

## Building on Faith in Waterloo

On June 28, 2014 churches in Elkhorn, Waterloo, and Valley as well as partners in the community will join with Habitat for Humanity Omaha in building a new home for a low-income family. Through much prayer and the generosity of Bethany Lutheran Church in Elkhorn, we have acquired a lot at 2221 Logan Dr. in the Homes at River Road in Waterloo. Construction of a Habitat for Humanity house will begin on this lot next summer and Habitat Omaha invites your congregation to be a part of the building of this home. If you would like to be a part of this exciting new project or know of a family in need who might like to purchase this home at 0% interest please contact:
