

The KNIGHTLINE

REV. MITCHELL J. CETKOWSKI - KNIGHTS OF COLUMBUS

February 2018

Grand Knight Letter

Brothers-

I write this letter with a heavy heart as just today we learned of the passing of young Jake Honig for whom we have planned the Race for Life event this year on February 18th. I ask you to keep Jake and his family in your prayers and to support the event that day in his memory and in support of his family.

I also wish to notify the membership that through a consensus of our officers we have decided to end the mailings of the monthly Knightline, and to rather only continue the webmail version. We feel we can put the money spent on printing and mailing to better use knowing that most members have webmail capability. To give an example of how we plan to better use this money, the Council will soon begin to support the Club with monthly contributions towards the expenses incurred when we donate the party hall to deserving charities. Examples of this include this weekend's room donation for a Special Olympics event, and an up-coming event for the James Volpe Foundation on March 3rd. We hope this change will not significantly alter our communications with members.

Finally I wish to tell you of our up-coming events (which you can also follow for on our website : <http://kofc6201.com>): on Saturday 2/3/18 there will be a TGIF (Fridays in Freehold) dine to donate event from 12 pm to 10 pm where 20% of proceeds will go back to our Race For Life event, on Saturday 2/10/2018 there will be a pancake breakfast at Applebee's in Howell from 8 to 10 am with tickets \$10 per person, also to benefit the Race For Life event. Tickets are available online and at the Club, and we need at least 100 persons to make this breakfast a success. The State Bowling Tourney is being held on the weekends of 2/11 and 2/18/2018 in Toms River. Our Council's teams will bowl on 2/11/2018.

God Bless you and your families.

Columbian Club President Letter

Brothers,

First, I hope everyone had a great Christmas and that the New Year is treating you good so far. We are half way through the Columbian year and the CC officers are still working hard to make much needed improvements at the council home. As we mentioned last week, the new TV's are up and they look great while having a beer and eating some fries and chicken fingers from our new menu. If you haven't been down to the club lately you should come in and check it out.

The BIC is currently getting estimates to repair the front of the building and to replace the carpet in the bar and meeting room. Once we have the front of the building fixed we will be prepared to move on. We have a full month of events both at the club and off site. We have The RFL proceeds night at TGI Fridays Sat Feb 3rd from 12 til 10. TGI Fridays will donate back 20% of your bill towards the Race for Life. Sunday Feb 4th come on down to the club to watch the Super Bowl on our new big screen TV's. Then on Feb 10th we have our Applebee's pancake breakfast to support the Race for Life. Tickets are available at the club for \$10. The following week we have the Race for Life, Sunday Feb. 18th at the club.

This year our RFL recipient has unfortunately passed away peacefully at home. We are still working very hard to help the family at this very painful time of their lives. Please try to attend our pre-events as well as the RFL and help us raise money for the family as their financial needs are still there. All info for the RFL and super bowl can be found at the council website www.KofC6201.com.

Our Iron man of the month for January was Sgt. at Arms Paul Izzo for all of his help with repairs at the club as well as plowing our lot so we can open up and do our thing.

Jake the tank Honig was 7 years old and battled with brain cancer for most of his young life. His fight inspired his community. The beautiful memories sustain his family as they deal with his passing, and they feel so grateful and blessed to have had him. This young man was an inspiration to all who knew or read about him.

At 2 years of age (2012) Jake was diagnosed with a high grade glioma brain tumor. He underwent a 7 hour brain surgery, 14 rounds of chemotherapy and 28 rounds of radiation for over 1 year at the Children's Hospital of Philadelphia. Jake was in remission until a routine MRI scan in April of 2017 showed the brain tumor had returned. Jake underwent a 5 hour brain surgery, 6 rounds of chemotherapy and additional 33 rounds of radiation.

In December 2017 an MRI was done after Jake complained of pain in his back, and this testing found that the cancer had spread to his spine. Jake's cancer was then considered uncontrollable.

Jake loved video games, the Golden State Warriors and Steph Curry, eating junk food, and playing games with his sister Gianna. He was a fantastic big brother and his sister was with him every step of the way through his illness. His smile was contagious and he maintained a positive attitude no matter what life threw at him.

He was known as the Tank because of the strength he showed during the years he fought the cancer. An old soul with a positive spirit, he was beloved by his friends in the Howell Township Police Department, and he was named an honorary police officer.
