

Council Meeting this coming Tuesday Night!

Greetings, brothers! I hope all of you had a terrific weekend, especially since the weather was almost Spring-like! We just completed another membership interest event this past Sunday morning and we had very good participation! I want to thank all who attended as supporting and engaging members, along with your family members who were present also. It really shows us all that you care about your Council and its growth! We should continue with our vigilance of men of our parish who would benefit greatly at joining our ranks. Thanks for your efforts in this regard.

Our Council meeting this past Tuesday was an important milestone in our Council as we had to officially replace our immediate past Financial Secretary due to health reasons. Brother Edward Wilson has faithfully served our Council for as many as 15 years doing a tremendous job as Worthy FS, and worthy he was! He is still in need of visits at the Clarksville Nursing and Rehab Center near the Tennova Hospital area. With prayers, may his health improve! Brother David Lindberg is stepping up to fulfill the duties of Financial Secretary. We wish him well in these duties! Also, brother John Wilson was elected as Three-Year Trustee to replace David Lindberg in that position. Brother Roger LaPointe and his wife Claire were recognized and lauded as Family of the Month(January). Brother Charles Hoskins was FINALLY presented his Past Grand Knight hat, patch, and pin after nearly two decades...sorry, it's a long story! We've now have decided that if we have new candidates to be exemplified into our Council, we will do that Admission Degree at the beginning of our Council meeting on our 3rd Tuesday of each month.

Next up on our "TO-DO" list, is the annual Confirmation Retreat Breakfast and Lunch! This will help these kids on their journey to Confirmation coming up soon! If you can help with this, be sure to be at the school (Immaculate Conception School) at or before 6:00 a.m. to get this going for them! Your help with this will be GREATLY appreciated! Brother Andreas Bunjor will be heading this event up. Also, in February (on the 12th, Sunday sometime soon after the 8:00a.m. Mass, we will have a gathering at the Golden Coral restaurant on Wilma Rudolph for a Council brunch. Hope you can be there to share in the food and fellowship with your families!

We hope to be doing more "Hour of Prayer" events like we just did this past Sunday to commemorate (actually, commiserate) the anniversary of Roe vs. Wade. These hours of prayer will start shortly after the 11:00a.m. Mass on a Sunday. We'd love to have more brother Knights there to help pray with us! Stay tuned for the next one!

Vivat Jesus! ----Ray Hynson, Grand Knight – Council 3537
