REV. MITCHELL J. CETKOWSKI - KNIGHTS OF COLUMBUS COUNCIL 6201

## February 2017

### Grand Knight Letter

Brothers,

As I enter the second half of my term as Grand Knight, I find myself looking back at the first half my term and what we, as a Council, have accomplished. So many brothers have stepped up and have done so much, showing the charity, unity and fraternity that we stand for as Knights. I cannot possibly list them all individually, so I take this opportunity to thank them all as a group for their hard work and support during the first half of my term.

My hope for the second half of my term is that more brothers step forward to make our already successful Council even better. Please check the calendar, see which events you may want to help with, or talk to myself or an officer if you want to run an event. We will help you in any way we can to make your event a success. I can guarantee that you will be glad you made the effort.

A special thanks to Jeanmarie DiBiase and Erin Bradley for running the wonderful New Year's Eve party at the Council. This is an event that our Council hadn't hosted in years, and Jeanmarie brought the event back with great success. Knights and their families were invited to enjoy a buffet catered by Sal Glorioso, who offered his services to the Council at no cost. A d.j. provided dance music for a packed floor and Jeanmarie did a great job with table decorations, which included party hats and noise makers. There was a separate room with games and movies for the kids, although some of them were right on the dance floor with their parents, showing off their moves. Everyone watched the ball drop on TV to cap off the evening, followed by dessert and more dancing.

# Columbian Club President Letter

Brothers I can't believe it's been six months already. As we work forward to the next six months I hope we can get a lot more accomplished. Thanks to the building committee we will be having the rental room painted on February 13 through the 18th. If you are at the council during that time, please try to stay out of the work area. A big Thank you to John Lehmann for helping out with the plowing at no cost to the club. He really knows how to give back as a true Knight, thanks John. I would also like to thank Jean-Marie DeBiase and Erin Bradley for the outstanding job of running our New Year's event. For those who attended it was a good night for all. It was a very successful event, probably the most successful event the club has run in a long time. All proceeds were split between the Race for Life and the new bar stools. Thanks ladies you're the best.

Mia is a sassy, energetic 3 year old. She loves pink! Minnie mouse is her favorite character; although Doc Mcstuffins got her through her hospital stays.

She was originally diagnosed with T- Cell Acute Lymphoblastic Leukemia at 15 months old. She endured about 10 months of intense chemotherapy while contacting some life-threatening illnesses along the way, before starting a maintenance chemo regimen. We celebrated 1 year cancer free in March, 2016. Shortly after, she relapsed in May. After living at The Children's Hospital of Philadelphia and then in a close by apartment for 100 days post transplant, Mia was able to move home on November 19, 2016. She is 4 months post transplant at this point and is doing great. She is thrilled to be home playing with her two older, amazing brothers!

# Coats for Kids

REV. MITCHELL J. CETKOWSKI

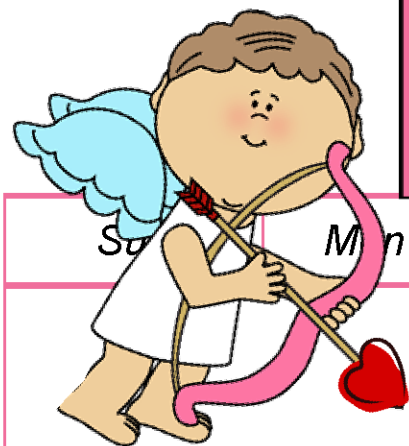

**Did you know many children throughout the United States and Canada go without a coat each winter? Many low-income families use their scarce resources to meet the most basic essentials and they need help to provide this vital winter necessity.**

**That's why the Knights of Columbus developed the Coats for Kids program, which allows councils across North America the opportunity to purchase new winter coats for children at a discount and to distribute them to children in need in their local communities.**

**Through our Coats for Kids program, 1,625 local councils distributed 79,320 coats to children in need throughout the United States and Canada in 2015. Since the program began in 2009, more than 306,000 coats have been distributed.**
