

Grand Knight's Report

August 2019

We had a great first month of this new fraternal year and things are just getting started. Great job by everyone who helped put on the Fourth of July picnic. The food was outstanding as always, everyone who participated had a great time playing washers, and this year we had numerous games and activities for the kids. Big thanks to Darin Cyphers for all his work on the youth activities and we look forward to the same at future events.

By the time you read this we will also have put on a Poker Tournament to help Father Charles with his education expenses and many of us will have attended the 24th Annual Priest and Religious Appreciation Dinner put on by the Western Metroplex Chapter of the Knights of Columbus.

Coming up this month is our much anticipated Casino Night to be held August 17th here at our hall. Tickets are \$20 and sponsorships are still available. See Chris and Amiee Hoelscher for more details.

My Knight of the Month is Steve Webb. Steve currently serves as our Chancellor and Membership Director. Steve did a great job, once again this month, at the July Fourth picnic running the washers tournament. Great work, Steve, and thanks for your passion and dedication to our council.

My family of the month is the Darin Cyphers Family. Darin and his wife and kids did a wonderful job and put in a lot of work with the youth activities at the picnic. Thanks for all you do for our council.

Knights in Action

I would like to recognize the awesome men who came out on Saturday July 13th to help someone in need. Elena is a blind woman who desperately needed help moving boxes and furniture to a storage unit because she is moving to California to go to school. Our Knights stepped up. Knights from Council 6269 and 14549 joined together in helping Elena in her time of need. Shad Dooley, Darrell Derrickson, Robert Garza, his son Daniel and myself along with Alex Benevides and Paul Viveros from Council 14549 loaded up all our trucks (5 in all) and made this lady's day. Great job, men. This is what being a Knight is all about.

Respectfully Submitted

Program Director Report

Brothers, the next activity for the Council is the Labor Day Picnic September 2nd. The picnic will begin at Noon. We need help with set up beginning at 9 am.

We are looking for someone to manage the set up, the take down, children's activities, and cooking. If you would like to help, let me know.

All members (1st thru 3rd and 4th Degree) are encouraged to wear a Knights of Columbus Shirt and Cap. Shorts are OK but our shirts and cap should distinguish us as Knights of Columbus.

The Council will provide the meat, (hot dogs and hamburgers). Please bring a side dish to share

If you can help in any of these areas contact Shad Dooley or me.

The major activity for this picnics will be the Dallas Cowboys Season Tickets drawing. Hopefully all of you have been working hard to sell you raffle tickets and we can sell out. The Drawing will take place approximately 3 PM.

Looking past Labor Day we will have numerous events for which we will need assistance, including Monday Night Football, events for Halloween, Christmas, and New Year's Eve.

All of the directors for our Various Committees will need help. So if you are interested in any of these areas please contact these Brothers.

We will have a third Thursday Happy Hour on August 15th. Happy Hour starts at 6 pm. All are welcome.

One Month Left Before Drawing

Please start turning in your money for tickets sold. We need to make an accounting of where we are in this fund raising process this year.

And don't forget our goal was to **sell these tickets!**

Let's make it a special goal to sell more tickets than ever. (Last year was actually our lowest selling raffle since we began. We can do better!)

The Knight who sells the most tickets will get their choice of the two preseason home games. The Knight who sells the next highest amount, gets the game not chosen by the first knight.

We will hand out tickets in increments of 10. Please turn in your money in increments of 10 for ease of counting and accuracy.

Reminder: You *can* turn in money at any time (*and get more tickets*) to one of the Raffle committee members.
