WEDDINGS

When I was younger I hated going to weddings ...it seemed that all of my aunts and the grandmotherly types used to come up to me, poking me in the ribs and cackling, telling me, "You're next." They stopped that nonsense after I started doing the same thing to them at funerals.

SURVEY

The council survey will contain a self addressed and stamped envelope for your use in returning the survey after you have completed it. We are looking for all members to provide their input to us. This is a very important survey which will set the direction of the council by you, the members, with your ideas and input. We are looking for a return rate of at least 70% and hopefully it will be higher. If we have at least a survey return rate of 70% of the members, we will have a drawing of all the members with the winning member receiving an award of \$100 for participation in the survey. This is your opportunity to have your ideas and suggestions placed before the council. We want to hear from all of you. Your ideas are important to us in setting the future direction of the council. The survey was mailed to your homes on March 23rd. Please take the time to complete the survey and return it in the stamped envelope by May 15, 2011. We will be tabulating the survey results and communicating them to all members. This is YOUR opportunity to impact the direction of the council for the next several years.

FUNDRAISER

Again this year we will be offering chances to win the popular Baseball Mania Sweepstakes. This Sweepstakes offers each entrant a chance, for \$10 each, to win prizes during the final 17 weeks of the Major League baseball season starting in June.
