ST. JOHN VIANNEY COUNCIL # 13842  
FEBRUARY 2015 VOLUME 76

*A word from our  
Grand Knight  
Richard L. Schultz*

Greetings to all of my Brother Knights,

We have once again entered into a New Year with all of its resolutions and hopes for a peaceful and prosperous year. One of our important missions as members of the Knights of Columbus of Council 13842 is to reach out within our parish of St. Rose of Lima and recruit potential male members who are practicing Catholic Gentlemen within our community.

January represented for many Catholics across our country as the month to peaceably protest abortion by participating in "The Walk for Life." Our Council 13842's members journeyed to San Francisco this past January 24th along with some 50,000+ marchers. This event has become a new West Coast tradition of celebrating life and affirming our commitment to human life. PGK John DeBord chaired this event and managed the scheduling of the bus trip to San Francisco.

I had the pleasure this past January 9th to meet with the Principal of Marvin Picollo, Mr. Matt Burak, along with other Knights who attended to provide him with our Council's donation originating from our Tootsie Roll Drive efforts from last October 2014.

In closing, thanks again to everyone for all your charity and ministry efforts. This coming Wednesday, February 18th is Ash Wednesday and the beginning of Lent.

I wish all of you  
Peace and reflection on  
our Catholic faith.

Vivat Jesus

## Council 13842's Donation and Presentation to Marvin Picollo

SK Edward Carson was the Photographer on January 9, 2015

Our Grand Knight Rick Schultz presented Council 13842's donation of \$2,697.75 to Mr. Matt Burak, who is the Principal of Marvin Picollo School, which is a public Special Education covering grades PK-12. The Council earmarked \$500 of the donation for the Equesternarin Program, which is a Equine Therapy Riding Program. The funds are derived from the \$3,625.69 collected during the Tootsie Roll Drive last October 2014: 75% to Picollo, 5% for the Tootsie Roll supplies, and 20% to Special Olympics.

Attendees from Left to Right were: SK David Wertzberger, SK Ken Larovere, SK Mike Kurvers, GK Rick Schultz, Matt Burak, SK John Murphy, and Bob Obos.

## The Walk For Life January 24, 2015 San Francisco, CA

Grand Knight Rick Schultz, PGK John DeBord, and PGK Tom Gurgui led our Council 13842's participation in "The Walk For Life" march of January 24, 2015 in San Francisco. There were some 50,000+ participants who made the journey into San Francisco where the Rally began at 12:30 p.m. and through 1:30 p.m. and it was followed quickly to assemble and begin the march of some two miles from the San Francisco's Civic Center Plaza down Market Street to the Embarcadero. This event was the 11th annual "Walk For Life" West Coast in San Francisco.

## The Walk For Life January 24, 2015 San Francisco, CA

Participants made the journey from all parts of California, Nevada, Oregon, and other Western states such as Wyoming including Canada to help build a culture of life and to change the perceptions of a society that thinks abortion is an answer.

For a participant on the ground level at such an event, it moves you in a very emotional way as one becomes a part of a celebration among people of good will who are intent to affirm God's dignity and gift of human life from it's very beginning.

The Rally began at 12:30 p.m. in San Francisco's Civic Center Plaza. Once again, the speakers spoke of their real life experiences and embracing a culture of life. Pope Francis' diplomatic representative to the United States Archbishop Carlos Maria Viganò addressed the rally and thanked the participants "for your public witness."

As stated earlier, the march is some two miles from San Francisco's Civic Center Plaza down Market Street to the Embarcadero. As one leaves the Civic Center Plaza after the Rally speakers are finished, the participants of this annual pilgrimage slowly make their way to the starting point of the march.

This year thanks to efforts of PGK John DeBord, the buses were assembled on the Embarcadero just left to the end of the march. This was a major change compared to previous marches where one had to walk down past AT&T Park and cross a bridge onto Mission Bay to find their buses. Thank you John.

## The Walk For Life January 24, 2015 San Francisco, CA

Ground zero. The starting point of the “Walk For Life” march. It’s now about 1:30 p.m. Twenty students from Stanford’s Pro-Life hold and stand near the banner, and they are about to lead the way for the march followed by some 50,000+ marchers. These pilgrims are of a culture of life representing Catholics, Russian and Greek Orthodox members, Anglicans and other congregations of many faiths. A significant number of the marchers were young people.

Members of St. Rose of Lima are preparing for the march. We who participated are very appreciative of the commitment of the San Francisco Police Department who provided security throughout the march area to the Embarcadero.

## The Walk For Life January 24, 2015 San Francisco, CA

The march of January 24, 2015 in San Francisco begins, and some 50,000+ participants follow with a purpose. We chant our culture of life slogans with waves from the front to the rear of the marchers. All marching with purpose and at times confronted by those who shout back disapproval of us who are marching in peace and goodwill.

As the participants near the Embarcadero, the enormity of all the participants marching at a constant step makes one aware how important it is while contemplating what the speakers said such as Rev. Cleon Childress Jr. who declared: "The civil right movement of this present age is the prolife movement..."

At the end of the march, we board the buses a little tired but inspired by what we heard and thankful to be a part of the marchers who seek a culture of life.

## Youth Free Throw Tournament By PGK Tom Gurgui

Council 13842 hosted its annual Free Throw Tournament on Saturday, January 14<sup>th</sup> at Bishop Manogue Catholic High School. The tournament was open to all boys and girls from 9 – 14 years old. In all we had eleven boys and girls compete. While we don't have a school at St Rose, invitations were sent to Little Flower and Sage Hill schools.

The winners each of the District 1 tournaments competed in the Regional round this past weekend at Bishop Manogue. The winners from this round will be back on Saturday morning, March 14<sup>th</sup> for the Nevada State Championship. We'll be at Bishop Manogue again.

We still need to do a better job of attracting more kids to come and compete in our tournament; but all of the children who participated had a great time and they all received a certificate and a patch. Winners from the Regional round received medals.

Thanks to District 1 Deputy Dennis Price, PGK Gary Helsing, Ed Rousseau, Worthy Grand Knight Rick Schultz, Steve Corder, Michael Mazurowski and PGK Tom Gurgui for volunteering to run the tournaments.

## Prayer of the Month

By tradition, the Catholic Church dedicates each month of the year to a certain devotion. The Church has long declared February the month of the Holy Family. It is a transition from the feast of Christmas to the fasting of Lent. February has become a time to recall the Holy Family; within the Holy Family is where Jesus spent the time between his birth and embarking on his public journey.
