### **BROTHERS,**

I hope everyone has enjoyed the summer and looking forward to year ahead. These next couple of months will be busy. We are in the final stretch of working with the Tide's. I know it has been a rough go with things being a new fundraiser and spread out over the entire summer. We do need everyone's support in helping this be a success.

I am looking forward to also working on some new initiatives with the council. On the forefront is continuing to help out the widows of our departed Brothers. Walter Quigley said he will work with me on this so we can continue the support.

**CHARITY!!** Another goal I hope to achieve this year is getting more Brothers involved with the events we do as a Council. As one of our Brothers has said many times, we are a very busy council. In the next few months we will have the Soccer Challenge, Special Olympics, Poster Contest, Keep Christ in Christmas Card sales, Recruitment, Memorial Dinner and Council Christmas Party just to name a few. We all joined for various reasons but the one reason that is probably common for all of us is that we wanted to give back to the Church and Community. Together we can accomplish many things.

**COMMUNICATION.** I want to improve on how you, my Brothers, receive information about the council's activities and upcoming events. The best way is to attend the Business meeting but I know many schedule conflict. So we have brought back the weekly emails and I will send an update after each business meeting. For those that have not been receiving any email,

### Promoting K of C Awareness

Brothers, we are all aware of the attacks on the family as a unit and an institution, and we are constantly witness to attacks on our faith, even to the point where the federal government is suing a Catholic College to pay for birth control in its medical plan. As Knights we stand against such things, but we need to do more so that people know what we do and why. We're not a beer club for old guys, although beer after meetings is a nice perk. If you have an idea to better promote awareness of what we do, please share your idea! Check us out on the web ([www.kofc8240.org](http://www.kofc8240.org)) & on FaceBook [www.facebook.com/home.php?#!/group.php?gid=301533184318](http://www.facebook.com/home.php?#!/group.php?gid=301533184318)

## Degree Exemplification

Within the Knights of Columbus there are several degrees, each providing the member valuable lessons. The **First Degree** teaches the lesson of charity, and upon completion he is considered a Knight of Columbus and can participate in all council activities. First Degree members are encouraged to attain the **Second** and **Third Degrees**, which teach the lessons of unity and fraternity. Upon taking the **Third Degree**, a member receives full honors of Knighthood and is "Knighthood." Privileges of **Third Degree** membership include the ability to serve as a local council officer, and admission to state and Supreme Council business meetings. **First** and **Second Degree** members can attend the state and Supreme Council meetings, but they are not allowed in the business sessions. **Upcoming Exemplifications:** Please see the calendar for dates and locations and/or contact **Deputy GK Tony Hayward** - tonyhayward107@gmail.com

### Marian Devotion

**Mother of Mercy**  
O Mary, Mother of  
Mercy, watch over  
all people, that the  
Cross of Christ may not  
be emptied of its power,  
that man may not stray  
from the path of the  
good or become blind to  
sin, but may put his

hope ever more fully in  
God who is “rich in  
mercy.”  
May he carry out the  
good works prepared  
By God beforehand and  
so live completely “for  
the praise of his glory.”

#### COLUMBIAN CLUB OF CHESAPEAKE, INC.

Every member of Council 8240 is also a shareholder of the Columbian Club of Chesapeake (CCC) Incorporated. The Supreme By-Laws of the K of C prohibits councils from owning real property, so any council that has its own council hall or building will form a non-profit corporation. So when Council 8240 was willed property by Brother Joe Drago, we formed the CCC. We own two properties and are in the process of purchasing a third. The house and land originally given to us by Joe (1277 Hillwell Road) and a townhouse located on Faire Chase (just off Waters Road) which we hold as an investment property. The CCC is governed by Knights of Council 8240. At the Annual Meeting scheduled for June 25 at 6PM before the Council 8240, the Board of Directors will be elected. The board will then elect the officers. The current officers are:

- Greg McCracken - President
- Frank Hunt - Vice President
- Tom Tucker - Treasurer
- Michael Gomori - Secretary

Anyone that would like to learn more about the CCC or would like to assist us in managing the properties or acquiring another property is very welcome. This is another Service opportunity within the K of C. If you are interested in being nominated to the Board of Directors, which is limited to a 2 year term, or to an officer position please contact Frank Hunt at frankjr78@gmail.com or 757-536-2589 .

***Culture of Life***

"Human life is sacred and inviolable at every moment of existence, including the initial phase which precedes birth. All human beings, from their mother's womb, belong to God who searches them and knows them, who forms them and knits them together with his own hands, who gazes on them when they are tiny shapeless embryos and already sees in them the adults of tomorrow whose days are numbered and whose vocation is even now written in the 'book of life.' There too, when they are still in their mothers' womb—as many passages of the Bible bear witness—they are the personal objects of God's loving and fatherly providence." (*Evangelium Vitae*, 61). Our State Deputy theme for this year is: ***“Living a Fraternal Journey, Live, Know, Share our Faith.”*** As we live our daily journey and as we share our faith, he is encouraging everyone to make a commitment to learn more about our religion, its faith, principles, and laws. If we don't know our faith how can we explain it to those that we want to share it with, our families, community and potential brothers? He ask that each Brother take some time this year to learn more about what being a Catholic is all about, it is not just going to Church on Sunday, it is the daily journey as we depart the parking lot.

## KOVAR

A Virginia Knights of Columbus Charity established in 1971 to provide financial assistance through grants and home loans to tax exempt organizations providing training and assistance to citizens with intellectual disabilities.

“Give Jesus your heart to love and your hands to serve. Be His light, His fire of love amongst the poor.” Recognizing, as Blessed Mother Theresa did, that the greatest poverty today is to be unloved and unwanted, we are called first to receive God’s love in our hearts and then carry that love to our homes, our communities and our neighborhoods. KOVAR is an important ministry that helps those among us who need us the most. It is a wonderful family event that allows us to share with our children the joy of providing service to others. Blessed Mother Theresa provided us all with a worthy example to follow, please contact Brother Stephen Clock, [sjclock@phoenix-group.com](mailto:sjclock@phoenix-group.com) (757) 615-2367 to volunteer with KOVAR.”

Brothers hard at work at the last KOVAR event outside the Grassfield Walmart. Are you ready to help?

## *Will you outlive your money?*

Are you nervous about where your money is invested and how it is performing? You are not alone if you are scared to death!

The simple fact is you are responsible for your financial future. Whether you are 30, 50, 70 . . . you need to have a balanced approach to your finances. If you have some of your finances with the Knights, then you have a piece of your future financial growth guaranteed. That is the good news; if you want to do more with the Knights you are welcome to do so. If you want to start doing something with the Knights, then let's get started.

This year we have rolled over or just started new deposits at a rate that is envious in the financial world we are averaging \$500,000 per month that is \$6M this year!

Why the tremendous growth rate? Here is my answer . . . our products offer a better than average return. Then when you guarantee the return, then you are part of a small group of companies that actually guarantee anything. The best part is when you start to use your money with the KC annuities, our options for income are second to none and our distribution interest rates are some of the strongest in the industry. Yes there are two interest rates, the accumulation rate which is the one most companies advertise and then the distribution interest rate, the one companies do not talk about. This one is equally or even more important. This rate tells you how your money is distributed to you.

Do you know if you will outlive your money?

Consider us your financial doctor. Yes, we are by appointment only and like your doctor or dentist, we are booked out for a few weeks. However, if you have an emergency, tell my staff, we will get you in and start fixing your finances.

With all the uncertainty in the world today and much of which we have no control, we need to control what we can control. Whether you want to invest in guaranteed growth, IRA, Roth or unqualified plans, you can do so.

Or if you want to place funds in our hugely popular guaranteed participating Whole Life policies, you can apply to see if you medically qualify. These are great tax free retirement supplements or plans!

Is your Long Term Care plan in place? Do you even have one?

Is your income covered from disability? Do you have disability insurance?

You know, we are here for you and your family and or business. We are excellent in what we do and our reputation is outstanding.

If you want a confidential consultation, that may be your first step. Call us, we will listen and if you want us to, we will build you a plan. It starts with your phone call!

### **WELCOMING POPE FRANCIS**

**WHEREAS**, Pope Francis will travel to the United States from September 23rd to September 27th to attend the 8th World Meeting of Families in Philadelphia, Pennsylvania; and

**WHEREAS**, the Holy Father will begin his journey to the United States in Washington, D.C. where he will meet with the President of the United States, address a joint session of the United States Congress, and celebrate Mass on the grounds of the Basilica of the National Shrine of the Immaculate Conception and The Catholic University of America, during which he will canonize Blessed Junipero Serra; and

**WHEREAS**, Pope Francis will also visit New York City where he will address the General Assembly of the United Nations; and

**WHEREAS**, the theme of this year's World Meeting of Families is: "Love Is Our Mission: The Family Fully Alive;" and

**WHEREAS**, in his apostolic exhortation *Evangelii Gaudium*, Pope Francis stated that the weakening of family is "particularly serious because the family is the fundamental cell of society, where we learn to live with others despite our differences; it is also the place where parents pass on the Faith to their children;" and

**WHEREAS**, in his recent encyclical, *Laudato Si*, Pope Francis reminds us that it is within the family that we first learn how to show love and respect for life and to care for all creatures and the whole of God's creation; and

**WHEREAS**, the Knights of Columbus has always worked to strengthen family life and has recently launched the *Building the Domestic Church* initiative to encourage our members and their families to fully realize their vital mission in the Church through daily prayer, catechesis and Scripture reading, as well as through family charitable and volunteer projects; and

**WHEREAS**, in honor of the World Meeting of Families, the Order has begun the Holy Family Prayer Program encouraging all councils to host prayer services and liturgical celebrations with the pilgrim image of the Holy Family; and

**WHEREAS**, the Knights of Columbus is celebrating the historic journey of Pope Francis to the United States by asking that all First Degree ceremonies held during this fraternal year be offered in honor of Pope Francis.

**NOW, THEREFORE, BE IT RESOLVED**, that we call upon the entire Order to express our solidarity with the Holy Father through a commitment to prayer, fasting and acts of charity for the intention that God may protect him during his visit to the United States and grant him the courage and wisdom to guide the Church at this time; and

**FURTHER RESOLVED**, that the Knights of Columbus offers its deep appreciation to Pope Francis for his witness and for his encyclical *Laudato Si* which reminds us that the protection of God's creation is inextricably linked to healthy family life; and

**FUTHER RESOLVED**, that we renew our commitment to building the domestic church through programs that seek to strengthen the bonds of prayerful family life; and

**FURTHER RESOLVED**, that we offer our prayerful support for the success of the 8th World Meeting of Families and ask the intercession of the meeting's patrons, Saint John Paul II and Saint Gianna Beretta Molla, so that the meeting will bring the Church together for fruitful discussion of the role of the family in our time; and

## How to Pray the Rosary

### From the USCCB ----- HOW TO PRAY THE ROSARY -----

The Rosary is a Scripture-based prayer. It begins with the *Apostles' Creed*, which summarizes the great mysteries of the Catholic faith. The *Our Father*, which introduces each mystery, is from the Gospels. The first part of the *Hail Mary* is the angel's words announcing Christ's birth and Elizabeth's greeting to Mary. St. Pius V officially added the second part of the *Hail Mary*. The Mysteries of the Rosary center on the events of Christ's life. There are four sets of Mysteries: Joyful, Sorrowful, Glorious and--added by Pope John Paul II in 2002--the Luminous.

The repetition in the Rosary is meant to lead one into restful and contemplative prayer related to each Mystery. The gentle repetition of the words helps us to enter into the silence of our hearts, where Christ's spirit dwells. The Rosary can be said privately or with a group.

The **Five Joyful Mysteries** are traditionally prayed on the Mondays, Saturdays, and Sundays of Advent:

The Annunciation

The Visitation

The Nativity

The Presentation in the Temple

The Finding in the Temple

The **Five Sorrowful Mysteries** are traditionally prayed on the Tuesday, Friday, and Sundays of Lent:

The Agony in the Garden

The Scourging at the Pillar

The Crowning with Thorns

The Carrying of the Cross

The Crucifixion and Death

The **Five Glorious Mysteries** are traditionally prayed on the Wednesday and Sundays outside of Lent and Advent:

The Resurrection

The Ascension

The Descent of the Holy Spirit

The Assumption

The Coronation of Mary

The **Five Luminous Mysteries** are traditionally prayed on Thursdays:

The Baptism of Christ in the Jordan

The Wedding Feast at Cana

Jesus' Proclamation of the Coming of the Kingdom of God

The Transfiguration

The Institution of the Eucharist

### Praying the Rosary

Make the Sign of the Cross.

Holding the Crucifix, say the *Apostles' Creed*.

On the first bead, say an *Our Father*.

Say three *Hail Marys* on each of the next three beads.

Say the *Glory Be*

For each of the five decades, announce the Mystery, then say the *Our Father*.

While fingering each of the ten beads of the decade, next say ten *Hail Marys* while meditating on the Mystery. Then say a *Glory Be*. (After finishing each decade, some say the following prayer requested by the Blessed Virgin Mary at Fatima: "O my Jesus, forgive us our sins, save us from the fires of hell, lead all souls to Heaven, especially those who have most need of your mercy.")

After saying the five decades, say the "Hail, Holy Queen, followed by this dialogue and prayer:

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

*Let us pray: O God, whose Only Begotten Son, by his life, Death, and Resurrection, has purchased for us the rewards of eternal life, grant, we beseech thee, that while meditating on these mysteries of the most holy Rosary of the Blessed Virgin Mary, we may imitate what they contain and obtain what they promise, through the same Christ our Lord. Amen.*

## Council 8240 Honorary Life Member... A Quarter Century of Faithful Service Honored

*Editorial Comment  
by J. Branco*

## *The 24 Hour Knight... the Service Call*

The following quoted excerpt is a reprint from Supreme Council, editorial comment follows at the end of the excerpt.

*"Imagine if you were able to tell a man that if he could just give 24 hours a year to the Knights of Columbus he could make a positive difference in his community and Church. Below is an illustration of just how little time it takes to be an active part of the Knights of Columbus:*

*12 hours a year reading the weekly parish bulletin, the state and local council newsletters, Columbia Magazine, and surfing the state council and Supreme Council Web sites.*

*2 hours a year volunteering at a council charity activity.*

*2 hours a year attending, with his family, two council religious activities.*

*2 hours a year on a council-sponsored Church, community, council family or youth project of his choosing.*

*2 hours a year attending one council meeting.*

*4 hours a year enjoying (again, with his entire family) a council social function such as a dinner, dance, picnic, etc."*

---

We have all heard it before or are currently living it...I just don't have the time for the Knights right now. There are many reasons why this viewpoint/comment may be true...while it is understood that responsibilities to family, obligation to work place, or we think our lives are simply too busy right now are but a few of the constant calls on our time, the question remains so when would it be a good time for you?

Consider this for a moment, there are 8,760 hours in a year and by giving the Knights of Columbus 24 of those hours (equal to less than 0.3 percent), a man can be a better Catholic, a better father, a better husband, and a better person. Now think of the difference the Knights of Columbus has made in your life, in your community, and most importantly in our Church. As we all know time waits for no one, so I ask you again when would it be a good time for you?

Perhaps if you could consider "unplugging" for an hour and spending it in prayer or in joining in a special event with your Brothers who have not seen recently. Maybe consider reaching out to a Brother whom you know may not be as active at this moment and needs your invite to come back. Maybe it is seeking out a potential new Brother to join us, or maybe just maybe it is just spending time with a Brother who needs to know we are still here. I hope and pray that the value of the 24 Hour investment of time noted above begins to take shape with you that you realize it is time well spent. Scripture (Matthew 26: 31-35 ) provides us with a timeless lesson ..."before the cock crows three times..." that we should reflect upon regarding our investment of time or more importantly why we cannot deny that call to service any longer.

Time is but a moment, let us not deny the call any longer and spend our time wisely... *In service to One, In service to all.* And so I ask you again my Brothers when would it be a good time for you?

*Supreme Council Convention News Continued from p. 9*

**FURTHER RESOLVED**, that the Knights of Columbus will remain steadfast in its support of our Holy Father and assist him in his pastoral mission to encourage and strengthen Catholic family life.
