2019-2020 Membership Goals for Council

Our membership goal for the current council year, which was set by the Supreme Council, is 12 new members by June 30, 2020. We are almost 4 months into the council year, and we have added 5 new members and should be adding 2 more members by the end of October. With 8 months left in the council year, we should not only achieve our goal of 12 new members, we should easily exceed our goal. However, to reach our goal, the council needs the help of all brother knights in recruiting new members into the council. Can the council count on your help? Please contact BK Mike Foster at 812-589-3660 or mfoster9899@yahoo.com if you know of anyone who would be interested in joining the Knights of Columbus.
