GRAND KNIGHT'S REPORT:

Brothers All;

I hope all of you and your families are staying healthy during this time and are using your spare time to pray.

As it appears that businesses have started opening up, and soon St. Andrew (once they figure out the plan for keeping everyone healthy especially the elderly and those with low immune systems).

Please be sure to stay informed with the church Facebook page and are checking your e-mails to see where we can be of assistance. St. Vincent de Paul was able to have plenty of help sorting out all the pallets of food they received. Thank you to all who signed up and served. Father Christopher has said before, everyone has a talent that can be helpful to our parish and as we are a family, we should want to use our talents to help our parish open back up and at the same time keep everyone as healthy as possible. I hope that we will be able to meet together in June for our upcoming elections for the new fraternal year. Most of the current officers have said they will serve another term, but if anyone is interested in any of the offices, as long as you are a third degree, please let me know. I will send a separate list the open offices so please let me know if you are interested.

Always remember the principles of the Knights of Columbus (Charity, Unity, Fraternity and Patriotism) and remember to pray your rosary. God Bless and Vivat Jesus

Jack Moreno – Grand Knight
