August 2013

GK Tom Eagan

Brothers,

GK Tom Eagan is out of town this month and has asked me to fill in for him with the article you normally read here with thoughts or news from the Grand Knight.

I am sure that most of you will agree with me that we are in the most disagreeable time of the year here in Tucson. It is and has been hot and humid, and speaking for myself I have not been driven to do much outside. Sure, those of you from areas that experience humidity much worse than we have here might scoff at me, but having enjoyed the weather we have for most of the year for many years has made me dislike going outside this time of year. I simply stay in out of the heat and humidity and keep myself busy with indoor chores.

Thankfully for much of this hot weather our council has not had much going on this summer in the way of events that has needed Knights help to accomplish. However, we are fast approaching cooler weather and calls will be made to

each of us to give a little of our time and talent. Each of us make our fund raising and community events successful and bring much needed money to areas of concern like the Food Pantry, PWID and the Reachout Center.

We will be kicking off our coming year in September with our first Community Breakfast of the Fraternal Year and also

our PWID drive.

As is always the case in each of these events, help is needed so be on the lookout for sign-up tables for the PWID drive and requests for help at the breakfast. An hour or two of our time is a great way to join your Brothers in doing a small part to help those in need and at the same time build strong relationships with a great bunch of guys sharing the Catholic faith. Please help make a difference - it matters.

See you there!

Brother Bob Messenger

RECOGNIZING YOUR YEARS OF SERVICE

10 Years

I have been a subscriber of Smart Computing for sometime now and enjoy many of the informative articles about computing. It is also free in print at Staples.

Go to <http://www.smartcomputing.com> to view the magazines. It does not require that you even have a user name and password.

Can't believe that you can get a quality magazine like this for free!

Many of you might be interested to know that Smart Computing Magazine is now free in digital format (can be viewed online or download it as a PDF document).

In addition to Smart Computing on this site, there are other magazines as well that might peak your interest.

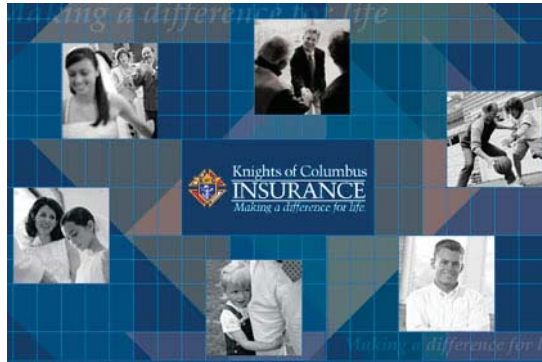

Computing Power User, PC Today, and Processor are the other technical magazines.

Of course there are a bunch of marketing magazines that are selling trucks, and even corporate jets!

Don't assume you can't afford DI

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

For example, here are two ways you can reduce your premium:

1. Choose a two-year or five-year maximum benefit period. Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year maximum benefit period would cover many types of partial or total disabilities you might encounter in your working life.
2. Choose a longer elimination period. An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your business's contingency fund to account for the longer gap.

As your professional insurance agent, running a small business and the challenges of risk management are two of my specialties. Let's talk about how to protect your business income, your retirement needs, and your family's financial future.

No Meetings in June, July, and August. The next meeting will be September 18th, 2013.

If anything comes up that the Knights will need our help with over the summer, I will e-mail or call you.

Thanks for everyone's help with the projects that we had this year so far.

Hope to see you at Mass during the summer.

People With Intellectual Disabilities (PWID) Drive is coming September 20th, 21st and 22nd, 2013 and Volunteers are needed!

This year's drive for People with Intellectual Disabilities is coming the weekend of September 20th 21st and 22nd. This will be the 38th year the Knights of Columbus will be supporting this more than worthy cause for helping those who cannot help themselves. Also known as the tootsie roll drive we usually sign up volunteers to take an hour of 2 or 3 people to stand in front of the selected points of collection and receive contributions and hand out tootsie rolls.

This year our 2 collection sites are Walmart at Kolb and Speedway Blvd and Safeway at Camino Seco and Broadway. We need you to volunteer a few hours on one of those days to help us make this years drive a successful one. The PWID Committee Chairmen are Al Velosa and Fred Falgiano and hope to see you to sign up for this great cause.

August 15 - Assumption of the Blessed Virgin Mary

Celebrated every year on August 15, the Feast of the Assumption of the Blessed Virgin Mary commemorates the death of Mary and her bodily assumption into Heaven, before her body could begin to decay--a foretaste of our own bodily resurrection at the end of time. Because it signifies the Blessed Virgin's passing into eternal life, it is the most important of all Marian feasts and a Holy Day of Obligation.
