Brother Knights,

I am grateful to be elected as your Grand Knight. This position is not something I aspired to, but took on as a duty to the council to continue our mission. I can say that 10 years ago, I had no idea that I would be a Grand Knight or for that matter a 4<sup>th</sup> Degree Knight. If it were not for Dave Kunze pestering me that first time about becoming a knight (of course he was rejected) would I have ever noticed what the knights do. The tootsie rolls, the 4<sup>th</sup> Degree Honor Guards, and other charity events got me wanting to be part of the action. Yes, I was busy with work, with raising kids, and with other organizations, but those are just excuses. I think Dave only had to ask me 1 or 2 more times before I signed on. My point is that there are others out there like me who may say no, but you will have started the conversation and hopefully they too will want to join.

On other matters, we will have business meetings and officer meetings (virtual and in-person), but on an as-needed basis. I plan on having our regularly scheduled July 28<sup>th</sup> officer meeting in-person and virtually. In-person site has yet to be determined. I have been able to hold other in-person meetings successfully throughout this pandemic with the standard precautions taken. We need to discuss how the changes have affected our plans for the rest of the year and future challenges and opportunities. I will also be presenting the minutes from the latest District Deputy meeting.

Fraternally,  
Ken Keefer

If anyone knows a brother knight who is ill, in distress, or has passed on, please contact the Grand Knight or the Financial Secretary.
