August 2012

GK Frank Saavedra

Brothers,

In this newsletter you will find information about Brother Vince Redhouse and his students being invited by the Vatican to play at the canonization of the first Native American Saint. This is surely an honor for Vincent and his students. There is a deeper and more profound honor in what Vincent is doing, and that needs to be told.

Vincent is a formally trained musician, and had aspirations of being a successful practitioner and teacher of his trade. While traveling, he discovered that the suicide rate of Native Americans is extremely high. That in and of itself is a sad fact, but there is a darker side to this. Vincent found that the Native American Kids seem to accept suicide as a 'normal everyday occurrence'. When they spoke of a friend who had committed

suicide, they did so as though it is something to be expected. This really saddened Vince, and caused him to change the focus of his life.

Vince is on something of a quest to increase the self esteem and self worth of these kids. He's using his music to do this. He will accomplish two things by playing at the Vatican. The more obvious thing is the honoring of the Native American Saint. The other is to show 'his kids' that they have something to live for. That they are an integral part of society, and their playing at the Vatican will demonstrate that.

Vince is really practicing what it is to be charitable and honorable.

Over the next several months the newly elected officers and their duties will be featured. This month we feature the Inside and Outside Guards. They are the first you encounter when you attend a meeting.

Christian Escalante - Inside Guard

INSIDE & OUTSIDE GUARDS

The guards have similar responsibilities, but distinct differences. The outside guard tends to the outer door admitting visitors and members to the inner door. Once at the inner door, the inside guard checks to make sure that their membership cards are current.

Raising Awareness About Life Insurance

Since 2003, each September has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of the product among the general public. Each year, the Life Insurance Market Research Association puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that 76 percent of people polled did not have a personal financial advisor. Sixty-eight percent

A request from Brother Vince Redhouse, a member of our council, has asked our help to raise \$9000 by August 2012 to fund a trip to Rome for him and four of his music students.

They have been invited to perform at the canonization of Kateri Tekakwitha, the first Native American to be sainted. The story of how this invitation came about is an interesting and profoundly emotional one; well worth listening too and one that will compel anyone to help these fine people achieve this tremendous opportunity.

Information about Kateri Tekakwitha is available online at several sites. www.catholic.org/saints/saint.php? saint_id=154 is one of them.

Also, Vince Redhouse has a note about the trip on his site along with the music to be played at the carnation of Kateri Tekakwitha, written by Mike Levy, "Sonata for Four Native Flutes." www.windpeoplemusic.com.

More information is forthcoming on how we can help them. Please consider how you might help when asked.

of that same survey group said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement, disability income and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, and, afterwards, you'll understand that the only wrong decision was not protecting your family's future sooner.

The 2012 Campaign for People with Intellectual Disabilities (PWID)

The Knights of Columbus St. Pius X Council 10762 will participate in the Campaign for People with Intellectual Disabilities on the weekend of September 21-23, 2012. This campaign, also known as the "Tootsie Roll Drive," is probably the Knights of Columbus' best-known national fund-raiser. Unlike fundraising done by many other organizations, 100% of the money raised in the Campaign for Intellectual Disabilities goes to help people with intellectual disabilities.

The Knights do not use a hard sell approach to collect money; they merely stand (or sit) near the entrance to businesses wearing a red and yellow apron designating them as a K of C fundraiser. Most people already know about the drive and the charitable work done by the Knights of Columbus and will donate without any solicitation. Everyone receives an offer of a Tootsie Roll and a warm thank you for any donation.

Our council has been an active participant in the drive for People with Intellectual Disabilities over the years and through our efforts, we have been able to support Special Olympics and programs to benefit students with mental challenges.

Brother Knights, their families and friends interested in volunteering for an hour or two during the drive should contact drive chairman Fred Falgiano, 520-661-4317 or falgiano04@q.com. Fred plans to be out in front of church each Sunday starting August 5 for sign ups.
