

## KNIGHTS OF COLUMBUS COUNCIL 7231

24 July 2018

To the parishioners of  
St Thomas More Newman Center  
Columbia, Missouri

**THANK YOU!** Because of the generous support of the Parish, our council has had a wonderful year. Although legally and operationally separate from the parish, our council can only exist with the support of the parish.

During the past year, in addition to the financial support provided to the parish, the Knights have been actively involved as a council in several parish activities, including laying the brick paver base in the Nativity Manger area, cataloging and organizing the parish's chapel banners, and numerous projects big and small, in addition to all the volunteer service of individual members.

The thing we are in most need of from the parish is additional support in the form of members. Blessed Pope John Paul the Great often referred to the Knights as "the strong right arm of the Church." As an order, we aim to take good men and make them better men. We are uniquely positioned to help other men lead with faith, protect their families, serve others and defend their values. We encourage all Catholic men aged 18 and over to consider joining us on our mission to make the world a better place. Imagine the difference we can make, not only on the campus and in the city, but in your family, with your help.
