GRAND KNIGHT'S MESSAGE

Jack Giacalone, Grand Knight

[E-mail: Jgiacal@verizon.net ~ Phone: 301-774-6338]

My Brothers, I would like to remind everyone that our council programs and activities are made available to you and your family for two reasons. The first is that we might be able to accomplish a number of projects that will benefit our community, council and church. Secondly, we also gather together to have some fun as in our dinners, dances, picnic and annual Children's Christmas party. These activities give us the opportunity to get to know each other better and to form bonds that will last a lifetime and to become more familiar with the workings of the knights and all the great things we do. This is what the Knights of Columbus is all about. I know that we keep sending you reminders via phone message or e mail about our upcoming programs or activities but unfortunately even after "Saturating" our members with reminders we continue to struggle to support them.

The last page of our monthly newsletter has our calendar. I encourage you to give me or any other officer a call and join us as we go about our work. I know it's not easy to do given the stresses and pressures of everyday life. However, we are only asking for 24 hours a year. Some give a lot more, but too many are giving none at all. Let me remind you what those 24 hours are:

- ♦ **Four hours a year** attending two council meetings (if well-run and interesting, you might even come back for a third).
- ♦ **Four hours a year** enjoying (with your entire family) a council social function such as a dinner, dance, picnic, etc.,

2013 – 2014 Motto: *Come Grow With Us!*

- ♦ **Four hours a year** volunteering at the council's annual drive for people with intellectual disabilities, (Tootsie Roll Campaign) the Knights of Columbus New International Catholic Citizenship Essay Contest, K of C Soccer Challenge, Substance Abuse Awareness Poster Contest or similar event.
- ♦ **Four hours a year** attending, with your family, two Communion Breakfasts or council prayer services at our Catholic parishes
- ♦ **One hour a year** reading the council bulletin, council website (kofc6793.org) and the Supreme Council website, (kofc.org)
- ♦ **One hour a year** visiting with a Knights of Columbus Field Agent to ensure that his family is protected now and in the years to come
- ♦ **Six hours a year** on a council sponsored Church, community, council, family, culture of life or youth project of your choosing.

Come Grow with us and help us make this year the best ever!

Thank You and god bless you and your families!

Think you are too old for coverage? Maybe not!

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need. When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80. Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. This change came in response to a question I've heard before: "My wife and I are almost 80, do the Knights offer anything to take care of our final expenses?" And it can also help the members who thought they were "too old" to attain our coverage. This extension of our coverage ages allows me to help members I couldn't help before. I look forward to discussing coverage with you.

MEMBERSHIP NEWS

Steve Goldhammer, PGK, Membership Director

Thanks to all of you Brother Knights who assisted with recruiting at St. Patrick's on the weekend of 7-8 September (Harry Bushar, Dana Perry, Tim Boland, Russ Strosnider, Joe Krempasky, Homer Chen, Bill Hammond, Gerry Hemmingson, Fred Taylor, Greg Wolf, and Andy Colliton). Due to your efforts, we signed up two new members (David Hauk and Tite Tsala), got two transfer applications (James Andrews and Ted Cleary, three interest cards, two membership renewals, and a possible third transfer in. Please welcome David, Tite, Jim, and Ted when you see them at one of our meetings or activities.

We have a long way to go to meet our quota for this year, so we still need you to invite someone you know to join our Council. They might just say yes. Tell them all of the great things we do in the areas of Church, Community, Youth, Culture of Life, and Family activities and the events we have to raise funds for charity, scholarships, and to support our Seminarians. Better yet, invite them to come to some of our events so they can see firsthand what we do.

We have another recruiting drive in the Divine Mercy room and the monthly coffee in the Parish Center at St. Peter's Church on the weekend of 5-6 October. I'll need several volunteers for after the masses and the coffee. Please call me at 301 570-9613 to volunteer. Thanks for your help!

Father Michael McGivney's Cause for Canonization Advances

By Joseph Pronechen, 08/28/2013

The Congregation for the Causes of Saints is investigating a possible miracle attributed to the intercession of the founder of the Knights of Columbus. The cause for sainthood for Father Michael McGivney, a parish priest in Connecticut who founded the Knights of Columbus, has taken another official step forward. At the fraternal organization's 131st Supreme Convention in San Antonio earlier this month, Supreme Knight Carl Anderson reported "There is good news concerning Father McGivney's cause. A possible miracle attributed to his intercession is now under investigation in Rome." If the miracle is approved, Father McGivney would be beatified and receive the title of "**Blessed.**" "If he were beatified now, he would be the first United States-born parish priest to be beatified," noted Brian Caulfield, the vice postulator for Father McGivney's cause for canonization.

Explaining the process for this new step, Caulfield said, "We were investigating at the diocesan level, and that investigation has been completed. All the documentation was delivered to the Congregation for the Causes of Saints at the Vatican in March." He noted that there were no initial objections to the documentation, and the Vatican congregation is moving forward with its role. "It is now in the early stages of investigation there," Caulfield said. "The Vatican is now gathering a medical commission to study the possible miracle and determine if it is beyond medical explanation." If the commission approves, "then it goes to a theological commission, which will decide whether to send a recommendation to the Holy Father for approval," Caulfield said. "Then this would be the miracle for the declaration for the beatification."

At the Vatican, the steps for Father McGivney's cause are being handled by the postulator, Andrea Ambrosi. He works closely with the Congregation for the Causes of Saints and has completed many causes brought from more than 40 countries. Along with serving as postulator for Father McGivney's cause, Ambrosi is postulator for several more candidates' causes, including Blessed Pope John XXIII, Blessed John Henry Newman, Venerable Archbishop Fulton Sheen and Fathers Augustus Tolton, Emil Kapaun and Patrick Peyton, each designated a "Servant of God." YOUR KNIGHTHOOD DEGREE DESIGNATION

Don Hemke, Financial Secretary Council 6793

Many council members have realized their knighthood degree designation printed on their current KofC membership card is not correct. This is because the Supreme database experienced difficulty when the database was upgraded to an interactive Windows based system (called Member Management) several years ago. We know there are many of our council members whose degree designation were compromised and are still incorrect. I have been working to find and resolve this problem with members the past two years during the annual payment of council dues. Our council Advancement Director, Chuck Cozad, has been asked to help resolve this problem by contacting the council members to verify their correct degree designation. I want to thank you in advance for any help you can

provide to complete this effort in a timely fashion, and accept our apology for any inconvenience this may cause. To begin, we need EACH OF YOU who has access to email to provide your email address to me with an email to me at gumpermd@verizon.net. DO IT NOW, TODAY! Call with questions (301-774-7511)
