A Note From The Editor

In Memory of

Charles "Chuck" Dummer

Chuck Dummer was a member of St. James Council 1728 of the Knights of Columbus. He joined the Knights in Feb. of 1976 and the 4th

Degree in Jan. of 1986. Chuck was very active and served as Lecturer for the past several years. He enjoyed bringing things to the council that he had researched. Everyone always enjoyed his reports.

Was Chuck a little optionated? Will put it this way. If you didn't agree with him, he would say in so many words that he didn't care. You never had to guess where he stood on things.

The 4th degree was one of Chucks favorite parts of the Knights of Columbus. He enjoyed getting dressed up in full regalia and march in a parade, present colors at a sporting event or stand honor guard at a funeral. You could always count on Chuck being there.

Chuck was a great knight and always stood up for the church. Chuck will be missed by all the Knights and all those of us who were close to him.

Rest in Peace my friend.

Grand Knight Report

Cliff Jarecke

In the last month there has been a lot of things going on with the Knights of Columbus. May 29 was the 5th Sunday Breakfast. We had a good turnout. Then on June 2nd was the funeral for Chuck Dummer.

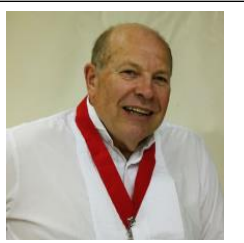

On the 26th we were present at Fr Arts 40th University. It was a good turnout by the Knights. Fr. Art was very pleased with us taking a part. Then on Monday we had the joint installation of officers at the hall. We had a mass with Fr. Paul and Dist. Deputy Jim Dubas installed the officers. A fine dinner was served afterwards.

Now in July will be at the 4th of July parade in Gibbon. We will have our float with some members passing out tootsie rolls. On July 13th is the Cruise Night B B Que at the hall. This is always a good turnout. On Sunday July 17th, Council 1728 will serve a breakfast to high school retreat students at St. James Social Hall. As you can see our council keeps very busy. We try to have something for everyone. We hope that the next time we have a function you can step up and take part.

The Finance Committee is continuously working a budget. Where do we need to spend our money? How much do we give to charity and how much do we need to keep up the hall. How much do we need to hold back for thing that may come up in the future? Job well done.

District Deputy Report

Jim Dubas Dist. #24

Brother Knights, thank you for having me as your DD for the past 4 years. I hope every Knight will take time to think about what it means to have Charity as our # 1 principal. To become active in council church projects that are always giving back to God from the talents which he gave us. Everyone can do something and as a group we get things done, so as one with you in our brotherhood I ask that you become involved.

Knight of The Month

Kenny Richter

Kenny joined the Knights in Jan. of 1972. He has been a very active over all these years. Whenever there is a project you can always count on Kenny to be there to pitch in. He has held several offices within the council. Kenny stores the council float at his farm and when there is a parade he will pull it with his truck.

Kenny holds the office as one of the trustees and this is why he has been chosen as this month's Knight of the Month. Thank you Kenny for all you do for the council.

Family of The Month

Fred & Evelyn Prellwitz

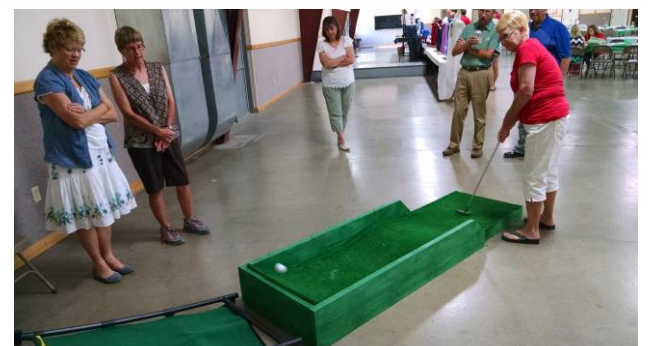

Fred joined the Knight of Columbus in Nov. of 1955. Fred has served

Knights in many areas. It might be Tootsie Roll Drive, Bingo, working around the hall and the Fish Fry. When it came to the fish fry you can always count on Fred and Evelyn on being there. Every week you can always find Fred at the drink bar and Evelyn at the Catholic Daughter's desert bar. Thank you Fred and Evelyn. You set a good example of what it takes to be our Family of the Month.

Only Having Insurance “Through Work” Doesn’t Work! Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could change employers, or even lose your job. Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary. But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short. In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive. While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.
