Be sure to include hours for all activities including Special Olympics, free throw competitions, pancake breakfasts, adoration, usher/hospitality, sausage sales, carnival, Grapefest, blood donations, and participation in other ministries. Login here: <https://kofcknights.org/CouncilSite/membersOnly1.asp?CNO=10245>
- Many brothers are needed to take the K of C Safe Environment training. Supreme requires that trained brothers be present in order to hold events. This includes events like the Special Olympics. Therefore, brothers who are not in leadership roles also need to take the training. Each class takes only about 20 minutes. Diocesan safe environment training does not count for K of C purposes. [The training is available here](#). When you take the training, email Steven and Alex so that they can track who has taken the training.

Pro-life News and Events

- Must see! The movie Unplanned about the abortion industry has been released and is in theaters. Attendance to date has been very good. It is about Abby Johnson, who became the youngest clinic director in the history of Planned Parenthood. Then a life-changing experience turned her into an anti-abortion activist.

For those of you working on your Pro-Life ACE Wings, watching the movie counts as 3 events. Attendance at 5 or more Public Pro-Life activities in any 12-month period is required to earn the wings. The application is available at:

- Pray for the conversion of all involved in the abortion industry, those who fund it through private donations, and those who work in government to keep abortion legal – Please pray for a change of heart – that the Holy Spirit be allowed to show them the errors of their ways and to help them to take up the fight for the unborn.
