**Good News!**

## **Patriotism**

Knights and Lady Knights are, of course, people of God. But our goal is to also be good citizens in our natural world. It is easy, and hard in the United States. We are one of the longest lasting democratic republics known to the world.

As a super power it gives us certain responsibilities to the world. We the people empower our government, through elections, to exercise that power as they believe we would want.

As a Knight or Lady Knight, patriotism means in part letting our representatives know what we believe is right. Whether it is abortion, or war, or social programs, we cast our vote in the hope to shape our society in a more God like way.

As this is being written, we have just completed a national election where all of our representatives and roughly a third of our Senators stood for election. Thank you to all who exercised their duty to vote.

So often in this day, the sides seem polarized. Is it also patriotic to try and bridge that abyss? Is the other side really the image of the devil? Can we push the dialog forward and make our country stronger, not by dickering, but legitimate debate on the important issues. Is not patriotism knowing why you believe anything?

# Why Choose Us?

- We are strong

The Knights of Columbus is a fraternal benefit society that is strong, secure and stable. Members can be confident that we'll be here when you need us. We've been successfully protecting families since 1882, and our outlook remains bright. Don't just take our word for it. There is no more highly rated insurer in North America than the Knights of Columbus. A.M. Best has bestowed on us their highest rating (A++, Superior) for 37 consecutive years.

Remember, in 2012, the Knights of Columbus gave more than \$155 million to Catholic and other charitable causes. In these uncertain times, find comfort in an organization that leads the way in doing good for others while doing good for our own.

- We are secure

Since 1882, we have been committed to protecting the financial futures of our Knights and their families. We do this by paying claims and dividends to our insured members. In 2012, we paid well over \$487 million in death claims and other benefits, and more than \$349 million in dividends to our policyholders. Even more impressive is the fact that in the past decade, the Knights of Columbus paid more than \$3.4 billion in dividends to insured members.

- We are stable

Prudent leadership and management has led to the rapid growth of our assets, providing an adequate foundation for our member's protection, and securing our obligations to our insured and their beneficiaries. Also, because we are a fraternal benefit society, we have no stockholders. Our owners are our members and we return our good fortune in the form of dividends to our policyholders.

And we have a local agent, Jim O'Connell. Jim would be happy to sit down with you and look at options, based on your need. You can contact Jim by phone at (314)774-1320 or send him an email at : [JAMES.OCONELL@KOFCC.ORG](mailto:JAMES.OCONELL@KOFCC.ORG)
