He ascended into heaven and is seated at the right hand of the Father.

My Brother Knights as we continue to be mindful of circumstances and guidelines related to the pandemic, as a Council we continue to work towards creating opportunities that can lift our Council to be successful in all aspects. Most importantly supporting our parish.

As the Fraternal Year 2020-2021 starts to draw to an end let there be no doubt no matter how big the obstacle, no matter what limitations have showed up or slowed us down as a result of the pandemic, know that as a Council we have continue to deliver and our future is good and in God's hands. No matter what our story has been to this point, God continues to lay out our future.

As long as we as a Council and as Catholic men have a faith-filled, hope-filled attitude, the blessings of God are drawn to us like a magnet. Instead of living in the past or focusing on the pandemic, we have faced this fraternal year, we have looked to God, stayed in faith, and allowed God to continue doing the impossible.

Despite general optimism about the long-term impact of the pandemic, as we keep an open mind and not be wary of changes that may be on the near-term horizon. Our future as a Council is promising. Our faith as Catholic men will ensure we overcome every challenge and every obstacle faced before us as long as we stay encouraged for tomorrow will bring about a better day.

Our Councils best days are ahead of us, and together as a Council, we can reach new heights. May God, continue to keep and bless you and your families and May we continue to pray for one and another.

Fraternally

Your Brother in Christ,

Anthony B. Hall

The Gospel for the first Sunday of May (John 15:1-8) has Jesus giving us all very good reasons as to why we need to be powered by Him. Simply put, He is the vine, and we are the branches. If we stay connected to Him, we bear fruit. Fruit because we are powered by Him. For, as being part of the Body of Christ with Jesus as our Head, He gives us His power in being connected to Him. He literally gives us life to live.

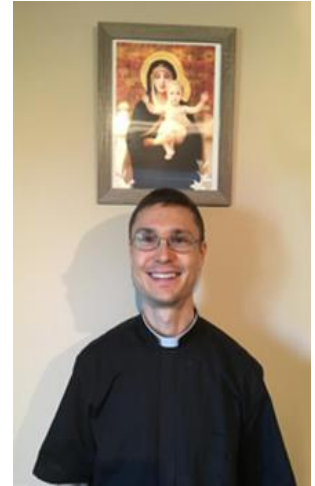

Consequently, we need to stay connected to Jesus as we are continually depending on Him. Trusting Him. It is very good to bring this to our family prayer when we lead our family in prayer.

And so, we are brought into relationship with God the Father through Jesus Christ, our Mediator, in which being in this communion allows us to produce fruit – the fruit of love.

Specifically, charitable love, which lasts into eternity.

Therefore, in being connected to God the Father through Jesus Christ, we are aided by God in charitably loving others. All of which strengthens, as well as deepens, our unity with God. And by this, we glorify God.

Moreover, we bear fruit in doing charitable acts – big and small. Thus, even seemingly small acts bear tremendous fruit by doing them with great love. And it's all made possible by staying in this relationship with God by staying connected to the Vine of Christ. For without His nourishment, we wither and die. That is why we need His Sacraments, to pray, and spend time with Him before the Blessed Sacrament or Tabernacle. For these are the ways that allow Jesus to empower us to be able to do the charitably loving thing. Thus, it is good to take

your family to do a Holy Hour at least once a month, or at the very least to take them to visit Jesus for a few moments in Church every now and then.

So be powered by Jesus and stay connected to Him. For He is the Vine. May we always be the branches that stay firmly connected to Him, Who allows us to bear fruit that will last on into eternity. And in this way we glorify God in doing all we do, big and small, with great love.
