Brother Knights,

Change is coming in 2021. Expect the Covid to continue to affect our operation into the fall. That being said, we as a council are still doing a lot of good work. We helped set up Christmas lights and decorations inside and outside St Martin of Tours church. Thanks to all of our knights and especially our Knight of the Month, Mark Ruminsky for his time spent and his continued efforts to get meals to those families in need for Christmas. In addition, Ken Kieck and Rich Doubek attended the March for Life in Madison.

The Business Meeting format has changed. The change will be seen at the next meeting on Tuesday, January 12th in the Narthex at St Martin of Tours church at 7:30pm. The meeting will also be available via Zoom. You will be getting an in e-mail with the invite. Expect the meetings to be available online even after the Covid is gone as it has been found in other councils that more members attend meetings from home, especially those that were at work all day.

We will also have an exemplification before the Business meeting on the 12th starting around 6:45.

Please pray for those councils that have been hit hard by the Covid both in Knights and their mode of operations.

Fraternally,
Ken Keefer

If anyone knows a brother knight who is ill, in distress, or has passed on, please contact the Grand Knight or the Financial Secretary.

January 4, 2021
