## St. Genevieve's Council 13969

JUNE 2014

### GRANDKNIGHT MESSAGE

The State Convention was held in Albuquerque this year and St. Genevieve's Council won three of the top awards this year. We won the "Knight of the Year" "Culture of Life Couple of the Year" and the "Church Service Award". This month we also held a yard sale at the Parish Hall on May 24<sup>th</sup> to raise money for the Display Cases that the Council is trying to get. They will be put in the Parish Hall to display the Councils Awards that they have won in the past and present, for all to see what the Council does.

We finally have the 10 young men we were trying to recruit for the new Columbian Squires Circle that the Council is starting here at St. Genevieve's. The Squires is the youth organization for young men between the ages of 10 and 18.

The Council has also recruited the 20 men necessary for the round table at Our Lady of Health to be able to start their own council there now. This should be happening in the month of June as will the Squires Circle. So as you can see the Council has been very busy this year in many projects and all of our work is starting to pay off, Thank You all who have made this possible and may God Bless you all.

Grand Knight Kerry Morley

### CULTURE OF LIFE

Harold Beeson Director

Father's Day and Life

June 15<sup>th</sup> is Father's day and on the day we remember our fathers and we celebrate fatherhood. I can remember looking into my baby's face, holding her in my arms, and seeing the creative power of God. It is to every child from conception that we as fathers along with the mother give form and function; but, it is God Almighty that gives life, body and soul. So this Father's day, give thanks for your father and for your fatherhood but especially give thanks for the fatherhood of God. As we offer our mass let us remember those who have lost fatherhood through abortion and pray that they would know the mercy and love of God. Let us also remember our spiritual fathers that God has given us in our priests. Give thanks for Priests who sacrifice their entire life for Christ and his Church and bring us the sacraments. St Joseph, protector of the Christ child, Pray for us.

### INSURANCE

#### *Don't Assume You Can't Afford Disability Income Insurance*

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

1. Choose a two-year or five-year maximum benefit period.

Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year duration benefit period would cover disabilities you might encounter in your working life.

2. Choose a longer elimination period.

An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your contingency fund to account for the longer gap.

As your professional insurance agent, risk management is my specialty. Let's talk about how to protect your income, your retirement needs, and your family's financial future.

## COMMUNITY

### FLAG DAY JUNE 14<sup>TH</sup>. FLY THE FLAG

Statement by President Dwight D. Eisenhower  
Upon Signing the Bill to Include the Words  
"Under God" in the Pledge to the Flag

June 14, 1954

FROM THIS DAY FORWARD, the millions of our school children will daily  
Proclaim in every city and town, every village and rural school house, the Dedication of our nation and our people to the Almighty. To anyone who truly loves America, nothing could be more inspiring than to contemplate this rededication of our youth, on each school morning, to our country's true meaning. Especially is this meaningful as we regard today's world. Over the globe, mankind has been cruelly torn by violence and brutality and, by the millions, deadened in mind and soul by a materialistic philosophy of life. Man everywhere is appalled by the prospect of atomic war. In this Somber setting, this law and its effects today have profound meaning. In this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource, in peace or in war.

## MEGA BINGO TICKETS

At the Mega Bingo Kickoff one of the first tickets of the Mega Bingo 2014 was sold to Pete Hampton of Las Cruces Security Company, who helps provide security for our Mega Bingo. If any Brother is in need of tickets to sell or buy please contact Brother Al Lopez at 575-635-3808. This Mega Bingo is our main fund raiser of the year and it is what drives our budget for the fraternal year. All donations and expenses are planned out of this. So it is very important that we have everybody in the councils help to make this a very successful event by selling all 350 tickets so that we will have a successful fund raiser for our Council.
