And naturally, a great big thanks to all the **Brothers and wives** that gave of their time to make the event a huge success. We actually beat last year's numbers, total receipts **\$1804.00**. Hats off to the all the cooks and kitchen staff and servers. **Great teamwork** congrats to Everyone that made the event so great, and thank everyone for all those donations for Christmas gifts. Also a special thanks to South Point Casino and Resort for their donation of buffet certificates and Ellis Island for dinner certificates.

District Deputy Report

Brother Knights,

We are half way through our Fraternal Year 2011—2012. It has been a good year for the Knights of Columbus with our investments skyrocketing and our charitable donations continuing to grow even in this economic downturn. Our Council is very close to making Star Council. With the certification of our First Degree team this month and continued efforts to increase our membership both as associates and as insurance members, I am sure we will make it.

Insurance continues to be one of the strongest programs that we have as an organization for our members. We have over 18 billion in assets protecting our members and their families. Over 42 million dollars was donated from our insurance assets while continue to keep our AAA+ Rating.

Charities such as The American Wheelchair Mission, Food for Families and Ultrasound placement among others continue to receive our support both financially as well as the thousands of hours that we put in as Brother Knights.
