Grand Knotes from the Grand Knight

Brother Knights,

I would like to take this opportunity to thank all of the Brother Knights for all of their hard work and dedication to our council over the past 2 years.

As I reflect over the past 2 years serving as the Grand Knight of our council it is hard to believe it has been 2 years already. It has been an honor serving as our councils Grand Knight over the past 2 years and a member of our council for 7 years. When I began serving as the Grand Knight of our council I had some very big shoes to fill. Our council has been very fortunate to have such strong committed individuals serving as officers of our council. I want to thank all of the Brother Knights who offered advice and counsel during my tenure.

I encourage everyone to step forward and serve as an officer of our council in the future. I look forward to remaining an active Brother Knight in our council for many years to come.

Just last month our council was awarded 2 of the top council awards given out annually at the Nebraska State Convention. Our council received the 1st Place Membership Award and 1st Place for One Rose - One Life in Division 5. Both of these awards demonstrate the hard work and dedication by the Brother Knights in our council.

2 Years ago our council received the Star Council award and we are on pace to receive the Star Council award again this year. These awards are a reflection of the strength and commitment of all of the Brother Knights in our council.

As always, I appreciate all that you do and if you have any comments, questions or concerns don't hesitate to call (402-359-1648) or e-mail (wsyosick@centurylink.net) me anytime.

*Thank You and God Bless,
Bill Yosick,
Grand Knight*

Farmers Market
Mick Morrell

Our 2015 Farmer's Market is set for the weekends of July 18/19 and 25/26. At our Farmer's Market, we sell sweet corn, melons, tomatoes, and other vegetables after Masses (except Sunday's 5 PM mass) those two weekends. It is not quite like most Farmers Markets where the customers browse the items and take their time, it is generally a fast and furious 10 to 15 minutes after Mass and then we are off until the next Mass.

We set up our stands at the west end of the courtyard and at the bottom of the steps leading up to the courtyard. About 5 volunteers are needed at each Mass for about 45 minutes. A signup sheet will be available at the June and July council meetings or you can email Mick Morrell at mick.morrell@me.com to volunteer.

Volunteers are requested to attend a different Mass than the one they are helping with as it takes about a half an hour prior to the end of Mass to prepare for the market.

One final note, I would love to have an assistant chairman for this event. If you are willing to help out, please drop me a note!

Catholic Diocese

Fathers Plan, Fathers Protect

From the beginning, the Knights of Columbus has been a family-first organization. Father McGivney was striving to find Catholic men who could come together to protect and support the families in their communities who needed it most – including their own. Today, the mission remains the same. And, as we celebrate Fathers' Day here in the United States, it's a great time to evaluate how we're doing. As we approach the beginning of 2015, the Knights of Columbus has more than \$96 billion of life insurance in force, covering the lives of hundreds of thousands of our members and their families.

Knights across North America continue to trust their Order to protect them and to see to it that their loved ones are well taken care of once they're gone. And the numbers keep increasing. The year 2014 marked the 14th consecutive year of increased new business life insurance sales. More and more members are preparing to leave behind legacies of protection for their loved ones. But how are each of us doing on an individual level? How well protected are our families? Are we certain that the insurance that we have in place is enough to cover their needs? Is it enough to allow those left behind to remain in their homes, to attend college, to continue to live the lives their accustomed to? Would we even know how to begin calculating and projecting those needs?

There are a lot of moving pieces and parts that go into calculating just how much your life is worth in dollars and cents. You're worth far more to your family than simply a number on a page, of course, but you do provide for them. And, if you're no longer able to, you want to make sure that their lives are not further devastated by your absence. These calculations and determinations are not ones that you need to make on your own. I can help you identify what you need to do in order to adequately protect your family.

The Knights of Columbus provides members a comprehensive, complimentary needs analysis titled "Profiles & Forecaster," a proven industry tool that helps you determine your needs. I will gladly perform this custom analysis for you and your family absolutely free. It's a fraternal benefit that costs you nothing, but could tell you a lot. The Profiles & Forecaster analysis will help you identify surpluses and shortages, insurance and income replacement needs, final expenses, and more. How could you turn down a free comprehensive analysis from one of the "World's Most Ethical Companies?" Why would

you pass up on a complete review from North America's most highly rated life insurer? Helping your family to prepare for life without you is one of the most selfless actions you can make.

So, this Fathers' Day, as your family shows you how much they love you and how much you mean to them, show them how much they mean to you. Make an appointment with me for your custom analysis, and begin to build an insurance portfolio that will guarantee their protection after you're gone.

*As of 12/31/13, rated A++, superior for financial strength by A.M. Best. Designated a 2014 World's Most Ethical Company by the Ethisphere Institute.
