A Note from the Editor

The Website has been down

If you have tried to get into the website and were unable to do so, the website has been down for a while. I have tried to call them and all I get is a voice mail. They sent out an email saying there was going to be an update and we had to make some changes. I think that there are so many new councils getting on that the server couldn't handle it so then they switched to another server that could.

I will keep working to get the website up again. As soon as it is up I will send out an email.

We are up and running once again

We are once again back on line with the website. The council web address is still the same. www.kofc1728.org but if you had bookmarked this sight you will have to delete the bookmark and re-bookmark it. This is because we are under a different server. It is believed that there are so many new councils signed on that the old server could not handle it.

If you have something you would like to have posted on line, let me know and I will get it posted.

Message from the desk of Fr. Art

The feast of Pentecost that we celebrate on June 9th brings the Easter season to a close. Following that we will return to “ordinary time” on our liturgical calendar. And what is ordinary time? It marks the day to day lives that we live conscious that God is with us and working through us to bring about his Kingdom on earth.

On that first Pentecost, those gathered in the upper room experienced a marvelous grace and power that came to rest on them. Beyond that, the Holy Spirit impelled them to leave fear and hiding behind and to go out to all parts of the world announcing the Pascal Mystery of Jesus the Christ. The apostles and disciples of Jesus carried on the work begun by Jesus in his ministry on this earth. That mission is likewise given to us in our own time. That is the impetus that motivates us to do the good things that make life better for others. We do it in the ordinary day to day lives with our families, at work, in our K of C projects. It is the ordinary way of life for Christian men and women. And, the Spirit of God is with us as we go about.

Peace and Blessings, Posted June 3, 2019

Message from Dist. Deputy #24

Mitch O'Neill

A Major Degree will be held on Sunday, June 9, at Sacred Heart Catholic Church, 141 E 2nd Street, Lawrence, NE.

What a GREAT opportunity for a member to receive his Second and Third Degree, or for a new candidate to receive all 3 Degrees!

Congratulations to 1728 St James Kearney for 1 new member initiated in May, and 2351 Wood River/Shelton for reinstating 1 member. Be sure to invite all new members to participate in your next charitable activity.

It is not too late for all councils to have a First Degree for any new members who wish to join the largest Catholic men's charitable group. An Admissions Degree is scheduled for June 5 at 7 PM at the Kearney Old Town Hall (1900 Central Ave). I am also available with the Admissions DVD, and I can do it in their home if needed. Please contact me if you have a candidate who can't make it to Lawrence on June 9. All you have to do is ask!

Elected officers, thank you for accepting your nomination. I need to arrange for the installation of officers for each council. Please attend when your council date is set. Again, call me to assist and check with the local priest, it can be done at a Mass or anytime. Financial Secretaries, be sure to update your council officers in member management on-line, even if no officers have changed.

It is time to fill out your Columbian Award. To qualify, both the Grand Knight and Council Youth Director need to take the safe environment training.

Vivat Jesus

4th Degree News

Brother Sir Knights

Just a reminder that on June 22nd, there is a 4th Degree Exemplification in North Platte.

If you have someone interested, let me know.

We also have the 4th of July Parade in Gibbon. We need people to ride the float and give out Tootsie Rolls.

On June 30th, my roll as Faithful Navigator comes to an end. Our new Faithful Navigator will be Jim Bogner. Jim will do a good job and needs our help when called upon.

I appreciate everyone's help the past two years.

Thank you and may God bless.

You know what I did before I married? Anything I wanted to. (Henny Youngman) [For those who do not know him, Henny (not Henry) Youngman was an American stand up comedian.]

What Catholics believe about angels

I'd like to speak to you a bit about angels. Yes, angels, those spiritual creatures that watch over us and serve God our creator. I'd like to tell you what we believe as Catholics about angels, so that you will not be confused by what our popular culture says about them.

First and foremost, angels exist. They are pure spirits — they have been created by God to serve him and to do his bidding. There are numerous references to angels in the Bible; we know that in the Old Testament, as well as in the New Testament, angels served as messengers. Angels waited on Christ when he was tempted in the desert and angels set St. Peter free from prison. And yes, it was the angel Gabriel who came to the Blessed Virgin Mary to announce the Good News of our salvation.

Because they are pure spirits, angels have no bodies. (Yes, that means they ordinarily have no wings ... sorry.) Occasionally, they may assume human form so that their message might be received by us, but they have no physical form of their own. Because they are pure spirits, they have very powerful intellects and thus are very intelligent. However, despite their intelligence, they cannot read hearts or minds. Like us, they have the use of free will which they may use to either obey God or not.

The great majority of the angels are good and holy; they have remained obedient to God. However, there are fallen angels, those who have refused to obey God. The chief among them is the devil, Satan, or Lucifer. The devil is a fallen angel — first and foremost — with all the powers and limitations that go with it. The devil is nowhere near as powerful as God, but because he is an angel, he and his followers possess very keen minds which they use to tempt and lure us away from God. Reasons for Satan's fall from grace are many and open to conjecture, but it is generally believed that when God the Father revealed to all the angels of his plan to send his Son Jesus to save us, Satan couldn't accept it.

Today there seems to be a practice among some people to say that when a loved one dies, especially a child, that the loved one is now "an angel in heaven." This is rather sweet but really not correct. When we die, we remain children of God. We don't turn into an angel. Let me remind you that Jesus Christ suffered and died to save us, not the angels! The dignity we possess by our baptism is enough. We will not turn into angels when we die. Although angels possess a greater intellect than ours, we have a greater dignity because of what Jesus did for us. He came to save us!
