GRAND KNIGHT'S MESSAGE

Jack Giacalone, Grand Knight

[E-mail: Jgiacal@verizon.net ~ Phone: 301-774-6338]

My Brother Knights and ladies, well here we are again half way thru this fraternal year and so much more to come in the next 5 months. We have a busy second half and I am asking for your support to help make these programs successful and to get better participation from our members. Support for our programs can take on many forms from brain storming a project to attending and enjoying the event with your family, and everything in between. Unfortunately we have been losing ground in this regard.

We believe that we are presenting quality programs to be enjoyed by all. We publicize them well in advance, via newsletter, website or in some cases robo call, Facebook and parish bulletins. But yet attendance is less than expected and the faces in attendance are the "usual suspects." I clearly understand the pressures of today's family life, trying to juggle the job, the kids, and all the things they are involved in, and the Knights of Columbus.

With that said I still believe there is time during the fraternal year for each of you to be involved in at least one program. So I am asking you to read the newsletter and go on to our web site and see if there is a program you can embrace and along with your family participate in it any way you choose. Remember we are only asking for 24 hours a year:

- Six hours a year at council sponsored church, community, council, culture of life, family or youth project, of your choosing.
- Four hours a year attending four council meetings.
- Four hours a year enjoying (with the entire family) a

2013 – 2014 Motto: *Come Grow With Us!*

council social function, spaghetti dinner, council picnic, communion breakfast etc.

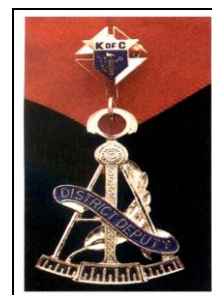

- Four hours a year volunteering at the council's annual drive for people with intellectual disabilities, (Tootsie Roll Drive) Soccer Shoot Out, or similar event. See monthly newsletter for details or please visit our web site at www.kofc6793.org
- Four hours a year attending, with your family, Communion Breakfast or Rosary prayer service.
- Two hours a year reading council bulletins, council and Supreme web sites.

Thank you and may God bless you and your families.

The Knights of Columbus recorded its 13th consecutive year of growth in insurance sales with nearly \$8.2 billion in new life insurance sold. The record sales are part of the organization's impressive 89 percent growth in business since 2003.

The Knights logged \$72 billion in new insurance over the last 10 years, making for an annual growth rate in new policies of 4.6 percent despite recession and slow economic recovery during the second half of that period. With nearly 93,000 new contracts issued in all lines of business in 2013, the K of C now has nearly 2 million contracts in force. *"In 132 years of operation, the Knights of Columbus has helped meet the spiritual and financial needs of Catholic families while also serving the community through charitable works,"* said Supreme Knight Carl Anderson. *"We are pleased to have had great success on both of these fronts, which comes from our continued commitment to our founding mission of serving our neighbor consistent with Catholic social teaching."* Supreme Knight Anderson explained that record-breaking insurance results mean that the K of C has *"...helped its members to protect their families while simultaneously enabling the Knights to support those most in need and the many works of the Catholic Church."* The Knights enjoys a stalwart reputation for financial security, has one of the lowest lapse rates in the industry and offers a product line designed to provide life insurance, annuities, disability income and long-term care policies to meet the needs of Catholic families.

For 38 consecutive years, the Knights of Columbus has earned an A++ (Superior) rating from A.M. Best Company for its financial stability, and there is no more highly rated life insurer in North America. The organization is also at an all-time high in its number of agents, with more than 1,500 in service within the United States and Canada.

MEMBERSHIP NEWS

Steve Goldhammer, PGK, Membership Director

Greetings to my recruiting team! Each member of the Council is on my team. Unfortunately, our First Degree Ceremony on 22 January was canceled due to the snow and bone-chilling cold weather. We would have welcomed two new members at that ceremony and there was one other candidate who wasn't able to attend. That would have brought our count of new members to eight for this year. Also, we have four other prospects that are interested. Please continue your efforts to reach our goal for this year. We can still do it!

The January issue of 'Knightline' has an excellent article on Making a Good First Impression with Prospective Members. It begins by saying that *"First impressions are lasting ones. The first impression a prospect gets from a recruiter could be the difference between him becoming a Knight or declining to join."* If you already know someone whom you think fits the description of a Knight, you're ahead of the game. A friendly and positive attitude about the Knights also goes a long way. All you have to do is mention that you're a Knight and invite him to attend our monthly information session with you on the second Tuesday in the room next to the chapel at St. Peter's at 8:00 P.M. to find out what we're all about.

The article also has some excellent proposed responses to a prospect's reasons for not joining:
 [Not interested.] *"I can understand you're not being interested in something you haven't had the opportunity to hear about, but so you can judge the value of membership in the Knights, do you think you'll be free for a short time to attend our information session..."*

[Too busy] *"I know how busy you are. The time you commit is up to you. Let us explain how. Do you think you'll be free for a short time..."*

[You're wasting your time trying to recruit me.]: *"Since belonging to the Knights might be of great importance to you, I certainly don't mind spending the time. I also think you're the type of person who would find the benefits of membership in the Knights interesting and valuable. Do you think you'll be free for a short time..."*

Thanks for your help! Please call me at (301) 570-9613 if you have any questions.

The Maryland State Council website provides many useful links. Among them is a link to the prayer for Father McGivney's sainthood. <http://www.fathermcgivney.org/en/index.html>

The McGivney Prayer

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord ... **Amen.**

ASSOCIATE CHAPLAIN'S MESSAGE

Reflections

Recently, I took hold of myself to slow down from all the joys and hustle and bustle of the past Christmas season and at the same catch up so as to prepare for the beginnings of a new year and in what lays ahead.

As I was thumbing through my breviary, a prayer book that clergy use daily, to pray for the church, I came across a prayer card that marked the death of my favorite uncle, Brother F. George Heil, F.S.C. The card was authored by the late Richard Cardinal Cushing. It read:

"Slow me down, Lord. Ease the pounding of my heart by the quieting of my mind. Steady my hurried pace with a vision of the eternal reach of time. Give me, amid the confusion of the day, the calmness of the everlasting hills. Break the tensions of my nerves and muscles with the soothing music of singing streams that live in my memory. Help me to know the magical, restoring power of sleep. Teach me the art of taking minute vacations---of slowing down to look at a flower, to chat with a friend, to pet a dog, to read a few lines from a good book. Slow me down Lord, and inspire me to send my roots deep into the soil of life's enduring values that I may grow toward the stars of my greater destiny."

I invite all of my Brother Knights and Gentle Ladies to pray this prayer over that first cup of coffee in the morning. May these words become for each of you a "mini retreat" as you prepare to face a new day

And may the Peace of Christ be shared towards those who yearn for His love and compassion. God Bless You!!!

Knights Deliver Initial Relief Supplies

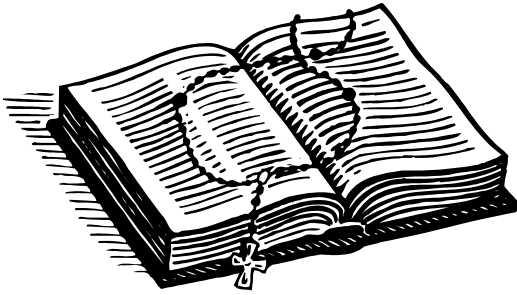

In a case of neighbor helping neighbor following the destruction caused by Typhoon Haiyan in the Philippines, Knights of Columbus in the Visayas jurisdiction delivered food, water and other necessities during a relief operation in northern Iloilo. With donations from councils in the surrounding area, Knights from Iloilo City traveled about 50 miles north on Sunday, Nov. 17, with 788 sacks filled with rice, canned goods, noodles and bottled water.

"The Knights of Columbus network came through so we could identify the needs in the area," said Visayas Deputy Rodrigo Sorongon of the relief operation. *"It has been difficult to communicate with the councils in the devastated areas, but I was able to reach the regional deputy to find out what was needed."*

Knights of the Visayas jurisdiction also distributed clothing in the areas of Binon-an, Batad, Iloilo and Concepcion. These are coastal areas hit by ocean surges that caused massive destruction along the shoreline.

In addition, Knights from Cebu City traveled to northern Cebu to distribute sacks of rice and canned goods. *"This will be a long-term relief operation, and the Knights will continue to be there,"* Sorongon noted.

MARYLAND HEALTH CARE EXCHANGE

The Maryland Education Credit advocates are dedicated to ensuring that every student in Maryland has access to high-quality, diverse, and affordable educational opportunities. We believe that it is imperative to build and sustain an array of resources for Maryland's elementary and secondary students, so that every family can provide the best possible education to their children.

The Respect Life Department at the Conference confirmed this week which plans available on Maryland's Health Care Exchange do not cover elective abortions. The following plans are those identified by personnel at the Exchange that do not cover abortion:

- All All Savers plans
- All Evergreen plans
- Care First of Maryland, Inc. multi-state plans
- GHMSI multi-state plans

As always, we continue to monitor all aspects of health care to ensure Marylanders have a choice that allows us to practice our faith, including supporting the dignity of life of the unborn. **Are you a Nonpublic School Student, Teacher, Parent or Supporter?** If so, come to our 2014 School Advocacy Day in Annapolis and show your support on Tuesday, March 4, from 8:30 a.m.- 1 p.m. We would love to have as many Catholic school personnel, parents, kids and families as possible. It's a great chance for legislators to meet with their nonpublic school constituency. The day includes a rally, legislator appointments and lunch. Questions?
