Greetings Brother Knights,

As we wrap up this last month of our Columbian year, I wanted to thank everyone for their hard work, prayers and support for the past 11 months. Watching all the Brother Knights and Lady Knights working side by side at the Donut table, Spaghetti Dinner, Country Breakfast, Christmas Dance and Storm Game was very impressive. Along with the Brother Knights and Lady Knights who show up to support these events as well. I also watch all the Knights who contribute their time to Almighty God by serving at the various mass schedules by helping as Ushers, lecturer's, Eucharistic Minister's, singing in the Choir, assisting the priests on the Altar etc. As well as the serving on the Parish Pastoral council, Finance council and various other ministries. This past week while attending the Annual State Convention I couldn't help reflecting on our council while State Chaplain Emeritus Fr. John Grace stated "It has been our source of encouragement to be called the right arm of the church" I have mentioned in past newsletters "We are in a spiritual warfare" We must remain vigilant in our battles with the enemy who seeks to steal from God each of our souls. We must strive each and every day to grow stronger in our relationship with God by increasing our time spent with Him through prayer, works and other acts of spiritual mortification. We must grow stronger in our dedication to the Blessed Mother "The Immaculata". Through the messages at Fatima in 1917 Our Lady asked us to sanctify our daily duty by offering up all our trials and suffering in reparation for sins and the conversion of sinners (the Morning offering extended throughout the day), the daily recitation of the Rosary. Consecration to Her Immaculate Heart, wearing the brown scapular and the practice of First Saturday devotion. This is not only important but a direct request from Our Mother. The theme throughout the convention was to become better Catholics. Do we approach the Eucharist out of habit? Or do we really truly believe that is God almighty in the true presence we are about to receive. Do we return to our pews to give praise and thanks or do we let our minds wander to what our tasks are after mass? These are part of the spiritual battles with the enemy. Satan wants us to be lackadaisical in his attempt to get a stronger grip on us. It was emphasized repeatedly to "Become stronger Catholic councils while we invite new members to join us in support of a vibrant and new evangelization within the parishes we serve.

We are in the planning stages of the 1st annual Mike Castillejos Memorial charity golf tournament which we be held September 23rd at the Menifee Lakes country club More information to come.

We are holding another Poker tournament on Friday August 9th in Lake Elsinore More information to come.

Both of these events can be huge contributing factors to meeting and exceeding the upcoming Budget for 2019/2020 by reaching outside the parish for income opportunities and by taking some of the pressure off the events planned throughout the year in our church hall.

The Budget for 2019/2020 is also still in the planning stages. The committee has met once and put together a rough draft. The committee will meet a couple of more times to fine tune it before passing it along to the membership to study it before going to vote at our July Council meeting.

Lastly, I would like to thank each and every one of you for your ideas, advice, prayers and time contributions to making our council a success.

God bless.

Fraternally Yours;

Joseph Adams

Grand Knight.
