Good News!

Christian Persecution is Still Alive

But the good news is that the Knights of Columbus is trying to make a difference. On August 11, the Supreme Council announced that it was establishing a fund to aid religious minorities. Our organization has pledged a half million dollars to the effort, and they are soliciting public contributions of a half million or more. Supreme Knight Carl Anderson said "The unprovoked and systematic persecution and violent elimination of Middle East Christians, as well as other minority groups, especially in Iraq, has created an enormous humanitarian crisis," He added, "Pope Francis has asked the world for prayers and support for those affected by this terrible persecution, and we are asking our members, and all people of good will, to pray for those persecuted and support efforts to assist them by donating to this fund."

Our organization has a long history of helping, in fact, it was born of a need by Fr. McGivney. That spirit of giving flows down to even our council. We regularly help at soup kitchens, we help boys fund Eagle Scout projects, we give our time to various Parish activities. In all the councils comprising the Supreme council, our organization has donated over \$170 million and more than 70 million hours of help to charitable, and humanitarian causes across the globe.

If you would like to donate to this cause, click on the link at the end of the article for more information. Your donation is tax deductible. 100% of money collected goes to this cause.

Insurance

Why Choose Us?

- We are strong

The Knights of Columbus is a fraternal benefit society that is strong, secure and stable. Members can be confident that we'll be here when you need us. We've been successfully protecting families since 1882, and our outlook remains bright. Don't just take our word for it. There is no more highly rated insurer in North America than the Knights of Columbus. A.M. Best has bestowed on us their highest rating (A++, Superior) for 37 consecutive years.

Remember, in 2012, the Knights of Columbus gave more than \$155 million to Catholic and other charitable causes. In these uncertain times, find comfort in an organization that leads the way in doing good for others while doing good for our own.

- We are secure

Since 1882, we have been committed to protecting the financial futures of our Knights and their families. We do this by paying claims and dividends to our insured members. In 2012, we paid well over \$487 million in death claims and other benefits, and more than \$349 million in dividends to our policyholders. Even more impressive is the fact that in the past decade, the Knights of Columbus paid more than \$3.4 billion in dividends to insured members.

- We are stable

Prudent leadership and management has led to the rapid growth of our assets, providing an adequate foundation for our member's protection, and securing our obligations to our insured and their beneficiaries. Also, because we are a fraternal benefit society, we have no stockholders. Our owners are our members and we return our good fortune in the form of dividends to our policyholders.

And we have a local agent, Jim O'Connell. Jim would be happy to sit down with you and look at options, based on your need. You can contact Jim by phone at (314)774-1320 or send him an email at : JAMES.OCONELL@KOFCC.ORG
