Grand Knight’s Message *By Ron Suriano*

My Brother Knights, another month has passed quickly and once again it’s time to let you know what has happened since our last newsletter. I am happy to report that our elections took place as scheduled during our May 19th Council Meeting and I wish to congratulate all of our future Officers and wish them well in the year ahead. Since this is my last Grand Knight’s Message, I do want to thank all of the Officers for their dedication and support this past year. Whatever accomplishments were made, we worked as a team and all of our Officers deserve the thanks of the Council.

I want to thank you for purchasing tickets for our 1500 Club drawings the drawings took place the first week of this month. Deputy Grand Knight Joe Risi and his wife Philomena, and my wife Marilyn and I attended the Florida State Convention on May 27th – 29th in Orlando and will be reporting back to the Council on any important changes for our Membership. I do want to report to you that we have completed our annual drive to support Citizens With Disabilities, formerly known as the Tootsie Roll Drive and have collected a total of \$1,310.00. That amount has been sent to the Florida State Office and will be distributed back to us for forwarding to the Special Olympic and ARC organizations locally. Thanks go out to Brother Mike Spagno and all of the Brother Knights who supported this effort.

For those Brother Knights who have departed this area, or are planning to leave for the season, make sure that our Financial Secretary has your correct address in order to mail your Newsletter, Dues Statement, etc. It is very important that we have the correct mailing address and phone number for you while you’re away from Port St. Lucie.

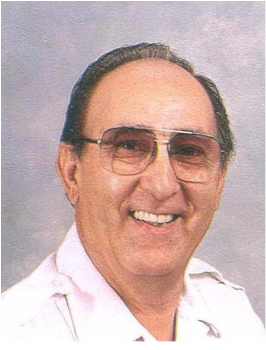

I again ask that each of you please continue to do everything you can to make membership in our Knights of Columbus Council more meaningful. Support our newly elected Officers, their fund-raising efforts and help all you can! I urge each of you to seriously consider how you can provide the leadership necessary in order to improve our Council.

God Bless,
Ron Suriano, GK

Columbiettes

By President Ann Klose

It is hard to believe that this will be my last article. I will miss working with Merritt each month on my article. Thank you Merritt for your hard

work in putting the newspaper together each month and to Vilma, a thank you for the special attention you gave to our articles and the beautiful pictures that you took and fitted in our articles.

To all my sister Columbiettes, thank you for allowing me to be your President for the past year. It has only been one year that I was your President but I had been Vice President for two years when we were an Auxiliary and one year as Columbiettes, so it has been a total of four years that I have had the opportunity to sit before you. During those four years I have been privileged to get to know you and enjoy working with you all. I have enjoyed listening to your input on all the subjects that have come before us. We may have had many different opinions, ideas, likes and dislikes; they were all resolved by a vote. The one thing that stood out was one thing we have in common and that is our Faith. Our Faith together enabled us to accomplish many things. We have helped many Charities and in these times they are greatly appreciated. We could only do these things because of each of you. Thank you for all you have allowed us to do. Please continue to give our New President and our Board the same support.

Congratulations to our new Officers for the coming year. They are:

- President.....Mary Paglione
- Vice President.....Vilma Stevenson
- Secretary.....Alice Iannarelli
- Treasurer.....Julia Mollica
- Financial Secretary.....Marilyn Suriano
- Sentinel.....Anna DiGiacomo
- Past President.....Ann Klose

Bottom row: Roberta Thompson-State VP, Suzanne Pleger-State advocate, Shirley Gayford-State President, Carmella Foglio-State Sentinel, Johanna Anzalone-State Immediate PP, 2nd row: Victoria Sandin-State Secretary, Debbie Washington-State Treasurer, Lucille Meyers-State Financial Secretary

**RESPECT LIFE~
JUNE**

My dear brothers
and sisters in Christ:

As summer approaches our thoughts are on our vacations, as we all look forward to that time when we can get away from the hustle and bustle of daily life. But the reality is that acts against the dignity of all human life still occur. Every day, abortions take place. Embryos are being used for Embryonic Stem Cell Research, there are elderly, whose lives are being snuffed out by someone playing God, and many men and women are still on death row awaiting their executions.

You might almost say that the evil one doesn't take a vacation.

We are not suggesting that you should give up your vacation, but please do not give up your efforts to change these injustices. No matter where you are, you can always speak out against them and pray that God in His infinite wisdom will hear our voices; as the power of prayer is mightier than we can ever imagine. Things are changing, however slowly, but we are seeing progress.

Enjoy your vacation and leave your worries and cares behind but always take the Lord with you.

Have a great vacation and may God continue to bless you.

Deacon Ed & Ann

Knight of the Month for June ~ Jeffrey Kohuth

Jeffrey Kohuth is a field agent representing Knights of Columbus Insurance with the Sergio Urrutia Agency in south Florida, serving brother Knights and their families in Port St. Lucie, Jensen Beach and Stuart. Jeff joined the Knights of Columbus in 1996 because he wanted to be an active part of his parish community. He became a Fourth Degree Sir Knight in 1999. In 2009, Jeff became a field agent to assist families with their financial preparation for the future.

Jeff holds a Bachelor of Science Degree in Business, Business Psychology and Corporate Finance from Mercy University, Dobbs Ferry, NY. He continued his education through Scranton University, Scranton, PA. He wants to share his knowledge with all of his fellow Knights. Born and raised in Yonkers, NY, Jeff worked in family businesses in the Bronx, NY, Pennsylvania and New Jersey. He started his own business in Pennsylvania which he sold in 2004. He has lived in Port St. Lucie for seven years.

Jeff has been happily married to his wife, Debbie, for 21 years. Debbie, who works for the St. Lucie County School Board, and Jeff have a daughter Kristina, age 17, and a son, Evan, age 10. The family has been actively involved in St. Bernadette Parish where Debbie and Jeff have been teaching 7th and 8th graders in religious education for more than four years. Kristina is active in the diocesan youth group, parish council and various ministries, as well as Evan, serving as an altar server. As a field agent, Jeff seeks to educate and advise his members. "I realize the importance of having a financial plan in our personal lives as well as in business" said Jeff. "I understand the stress of providing for and insuring your future, and that of your family, especially in these trying times."

Our 1500 Club!

Brother Knight & Friend:

Field Agent's Report

By Jeff Kohuth

Where to put your "extra" savings ? Who doesn't want to live a longer, happier life? With advances in medicine and healthcare,

the average life expectancy for people in North America is well into the 70s, but reaching age 100 is no longer such a rarity. Of course, increased age brings a new challenge: how do you afford to live out retirement in the style to which you are accustomed?

Having a proper plan for financing your retirement is the key. In recent years, the decline in the stock markets has slashed many 401(k)'s to 201(k)'s or worse. Because of these hard times, people are being extra careful with their money, but many don't know where to put what little "extra" savings they may have.

As a Knight, you have access to a product that is safe from the swings of the market and is protected from the instability in the banking industry. Our annuity is designed to provide guaranteed long-term security. Consistent and disciplined savings

placed into this annuity over time can provide income at retirement that you cannot outlive. With that guarantee comes the fact that no one has ever lost money put in a Knights of Columbus annuity (remember, absolute safety of principal) and consider the value you are getting.

Contributing money to an annuity can also have positive tax implications (always check with your tax professional on these matters). And our annuities offer a very competitive interest rate, consistent with our primary goal of absolute safety of principal.

Take some time to meet with me and I will explain fully the benefits of selecting our annuity, along with the benefits of our top-rated life insurance and long term care insurance plans. As you consider options as you proceed toward retirement, think about one thing guaranteed to help you and open a Knights of Columbus annuity.

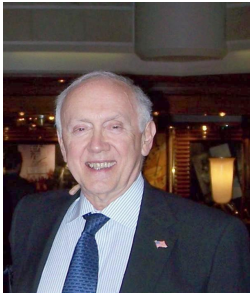

God Bless, Jeff Kohuth

Editor's Corner

The Editor wishes to thank our photographers at large for their supply of good photos! A number of them were used in this issue. When possible, please provide the photo in digital format rather than conventional print since a photo print needs to be digitized before we can use it, resulting in lower quality. I also thank SK Sam Paglione for his hard work in keeping our Advertisers' page filled and up to date. Our Council Officers ask that our members consider using these Advertisers, since their contributions help to defray the expenses of this newsletter.

Summer season is upon us and we will print a shortened Summer Issue version of our Nightly News for July and August.

**Our Knights of Columbus License Plates - Do you have yours yet?**

In a Council meeting several months ago, the idea was raised about having Knights of Columbus vanity license plates produced and made available to members of our Council and Assembly. The plates are made of aluminum and overprinted as shown above. The plates have 2 mounting holes near the top for easy mounting. There are also 2 mounting holes at the bottom of the plate. If it is desired to also use the lower holes on the plate, there is a simple pop-out to make these holes apparent. Some modern vehicles may not appear to have mounting holes on the front bumpers but since most cars are sold in all states and many states require front license plates, there are almost always 2 lightly marked spots on the front bumper that are also pop-outs. The plates are available for \$12 and can still be obtained from Brother Knight Nic DiGiacomo, who is in charge of this project. Don't delay since a modest number of plates were produced.
