Greetings Brother Knights-

Happy belated Veterans Day to all our Brother Knights who served. Thank You!

I hope all had a Happy Thanksgiving and are doing well

We got a Knight from Madison take a form 100 to transfer to our council at the ministry fair held at St Al's on November 13th and 14th. A big thank you to Gerry Ruedinger, Ken Kieck and Bill Meier who manned the table at the fair.

The Turkey Dinner raffle at St Martin of Tours, which was first suggested by Dave Goehring last year, was held Nov 20-21st. It was very well received. We got some good PR for the Knights and some families got much needed assistance for their Thanksgiving celebration. Thank you to all who helped, especially Ken Keefer who made the announcements and kept track of everything.

There was talk at the officer's meeting on what we could do as a council to raise money. 'Vegas on Wheels' was mentioned as well as resurrecting the Sheepshead tournament.

Please come to the next business meeting December 14th for your input.

There was a request by St Martin of Tours for us to help put up Christmas lights outside the church on December 5th following the 12:30 Vietnamese Mass. If you can help, try to get there around 12.

The stipends for the Seminarians were handed out. Instead of 10-\$500 stipends there were 14 Seminarians in need of assistance, so we gave out 14-\$400 stipends this year along with a letter to ask them to join our council.

Thanks to Dave Kunze for spearheading this effort.

Vivat Jesus!
