### COUNCIL CHAPLAIN, FATHER FRANCIS SALASIAR, C.S.C.

#### Year of St. Joseph

Dear Knights of Columbus members in Christ, this year is dedicated to St. Joseph by Pope Francis. There is only a little written about St. Joseph in the scriptures. But we could know the person and the personality of Joseph from the little that is written or within the silence of his character. Mathew's gospel presents him as 'a righteous man' (Mt 1.19). There is so much we can learn from his silence. For instance, his willingness to listen to the voice of God that came to him in a dream, his obedience and faithfulness to the call of God, proven by his willingness to endure hardships.

For this month's reflection, given the situation of ours, I want to reflect on the quality of '**patience**' through the life of St. Joseph. Patience is a willingness to suffer. A **patient** is one who suffers an illness not by choice, whereas, a **patient man/woman** is one who suffers voluntarily rather than relinquishes the vocation given him/her. Joseph was patient because of his love. He was willing to suffer anything, for instance leaving his place and taking shelter in a foreign land.

I think we all need to develop or practice the virtue of patience in our daily lives, particularly as we continue to remain lockdown. We may have to put up with family members and households, more than ever. This may be a period of trial in our relationships. St. Joseph comes as a model of patience that we need to endure and practice in our lives. Because things were difficult St. Joseph did not disown the call or the mission that was entrusted to him. So, we pray, through the intercession of St. Joseph:

Dear Lord,

**You chose St. Joseph to be the earthly father of your Son and blessed him with patience and endurance. Give us the same gift of patience and endurance in our lives, as we continue through this difficult moment. May we continue to model St. Joseph in our own lives. We ask this through Christ our Lord. Amen.**

### **Message from the Grand Knight**

Brothers:

As come upon June, many of us have now received one vaccination against COVID 19. Even though we still have to obtain a second vaccination, but at least we are half way there. We need to continue to stay safe and practice proper hygiene and social distancing in order to keep this terrible virus from spreading and affecting other people. The summer months are normally a time when we get together with our family and friends over a backyard barbecue, a day outdoors at a park, outdoor events (festivals, concerts, etc.) This year, it will take a different turn as many of us will still be staying relatively close to home.

I urge you all to continue to pray for those who are affected by this pandemic. Continue to pray for those around the world who have been devastated by this COVID 19 virus such as people in the country of India. We are very fortunate to live in Canada that has access to some of the best health care in the world. We need to continue to help those who are less fortunate in our community by our creed (faith in action) and leave no brothers behind by contacting them on a regular basis to ensure that they are ok and that their family is fine as well. We should be reaching out to our friends and family from afar to see how they are doing as well.

Galatians 5:22

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness.”

**Vivat Jesus and Fraternally Yours,**

# SILVER ROSE

## Faith in Action - Life Programs

### RESOURCES

Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life.

### A Higher Purpose

Share the message of Our Lady of Guadalupe and promote respect for life by participating in this meaningful pilgrimage. The Silver Rose program demonstrates the unity between Knights of Columbus in Canada, the United States and Mexico, through a series of prayer services promoting the dignity of all human life and honouring Our Lady.

## Overview

Each year, from early March through mid-December, Silver Roses are stewarded by Knights of Columbus councils along routes from Canada to Mexico. Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.

### RESOURCES

Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life.

**It was determined at our May's general meeting that we will conduct this event when we are able to meet in person at St. Raphael's Parish so that more people can come to know about the Silver Rose. We would like to be able to host this prayer vigil at St. Raphael's Parish once the restrictions to church gatherings have been relaxed to a certain degree. We will keep everyone updated and informed on the progress of this event.**

## Charity Fund Raising Project for 2022 taking place in 2021- Charity Cash Calendar

We are once again pleased to announce that we are focusing diligently on the charity cash calendar for sale in 2021 for the 2022 calendar year. We have two brother Knights who are co-chairing this project, Brothers John Sagan, Lee Brown. As grand knight, I will also be assisting them to some capacity in securing advertisers. Anyone wishing to assist on the charity calendar project is most welcomed. **If anyone knows of a business who may be interested in advertising on our charity cash calendar, please contact brothers Lee Brown, John Sagan, or Michael Mark.**

Let us show our support for the cash calendar team and contact businesses that we know personally to procure advertisement for our 2022 cash calendar so that we can raise much needed funds for the less fortunate within our community. With the unknown future of our previous major fund raising vehicle, namely the bingo project, we really need to step it up and sell out our charity cash calendars for 2022. Remember, many hands does make light work. We can do it.

## **Halton Alive Update**

Brother Paul Muller has been busy working on our council's participation in the "Walk for Life" event/campaign scheduled to take place around 10:30am in the morning of May 29<sup>th</sup>, 2021. Council 5073 will have a team of participants to conduct the walk for life and will require those of us who are not able to participate in person, to sponsor those Knights and their families who will be participating in the walk. Our goal this year is to come up with over \$3,000 for Halton Alive through this walk for life event/campaign and while we cannot gather around in a large group due to COVID 19 restrictions, we can still accomplish this task by virtue of walking in small groups or individually to raise funds for this event. As grand knight, I encourage all of you to either participate in this event, or sponsor a team who is going to participate in this upcoming event for Halton Alive and pro-life. For further details on how you can participate at this event in any capacity, please contact Brother Paul Muller at 905-632-4715, or email him at [paulfm55@gmail.com](mailto:paulfm55@gmail.com).
