## CHAPLAIN'S CORNER

Fr. José Cortes

### The Blind Man

Jesus cured a man who was born blind from his blindness. It is hard to imagine the extraordinary experience that the man had! For the very first time, he saw colors, faces, sky and clouds, trees and birds. How different the world was after his encounter with Jesus!

A miracle also happened to us. We also passed from darkness to light, as did the blind man. When did it happen to us? It happened to us on the day of our baptism. However, our blindness persists. It is hard for us to see Jesus present in our lives. We participate in a secular mentality that does not accept God as someone who is close to us. Certainly, we all believe in God. However, there are so many times when we live as if He did not exist. At least, we consider Him as secondary. Our interests come first.

Why does this happen? Perhaps it is because we think that if we let God enter our lives more, we'd risk losing something. Basically, we feel that God is against us. This suspicion began with our first parents in Paradise.

It is the encounter with Christ that conquers our spiritual blindness. It brings a new light to our lives: a new vision of reality. After the encounter with Christ, we start seeing things in a different way; our perceptions of ourselves, people and things change radically. We see things in a way that we never saw them before! We start having the same vision that Jesus has.

Let us ask Jesus to heal our blindness and give us His vision of reality!

Fr. José

Wishing you a Beautiful and Blessed Easter!

## GRAND KNIGHTS STATION

Kenneth Tullis

The Council, family, friends and I send our sincere condolences to the family of PGK Ralph Vallone who passed away on March 8, 2014. Ralph was a dedicated member of our Council supported by his lovely wife Helen and beautiful family. He served as the most recent predecessor as Grand Knight, as well as further extending his service to the Knights of Columbus National Shrine Usher Ministry. In addition to his tireless support of our Council, He was kind to all and the consummate gentleman. He will be missed dearly.

Recently, we kicked off our new Capital Improvement Fund. There are many ways to support the Council in this effort. Please consider attending an event with your family and friends, making a difference with donations, and/or encouraging potential business. We need more utilization of the Council Hall for activities, please market and send encouragement for support. Members of the permanent Committee include Deputy Grand Knight Frank Cavaliere, Maryknights President Margie Cuff, Past Building Association President Joe Damiano, Attorney and CPA Walter MacDermid, Rosensteel Retirees' Club President Nancy Marchone, Past Grand Knight Dave Morgan, Chairman of the Committee Pat Warner and me. I thank this team for their tireless contributions to this significant cause. We all welcome any innovative ideas you may have to increase the effort for more support.

I hope everyone enjoyed the Mardi Gras celebration as much as I did! Thank you to Beth Torp of the Maryknights and the team she encouraged to assist, for putting together an outstanding Mardi Gras celebration. The St. Patrick's Day celebration at the Council was a blast! We had overwhelming attendance! The high-lighted entertainment by the FABULOUS Culkín Dancers and wonderful music by our very own John

***Knight of the Month***

Congratulations to a great Knight who has been taking care of the council and its members for years! He assists in the kitchen on a regular basis, makes numerous odd repairs around the building and is a great bartender!

Please offer your best wishes to **Bill Veith– April’s Knight of the Month!**

***Family of the Month***

This family is quietly there almost every Friday night. John’s talent with a guitar and his great voice are a treasure to this community! Mary is a great supporter, not only of John but our council as well, in all the behind the scenes work she does– especially her gardening expertise!

Please congratulate **John and Mary Lyons– our April Family of the Month!**

*(GK Continued from page 1)*

Lyons, and a wonderful dinner was super! A big Thank You goes out to Charlie Clemens and team for assisting me with the organization of our Oyster and Bull Roast! The oysters were delicious and we appreciate all the families and friends who came out to enjoy the feast with music by Wayne Miller. Janis and I are meeting with couples now who are planning weddings and seeking to use the Council for their reception, also Chancellor Alan Jimenez is encouraging new business coming your way soon. There are more exciting events coming up including the golf tournament and Maryland convention. We hope you will consider attending and look forward to seeing you there! **SPRING IS HERE!!**

"Apple Fritters", he answered. What was the question and who was he? In the 1870's Samuel Clements (aka Mark Twain) made a trip of several months duration through Western Europe. Since he was a man of the American Midwest, he was unable to obtain the foods and deserts he relished the most. When he was asked which desert he missed, he was very emphatic that it was apple fritters and also peach or pump-

kin pie. When did you last have an apple fritter? You will find them available at our local Starbucks coffee shops. Perhaps we can persuade some of our Maryknight's bakers to prepare some for the Friday Night Dinners. It's still a delicious dessert.

Beware "April Fool's Day" when pranks, hoaxes, and practical jokes may befall you. This day has been called by different names, but is common among Western countries. Some of the most celebrated hoaxes include the BBC News announcing a great Spaghetti Harvest in Switzerland. In 1996 Taco Bell announced in the N.Y. Times that it had purchased the Liberty Bell and would rename it the Taco Bell.

The Maryknights are serving a dinner for Catholic students at the University of Maryland on April 9<sup>th</sup>. This is a very commendable and worthwhile endeavor for our young children who are at school and far from their Mom's home cooked meals. Why not contact Marge Cuff and see if you can help in some way.?

Speaking of help- by now you know that the council has formed a committee to oversee a fundraising campaign that is earmarked for the facility's upkeep. Many of the Retirees no longer pay dues but that doesn't mean we can't contribute our fair share. Please consider all the socializing we do here. The friends and family we connect with here. What can you do to help keep this valuable resource from disappearing? Please give as generously as your means allow. Checks can be made to the Forest Glen Building Association. Write CIF in the memo section and given to George Carter or any CIF committee member.

Palm Sunday is on the 13<sup>th</sup>. This is a Sunday Mass we all enjoy particularly since the winter is over and signs of the new Spring season are everywhere. In the afternoon the Sister's of the Poor are having their annual Tea & Tulips Fundraiser. It is always very well attended and if you are interested you may wish to call them: 202-269-1831.

Our club's bowling league is progressing along as strong as ever at the White Oak Lanes. Who is in 1<sup>st</sup> Place? Who is in 2<sup>nd</sup> Place? The competition is heating up as the season nears the end. Anything can happen in the final weeks so lets cheer on your favorite team. The Bowling Banquet will be held at the end of the season.

Do you know why there are two red Cardinal's hats suspended on lines from the ceiling toward the rear of St. Matthew's Cathedral? It's an interesting sight not normally seen by most visitors. If you are the first person to answer this question correctly to one of the club officers you will receive a prize at next month's luncheon.

This month's luncheon will be on April 22<sup>nd</sup>, the 4<sup>th</sup> Tuesday of the month as usual.

This month our first order of business is a big shout out to Beth Torp, Mary Margaret Hathway and their team for a fantastic **Mardi Gras** on March 1st. Whoo Hoo!!! I think most everyone was seen going back for seconds on gumbo and salad ... and then the bread pudding was off the charts delicious. We had a good turnout ... and a great time that didn't want to end. The start of a

new tradition ...????!!

We also need to recognize the Squires and Roses yet again. What a fantastic group of young people ... hardworking, supportive, truly 'worthy' ... and pretty skillful on the dance floor as well. Thanks again!!

Hopefully our Card Party was as successful this year as in the past, but with the newsletter print deadline, we can't offer up a report on that. Thanks to Lois Devlin and her team for all their hard work ... and also thanks to all the bakers!

Our **Anniversary Party** this year will be chaired by the Executive Committee (along with anyone who would like to lend a hand; give Margie a call if that's you). Sunday April 27 from 2-4 in the Emerald Room ... An Afternoon Tea. The cost is a very affordable \$10 per person. Hopefully everyone will be able to stop by for a cup of tea, finger foods, and some great company. If you feel the urge to wear a floppy hat and dress gloves, by all means indulge your inner-Downton Abbey, but also don't feel the need to step out of your comfort zone. It might even be an opportunity to spend some quality time with a daughter or grand-daughter. So mark your calendars for **An Afternoon Tea on Sunday April 27 from 2-4. This is event is open to everyone, not just Maryknights!!!!** Call or email Margie Cuff at 301-949-1715; [margiecuff@gmail.com](mailto:margiecuff@gmail.com) for reservations.

At our April meeting we'll be determining the recipients for this year's donations from our charity fund. So if you want your voice to be heard, be sure to attend. Just as important, be thinking ahead to May when we need nominations for the **2014 Charity Ball recipient**. We all work so hard to make that event a success, we need to think equally hard on whom we'd like to support. Any Maryknight can make a nomination ... or you can even nominate more than one organization. Be prepared to tell us a little about your nominee, what they do and how we can help them. Start thinking!!

Our next meeting will be **April 14**. The Culkin Irish Dancers will be performing so wear your green and prepare to be entertained. Don't forget our usual list of cell phones, glasses, toiletries, items for the soldiers, stamps, baby blankets, etc.

**Wednesdays  
Early Bird 7:15**

We continue to have a fairly good turnout and make a profit each week. The last 2 weeks of the month are our least attended so we'd love to see a few more council members join us on those weeks. It would sure help us out and we have a lot fun!

## THERE'S A NEW BAR STOOL IN TOWN!

Hi, I'm Tom Griffin from the Building Committee.

I hope that when you visit the Council, you have noticed the new addition to the bar: "The Sample Bar Stool" Feel free to give it a **whirl** the next time you are around.

After a lot of research, I found this bar stool that meets all of our needs: ***It swivels, has a padded back, has arms, is commercial grade with a lifetime warranty. And best of all, it is reasonably priced at only \$230.00 per stool.***

We are looking for volunteers to donate the price of one stool, or donate part of the price of one stool so that we can purchase 15 more for the bar. Or perhaps, you would like to adopt a stool and dedicate it to a loved one. Please leave your check and/or dedication at the bar in an envelope marked Bar Stool/Tom Griffin or Bar Stool/George Carter.

If you are interested in volunteering in any capacity, please contact Tom Griffin at 240-381-4104 or [tgriffin301@comcast.net](mailto:tgriffin301@comcast.net). We appreciate all offers.

On a side bar note, I'm sure some of you have seen that the awning is no longer there. That is because the wind took it away a few weeks ago. But don't worry, we are in the process of replacing the awning.

I want to thank you in advance for anything you can do to help during these trying financial times. God Bless.

### Capital Improvement Fund News

I am pleased to report that we are receiving major monetary donations to the Capital Improvement Fund and, unless a donor wishes to remain anonymous, we will begin publishing the names of the contributors along with the level of giving in the *May Knight Life*. The bronze level begins at \$250.00.

An appeal was made by GK Kenny Tullis at the March 18th Social Meeting, asking *all* Council members (including HLM, Retirees, Widows and Maryknights) to voluntarily donate a minimum of \$30 to the CIF. Thank you GK Tullis! We are grateful for your support in this effort.

Please make your check payable to the Forest Glen Building Association and note that it is for the Capital Improvement Fund. All donations should be directed to PGK George Carter, treasurer of the Forest Glen Building Association, Inc. As you know, the purpose of the fund is to replace, restore, and/or upgrade our aging infrastructure and facilities. (Any member of the committee will be happy to get your donation to the right place!)

As of this printing we hope to have all the squares filled for the NCAA "Final Four" Championship, but just in case we don't, check the board in the Knight's room for a chance to help us out! This will be a big boost to our fund.

### Warren Buffett

When he was just 11 years old, Warren Buffett pooled his savings with his sister Doris and bought six shares of oil company Cities Service (now called Citgo) at \$38 per share.

From visiting his father's stock brokerage and chalking in stock prices on the blackboard, he had marked this out as an undervalued stock and was confident he and his sister would make money.

**What Happened Next:** In the first few months, the stock *dropped* almost 30%, and Doris harassed him every day about the money they had lost. When Cities Service finally recovered to \$40 a share, he quickly sold to book a small profit.

But then the young Buffett watched from the sidelines as the stock soared to \$200 a share. His original investing rationale had been vindicated, but it was too late.

As for Citgo, it's no longer publicly traded. It was acquired by Occidental Petroleum in 1982 and is now owned by Petroleos de Venezuela.

**The Lesson:** The first stock Warren Buffett bought taught him the value of patience in investing. He got halfway there by not panicking when the stock dropped 30%, but he missed out on big gains by selling too early. It's great if you have [an eye for undervalued stocks](#), but it can take the market a while to reach the same conclusion.

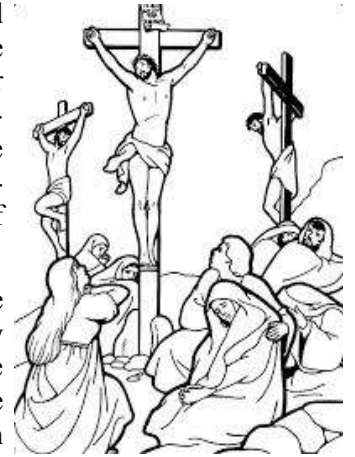

## The Day Our Lord Died

We are now in the liturgical season of Lent, a 40-day preparatory period for the remembrance of Our Lord's Passion, Death and Resurrection. The last day of Our Lord's existence as man -- from the early evening (the Jewish day began at sundown) on what we now call Holy Thursday, when the Passover began, until late in the afternoon the following day at the start of the Sabbath -- was one of the most significant in history. It is rich in people, places and events. Emotions ran the gamut: joy, sorrow, humility, fear, repentance, greed, guilt, remorse, love, hate, despair, ridicule, suffering, forgiveness.

There was the gathering in the upper room, the ritual meal, the washing of feet, the initiation of the Eucharist, the charge to the Apostles, the betrayal, the agonized praying, the kiss, the arrest, the denial, the artful dodging of a decision among the high priest, procurator and tetrarch, the staged reactions of the people, the attempts to find a basis to free Jesus, the scourging, the crowning with thorns, the sentence, the washing of the judge's hands, the final walk, the crucifixion, the

seven last words, the death and burial. As consequential as the happenings of that day were for the future of mankind, it is humbling to realize that all of these actions took place within a period of 24 hours, within an area of less than one square mile.

How many times in your life have you attended the Holy Thursday re-enactment of the Last Supper and listened to the reading of the Passion on Palm Sunday and Good Friday? Is it 10 times? 20? 40? 80?

Did you watch the final episode of the cable series *The Bible*, see the newly-released movie *Son of God* or Mel Gibson's *The Passion of the Christ* or, for those who are older, the epics: *The Greatest Story Ever Told*, *Jesus of Nazareth*, and *King of Kings*? Have you read Jim Bishop's classic, *The Day Christ Died*, Blessed Anne Catherine Emmerich's *The Dolorous Passion of Our Lord Jesus Christ*, Archbishop Fulton Sheen's *Life of Christ*, or any of the many other works describing the events of that day?

Did any of these make an impression? How many details of the final hours of Our Lord's earthly life do you remember? To test your retention, try matching the persons and places listed in Column A of the following table with the descriptions in Column B. The answers follow.

How did you do? Are you prepared for the coming remembrance of the Holy Week events, or should you first reread the various accounts of that consequential day by the Evangelists Mark, Matthew, Luke, and John? Our Lord died so that we might be saved. Should we not know what He went through and prayerfully dwell on the His sacrifice -- especially during this period of Lent?
