- Greetings Brother Knights-

Wishing everyone a Happy, Healthy and Blessed New Year!

On a sadder note, it is with a heavy heart that I have to report the passing of Past Grand Knight Tom Cane. Tom Passed away on January 19th. As of now there is no further information as to funeral arrangements etc. Tom was a very active member of our council and was always willing to participate in council activities like the Boston Store Community Days where he did a great job selling discount booklets. Tom will be sorely missed.

Worthy Advocate Gary Von Bargaen has moved to sunny Florida. He therefore has resigned his position of Advocate.

The office of Advocate is hereby open for nominations. Nominations will be accepted at the next business meeting February 8. Elections will be at the March business meeting.

The semi-annual audit was done before the officers meeting.

Please see the notices Dave Kunze posted from the Charity Committee related to \$500 donations each toward a new oven at St Martin's and a new chalice for SK Rev. Pedro Ruiz. There is also a request from Brother Knight Tom Hampel for assistance finding a new apartment.

Thank you to all who turned in the fraternal surveys.

Vivat Jesus!

Request of the Charity Committee:

Brothers,

We have two requests for donations that have been recommended for approval and disbursement. Monies will come from the line-item budget: *Church Activities – Religious*.

1. \$500 – A Chalice for council member SK Rev Pedro J Ruiz.
2. \$500 – St. Martin of Tours Parish to be used for the repair or replacement of the church festivity oven, which was found to have an unsafe operational mode for the “*breakfast with Santa*” in early December. The news came to the council not so much a request for help as it was how can we, the Knights, show our appreciation and gratitude for allowing our council continued usage of the parish facilities, for our monthly meetings and our fund-raising efforts, i.e. the Tootsie Roll Intellectual Drive and the Lifesavers for Life Respect Life Program.

Concerns and final discussion will be held at the February general meeting.

Fraternally,
Dave Kunze

Brothers,

I received a phone call from council member Tom Hampel asking for a little help in relocating to a new apartment. Time is short and looking to move before end of February.

His current residence is being sold and the new owner will be occupying his space.

If you have information that could help expedite finding an apartment it would be appreciated.

Regards,

Dave Kunze
