Greetings Brother Knights,

I hope everyone is off to a fabulous New Year so far. Ash Wednesday is February 26th. Which means for those of us that have strayed off the path towards our New Year's resolutions already, we get a second chance. An even greater opportunity to give something up that we really enjoy in an effort to spend 40 days walking in the footsteps of Jesus and thinking about his bitter passion and death for our sakes. Too often I hear "I'm over the required age set by the church so I don't have to participate". Jesus stood there silently and allowed himself to be falsely accused, unjustly judged, beaten and made to climb up a mountain with a heavy tree on his shoulder to be killed in the most brutal way for his unconditional love for us. We don't give stuff up for lent because we have to. It should be because we want to. The 40 days of lent should be a yearly season where we immerse ourselves in daily prayer and sacrifice to draw ourselves closer to the Lord and be worthy to be called the Brothers of Christ. Simply praying the rosary daily while focusing on the sorrowful mysteries or praying the divine mercy chaplet are great ways to accomplish this. The church requires us to attend confession at least once a year to remain practical Catholics. Lent is a great time to do this if you're not in the habit of attending more frequently. It's just a decision!!

The first fish fry is February 28th. This year the parish has decided to have just one Stations of the Cross at 5pm. This will make it easier to focus on one crowd. If you have not helped at any events this year please make a decision to do so. It takes a large crew to put these on for the 6 Friday's of Lent and becomes tiring to the same 8-10 Brother Knights and Lady Knights who show up to help. Consider this part of your time given to God this lent.

The first notices went out December 15th for the yearly collection of dues and there is still a large number of Brother Knights who have not yet responded. Remember at the end of the Columbian year in June we clear the accounts and pay the seminarians and our charities. When the financial secretary has to mail a 2nd or 3rd notice the postage alone can have an effect on those monies given to those charities.

The yearly elections are only 4 months out in June. I wanted to take a moment to plant a seed. If you have never been an officer. We need you. Our founder Fr. McGivney had great vision when forming the Knights of Columbus. He did so to provide an atmosphere where men could become better Catholics while serving their parish and the needy. It takes each and every one of you to make that vision a reality. Many of the officers have held almost every position. The council needs fresh ideas and effort. There are many positions which will be open this year. Please make a decision to volunteer to serve as an officer.

God bless.

Fraternally Yours;

Joseph Adams
