UPDATE ON NEW HALL - REZONING PASSES

Brother Knights and spouses,

By now I'm sure that many of you have heard - Good news travels fast!

On Thursday night we received a great result at City Hall. The bill for the rezoning of our property was passed by the City Council by a vote of 8 - 0, with one member absent and one member recusing himself from the vote.

We should certainly celebrate this result, but the road ahead remains a long one. The new building committee will begin preparing the details of next actions and will present plans and request for spending at the May council meeting.

Thanks again for all your prayers and actions to achieve the passing of this rezoning.
