KofC News

"Just for the Fun of It!" that was the title of Inland Master Chorale evening which presents its 36th concert season Saturday night in Redlands with the golden voice of Deputy Grand Knight, Ernie Ott and it's approximate 35 singers was a sight to "hear". Some of the evenings songs included, William Tell Overture, The Heart of the Fugue, Farmer's Wife Lost Her Cat, Johnnie Said "No" and Yellow Bird with special sound affects by Brother Ott.

Formed in 1980, Inland Master Chorale brings together talented vocalists from across the Inland Empire. The Chorale has won awards, critical acclaim, gained national and international recognition and is considered one of the most

accomplished choral groups in Southern California. Their mission is to sustain and increase the appreciation and performance of choral music which they certainly did to several standing ovations.

Have I been blind all my life?

I was taught decades ago to watch for deceit, which can take so many forms. False advertising, con games, twisting the meaning of another's words, hiding evidence, mis-stating facts, taking information out of context, framing an innocent person, making promises but never intending to keep them.

Our 8th Commandment: You shall not bear false witness against your neighbor. Our Catholic teaching informs us this includes many situations, not just spreading incorrect evidence, or "witness against a neighbor". For example, "bearing false witness against your neighbor" covers any kind of falsehood: perjury, lying, slander, detraction, rash judgment, etc.

I am growing more concerned about evil things masquerading as good things, and of good things being cast as corrupt or evil. We are taught that one of the roles of Satan is "The Great Deceiver". The enemy of our Good Lord sets mental and/or emotional traps we humans are so vulnerable to fall for, and sadly even willingly accept. We love to rationalize our own bad behavior.

There is an easy read that can help us to understand the many types of deceit set before us. The book, *The Screwtape Letters*, is a fictional account of a senior devil named Screwtape, who is teaching a devil-in-training, Wormwood, how to trick human beings. It covers a great deal of temptations humans have faced throughout history. Many people have found it enlightening, and an aid in honestly examining our own consciences. It will not replace receiving the Sacraments, but it does provide clarity on many issues. Try reading it!

# LA Dodgers Game Trip

PGK & Bingo Chairman Sam Gutierrez organized a council sponsored chartered bus trip, April 30th, to watch the LA Dodgers play against the San Diego Padres, as thank you to all of our Bingo Volunteers for helping to make our Bingo fund raising very successful. THANK YOU, one and all!!!

Our council members and guests rode in comfort to the game and enjoyed an expense free prepaid ball game ticket, including free refreshments & snacks in route to the ball game. Our seats were behind home plate everybody enjoyed the game even though the Dodgers did lose, it was still a good time for all.

Coincidentally our Ladies Auxiliary were having their "Dinner and a Movie" event the at same day so they were able to offer us their delicious meat loaf dinner for only \$5 each, just prior to our bus leaving for the game, Thanks to Angie Vargas and the Ladies.

# Bible Study

Wednesday from 7 PM to 9 PM  
in the council lounge

Bob Herness  
Church Director, 4488

Brother Knights and friends of the Wednesday night Church and Bible study class, we come to share the Gospel each week, now approaching our 20th year of evangelizing at our council hall. Throughout these passing years which seem to come faster each year, Joe Burns, Frank Weiler and yours truly have met a montage of interesting people, several of whom have now passed to their reward. Our class has welcomed the homeless street woman who made her bedroom behind our storage unit and would occasionally ask us for something to eat or drink. We have instructed the novices in the Holy Scripture as well as the very learned professional ranging from physicians, psychologists, lawyers and also some who came to agitate or try and pull us away from the Church Jesus founded...they failed, in case you hadn't noticed.

The major disappointment in our attempt to share the Bible and the authentic teaching of Christ Jesus is that so few of our brother knights have used this opportunity to deepen their faith in Christ for as St. Jerome said, "Ignorance of scripture is ignorance of Jesus Christ."

We have had in attendance, over the years, several who are now ordained Catholic priests, or two in particular, presently studying for Holy Orders.

We do not take off during the summer so we hope you will join us and share some fellowship with a variety of men and women in our class as we are all called to be disciples of the Master.

## Culture of Life

We are rapidly approaching the time for Californians to vote in the Primary Election, and it will not be long thereafter when the General Election rolls around. As Catholics, we are responsible to aid our country in formation and growth. As the religious forefathers sought His guidance, we should also. Next to that, we need to arm ourselves with information. Read on the candidates and propositions. Discuss with your peers and brothers, respectful debate is good to air out the 'canned advertisements' to get to the root of the proposition or position of the person. We are a varied people from varied cultures and backgrounds, a melting pot that has made this country better than any other. The first to end slavery, desegregate and institute women voting. Safe and respectful immigration policies can continue to add to this great nation, but unfettered open doors has always hurt the residents for any home. Look to history or even the current affairs in our ally countries. They are suffering violence and aggressive culture attacks on their chosen way of life. Any culture or religious doctrine that promotes the ending of one culture in favor of only theirs, is not conducive or acceptable in our free and Christian society.

This is not an easy question to answer, but worthy of our prayers, time and voices. Join the conversation and participate in your inalienable right to vote. Look for the people and proposals that

Please vote on June 7 and do it informed and with prayer.

## *Two Birthdays for two great individuals.*

Saturday, May 7, a surprise 90th birthday party was held for Pat Fischer by her children at Arrowhead Country Club. Around 100 attendees participated in the surprise event. High school singers from Aquinas High School sang happy birthday in several different languages and all participants had an opportunity to share a word about Pat. Pat's involvement has been many, 1992, St. Bernardine Hospital Auxiliary President, 1995 Volunteer of the Year at St. B's, for having put in over 1000 volunteer hours, 2001 St. B's Caring Hands Award, 2004 American Business Woman Association Woman of the Year, 2008 Woman of Achievement City of San Bernardino, 30 years Civil Service with the Navy/Air Force. Also served as Auxiliary President in 2012 to present with the Highland Senior Center Board of Directors. Pat and her late husband, Leroy Fischer have been great supporters and contributors toward the Leroy Fisher Knights of Columbus college scholarships given out each year to graduating Seniors. (Top) Pictured is Lupe and Vi Perez wishing Pat a Happy Birthday.
