Brothers

Each year the council goes through the same situation of filling the Directors and Chairmanships for the Council Program Activities. As Grand Knight and Deputy Grand Knight we are fortunate to have an active council but it is very difficult to plan every activity without help. We need you to step forward. I need Directors who will help coordinate, solicit monthly activities and assign volunteer tasks. There are three vacant Directorships. Several of you came up to me last year and said you wanted a change in those activities you are involved in, here is your chance for that change.

Frank and I are willing to answer and mentor any and all new and current members in what is required to conduct any position you accept.

In July, 8 men took time off from work and family to greet 34 Sisters for Christian Charities into Tucson. Each of the Sisters have given their lives to service for Our Lord in many different fields from education to hospice. As they came down the stairs to the baggage area they were greeted by a Knight of Columbus holding a sign. This act of greeting and hospitality gave them such joy. Become part of this team, be active, call, email or stop us on the street or at church; be part of this council.

Out Live Your Life

by Max Lucado

Max Lucado hits yet another home run with his forthcoming book, *Out Live Your Life!* I want to paraphrase his powerful introduction: 'These are difficult days in our world's history. Billions of people are poor, millions go hungry or thirsty every day. Disease claims thousands of lives daily. But you and I have been given an opportunity to make a big difference. What if we did? What if we rocked the world with hope? Infiltrated all corners with God's love and life? We are created by a great God to do great works; He invites us to outlive our lives, not just in Heaven, but here on earth. Let's live our life in such a way that the world will be glad we did.'

Lucado walks us through the first twelve chapters of Acts, where we see, firsthand, how a few faithful people can change the world. In his motivational way, Max challenges us to make this happen again!

The thing I find compelling about Max Lucado's works, is that he keeps his ideas simple and ties them into lessons directly from the Bible. In this way, it makes it easy to see how we can live our lives more biblically. His writing style is always fast flowing, making his books a quick read, but ones that you want to keep in your personal library for reference and reflection. In Lucado, we find hope, as well as direction – reaching into what we have already been taught, in terms of values and morals, to try to make a difference every day.

AUGUST

August 7 - Installation of Officers

The Installation of Officers will take place following the 5 PM Mass. All officers to be installed are asked to wear red Knights shirts and dark pants. Following the installation, families and guests are invited to join us in the Tanque Verde Hall for refreshments.

August 22 - Ice Cream Social

On August 22nd, in the Tanque Verde Room, the Council will host an Ice Cream Social. It is a time of fellowship and a chance to meet new parishoners. While slurping down some delicious ice cream on what will most certainly be a hot day, be sure to invite folks to our Pasta Social Event the following Thursday.

August 26 - Pasta Social Event

At this month's social meeting our council will host a Pasta Social Event. The Parish will be invited to see what we are all about and ask the husbands to consider becoming members of our council. Please be sure to attend and help make this social a resounding success.

September 5 - Blood Drive

A blood drive will be held in the Desert Room on Sunday, September 5th from 8:00 AM through 10:00 AM. The Red Cross will be able to handle 6 appointments every 15 minutes and our goal is 30 pints. Our last blood drive resulted in 39 pints including 4 double reds which was great. The blood is critical to the community where there is a shortage. We thank everyone in advance for their donation. Brother Fred Falgiano is the blood drive coordinator. He needs the help of one Brother; if anyone would like to help or has any questions they can contact him on his cell at 520-661-4317.

The First Labor Day

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. The Central Labor Union held its second Labor Day holiday just a year later, on September 5, 1883.

In 1884 the first Monday in September was selected as the holiday, as originally proposed, and the Central Labor Union urged similar organizations in other cities to follow the example of New York and celebrate a “workingmen’s holiday” on that date. The idea spread with the growth of labor organizations, and in 1885 Labor Day was celebrated in many industrial centers of the country.
