Grand Knotes from the Grand Knight

Dear Brother Knights,

Congratulations to three of our Brother Knights. First, Brother Knight Glen Kampschneider has been assigned the role of District Deputy for our district. Glen has served our council as Financial Secretary for the past few years. Brother Knight Matt McConville has been appointed Financial Secretary to replace Glen. Matt has served our council as Recorder. At the June meeting, Brother Knight Dan Borcyk was elected to fill the role of Recorder. Thank you to each of you for your dedication to our council!

July is a busy month for us. I encourage you to attend the annual Priests appreciation dinner Monday, July 18 at Mount Michael. This is an opportunity to show our support for the priests of the Archdiocese. We had a very nice turnout last year and I expect another this year. Let me know if you plan to attend and would like a ride out. So far we have 15 Knights who plan to attend. We will car pool from SVdP leaving at 5:15. Cost of this event is \$20/person for a nice steak dinner.

Also this month we will be holding our annual Farmers Market the last 2 weekends of the month. Dan Hoffman and I will be co-chairing this event. We can always use help for this event. Brother Knight Ron Frisse has a SignUpGenius website to volunteer to help. See the article for the link.

Thank you to the leadership that Brother Knight Jim Bogner provided for St. Vincent de Paul's 25th anniversary parish picnic. Jim had a well thought out plan and executed it perfectly in conjunction with the Men's Club. Thank you as well to those Knights who helped with this event.

Vivat Jesus!

Attendance Drawing \$122+

Brother Knight Kevin Smith was the lucky winner at the June attendance drawing. He netted \$13 by winning half the pot. However, he did not pull an ace, so July's jackpot starts at \$122. We are starting to talk some real money now!

But you have to be present and enter to win! Good luck. You never know you might have that special ticket and be lucky enough to draw the ace !!!!

Farmers Market set for Last Two Weekends of July

Mick Morrell

We will be holding our annual Farmers Market the weekends of:

July 23/24
July 31/August 1

Brother Dan Hoffman has graciously accepted the role of co-chairman of this event. Our council has held this event for several years, but if you are new to our council, here is the skinny on what we do. After each weekend Mass (except Sunday evening) we offer for purchase several different produce items to parishioners.

We always have sweet corn, tomatoes, cucumbers, and zucchini. Usually we also have cantaloupe, watermelon, and another item or two. We start preparing about a half an hour before the end of each Mass, so if you volunteer, you will need to attend a different Mass than the one you help with. As Mass ends, the madhouse begins! We have tables in two locations in the courtyard to serve the parishioners.

We need 4-5 volunteers to help with each Mass. If you are able to help out, please signup using the signupgenius site at <http://www.signupgenius.com/go/20f0a4babac22a46-svdpsend> or send an email to mick.morrell@me.com to let me know which Mass works for you.

The Pitfalls of Replacing Coverage

You know the old saying, “the grass seems greener on the other side of the fence,” but we all know that it rarely is. The same holds true when it comes to replacing your existing Knights of Columbus life insurance with coverage offered by another company. Perceptions are deceiving. A move to the “greener” grass on the other side of the fence might seem like a good one, but it can leave you with less *green* in your wallet — in some cases, a lot less. That’s why it pays to remember another old adage, “Read the fine print.”

There are many reasons to keep your existing coverage in force, whether that coverage is with the Knights of Columbus or with another company. I’ll focus on the potential pitfalls of replacing coverage here — pitfalls that an agent trying to convince you that the grass actually is greener might neglect to mention.

First, all life insurance contracts contain a *contestability period*, which allows the insurer to contest claims made for a period — typically two years — after the contract is issued. Chances are this is no longer an issue with your current coverage.

Second, it’s unlikely that you can obtain the same amount of coverage, for the same premium, that you were able to obtain with your existing contract. The two factors that determine how much you’ll need to pay for life insurance coverage are age and health. Certainly, you’re older now than you were when you took out your current coverage. There’s no way around that. And you have to ask yourself, has your health changed during that time? Is your blood pressure the same? Your cholesterol? Have you gained weight? All these factors can affect the amount of coverage you’ll get for your premium dollar.

If someone encourages you to replace — or worse, drop — your existing coverage, please call me. I’ll show you how your existing coverage is working for you and why replacement is rarely in your best interest.
