Grand Knotes from the Grand Knight

Dear Brother Knights,

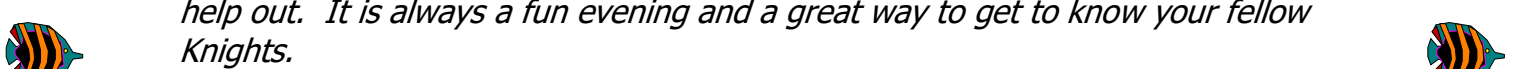

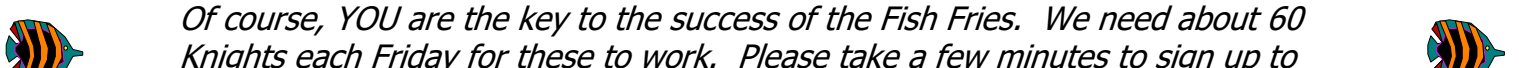

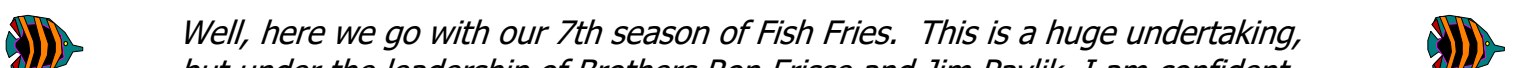

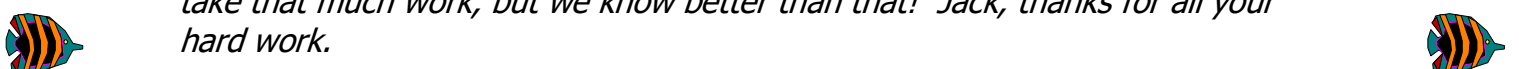

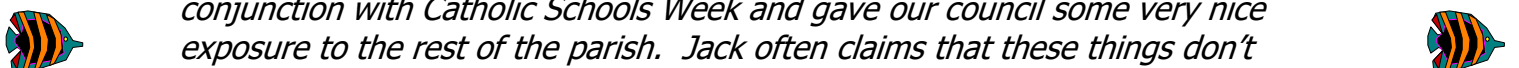

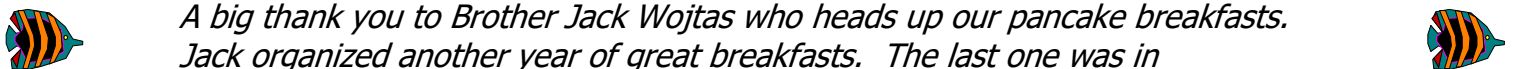

A big thank you to Brother Jack Wojtas who heads up our pancake breakfasts. Jack organized another year of great breakfasts. The last one was in conjunction with Catholic Schools Week and gave our council some very nice exposure to the rest of the parish. Jack often claims that these things don't take that much work, but we know better than that! Jack, thanks for all your hard work.

Well, here we go with our 7th season of Fish Fries. This is a huge undertaking, but under the leadership of Brothers Ron Frisse and Jim Pavlik, I am confident that these will be successful again.

Of course, YOU are the key to the success of the Fish Fries. We need about 60 Knights each Friday for these to work. Please take a few minutes to sign up to help out. It is always a fun evening and a great way to get to know your fellow Knights.

Vivat Jesus!

Mick Morrell

Ash Wednesday

FISH FRY 2016

Ron Frisse

Well fish fry season is finally here, starting Friday we will start our fish fry season, and be serving great meals over the next six weeks. Last year we served almost 5500 meals and averaged 900 people a week. This year we are hoping to serve over 1000 people every night. To be successful we need your help so please consider going to the signup genius site listed below and sign up to work a few fish fries. Spouses and older children can also volunteer to help out. Once again this year we have groups from Marion, Mt Michael, and St . Vincents to help with bussing tables and our carry out operations. It takes almost 60 knights every Friday for our fish fry to be successful so please consider volunteering to help out. To access the signup please follow this link:

<http://www.signupgenius.com/go/20F0A4BABAC22A46-svdp1/>

This year the dates for the fish fries are: February 12, 19, 26 and March 4, 11, 18

There has been lots of planning and preparation for this year’s fish fries and we are close to being ready to go. Our menu is the same as last year, and our prices are very similar, but we did decide to raise our Adult meals to \$9 from \$8. Start time is 5:30 PM each Friday; however if your volunteering please arrive early (4:30ish) f you can to help with setup. If you have problems signing up send rfrisse@cox.net an email with the date and duty and I can manually add you to the schedule.

All of our fry tent issues were solved last year, and we plan to use the same ventilation system this year, We had no reports of any issues last year in the fry tent.

You can also help by spreading the word about our great fish fry, please let your neighbors, co-workers, family and friends know about our fish fries. We will have ads in the Omaha World Herald and in the Catholic Voice Newspapers.

Thank You again for all the help in the past and we look forward to working with everyone to deliver one of the best fish fries in the Omaha area.

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance, disability income or retirement products, please call me today.

Thank You, and God Bless
