

# CALL TO ARMS

## **Worthy Brothers and Lovely Ladies,**

I want to first thank you for all of the hard work that you do for the council, community, church and each other. I want to thank all of those who have helped make these fish dinners a success. The entire team has done a fantastic job serving the church and Steve Liseski has done an excellent job getting volunteers. This week we need all hands on deck. I believe we are getting better with each event we run. As long as we can all keep in mind charity, unity and fraternity in mind we will do a fantastic job on these last two dinners.

**Sunday Pancake Breakfast**

**7:00-11:00** - We need help setting up, cooking and serving. This event typically runs like clockwork from all of the great planning and excellent help, but this week everyone maybe a little tired from all of the work on 300 fish dinners. It would be great if we could get additional men and women to come out and help. Please consider coming out, having some fun with our Knight's family and serving the community.

Again I want to thank all of you for your hard work and dedication. I know that sometimes these events can be stressful, but as we continue to improve they become that much more rewarding for us all. I wish I could be there this weekend, but Cindi and I will be in Boston trying to win a national championship for a North Carolina Women's Ice Hockey Team. I will keep in touch and let you know how we are doing. I hope you have a great week and that God blesses each and every one of you and your family.

Vivat Jesus!!
