Grand Knight's Report

Our Grand Knight is out sick so here's a quick summary. We will have a first degree ceremony at the business meeting the 2nd Tuesday. We are having a blood drive Sunday Feb 11 from 9 to 3. Soup nights start Friday Feb 16 after the 6 PM mass. Please note the applications for scholarships in this newsletter

I hope some of you will consider taking a position in the council, even Grand Knight the next term.

If you want to get your feet wet I have a few open positions and you are welcome at all of our planning meetings.

We will do some recruiting in the next few months. Please help out with those activities. If you know a Catholic gentleman who is a practical Catholic please invite them to join. There a couple of incentive programs running if you bring in new Knights to our order. We are a strong force now with the few that participate, imagine what we could do if all participated and if we continue to grow contribution. We continue to run two Meals on Wheels team. We also continue to provide meals to Samaritan house and the Presbyterian night shelter.

,God Bless you and your loved ones,

Family of the Month

Ramon and Deborah Carrasquillo

Ramon has been a Knight for 12 years being recruited by Charlie Parr. He and Deborah met at work. They have been married 17 years and have 4 children. They've been in Ft. Worth 15 years because of a job transfer from Oklahoma. Ramon works at Fed Ex. He and Deborah were both born in Puerto Rico. Deborah is assistant principal at lake Worth Elementary. He was chancellor of the council for 3 years but had to step down because of his work schedule.. He is the worldwide vice president of the Knights on Bikes club. He helps with the highway cleanup and street corner fundraising. He also helps with the Parade of Lights. He and Deborah have been at St Thomas 14 years where Ramon is an usher and does traffic control for CCD. Deborah teaches CCD. They both enjoy outdoor activities like biking and hiking and they enjoy movies. Of course Ramon's hobby is motorcycles. Ramon's son Samuel is learning the sound system at St Thomas for all services

Knight of the Month

Martin McCoy

Marty's been a Knight for 10 years. Charlie Parr recruited him.

He's a chemist and travels 3 weeks out of 4. In fact his travels led him to Belfast Ireland for a conference and that's where he met his wife. She's a professor of applied biology. They met while serving on the same technical committee. Marty graduated from Sam Houston University with a degree in chemistry and mathematics. He did graduate work at LSU. He was transferred by his company to Ft Worth from Houston about 11 years ago. They have been at St. Thomas about 10 years. Marty is on the finance council, and is a lector, a greeter and is on the welcoming committee for new families in the parish. He is a 4th degree Knight. One interesting fact about him is that his great grandfather was a Knight and owned a blacksmith shop. He rode to council meetings on horseback. Instead of badges they wore medallions then and Marty still has his great grandfather's medallion. Marty learned much of this from his father who is a 93 year old World War II veteran.

Happy February Birthday

Thought for February

When you go to communion it's important that you be aware that Jesus is really physically present in your body for about 20 minutes (Until the host ceases to be wheat and digestion starts to change it to muscle or energy or whatever your body needs at the time.) But you must prepare for Him

St Catherine gave a good example of communion. Think of your soul as an unlit candle. Think of Christ as a lit candle coming to light your candle with the flame of love, peace and strength. If the wick of your candle is wet with mortal sin then Christ can't light your soul's candle. And if you are absent minded and ignore Christ and think of other things during communion then the flame Jesus lights in your soul is weak and may go out. So it's important for you to prepare and think of Him during Communion so as to come closer to Him

The Eucharist and reconciliation are the keys to a good happy life. They do good work. You don't feel much emotion when you go to communion but you do see results in that they bring peace and strength to your spirit and bring you closer to Jesus.
