Masks are required inside. The meeting will also be on Zoom if you would prefer to stay at home. If you want to just come for the rosary that will be ok, too.

Congratulations to Knight of the Month winner, Gary Von Bargaen, Knight of the family winner, Dave and Cindy Kunze. Both were tied to the work done in July for the Sendiks Grill fundraiser.

St. Mary's is still planning on holding a blood drive August 23rd, St. Martin's has a blood drive on August 10th. If you can make neither of these, the Blood Center in Greenfield is accepting donors as well.

Blood drives are one of the 5 Knights of Columbus Orderwide initiatives in "Leave no Neighbor Behind". The other four are:

Support Your Brother Knights
Support Your Parish
Support Your Community
Feed the Hungry

Please do all you can to support these initiatives.

Fraternally,
Ken Keefer

If anyone knows a brother knight who is ill, in distress, or has passed on, please contact the Grand Knight or the Financial Secretary.
