Don A. Potts

Monsignor Bouchet Assembly and St. Edward the Confessor Council member, Don A. Potts, is a family man that lives in a modest home on a quiet street in

Jeffersontown, just

outside of Louisville. Donnie, as most people know him, was born in 1932. At the age of 16 he voluntarily joined the Army. Donnie served in the European Theater after World War II and during the reconstruction. In May of 1951 he was honorably discharged. However, 7 months later he was drafted and saw combat in Korea for 13 months. In May of 1953, Donnie was honorably discharged for a second time and was prepared to start a new life for himself. In 1951 he had married his sweetheart, Pauline, known to him affectionately as Polly, and raised 3 children. During that time he worked at Ford Motor Company for over 30 years, retired, and you might think, faded away, as General MacArthur put it. Not Donnie Potts. Donnie Potts made it his new mission in life to lessen the suffering of fellow veterans at the VA Hospital in Louisville. Twice a month, Donnie makes the trek to the VA Hospital. He visits many of the men and women hospitalized there. In addition, Donnie works with the VA to

determine the needs of both those hospitalized and the homeless veterans. Then, as our VAVS contact and working with his Council and Assembly, he brings those requests so that we may assist him. However, nothing we can do in providing our assets, can compare to the hours and hours of work, diligence, and love shown by our own Donnie Potts. Although small in stature, make room for this Knight, because he is a true giant among men.

My Brother Knights, we have started another fraternal year and together we must all work together to do what it takes to help us earn the place of honor for our beloved state. It all

starts with a positive attitude and I can assure you that the men we just worked with at the State Organizational Meeting, it is alive and well. There are new programs being introduced and changes to existing programs that have all the makings of energizing our brother knights into action-If you view them with the Positive Attitude that I mentioned. The key program being promoted by Supreme continues to be the Building the Domestic Church which encourages the involvement of the family and an integration of Council Activities with the Parish Activities. When you think about it, it really makes a lot of sense that we (the Knights) work together to synchronize our programs. Imagine the good will and trust that will be built between the Knights and our church leaders to have the Knights as a resource on programs that we work on together rather than apart and in duplicated fashion.

For your general information and reference, our assigned goals from Supreme are:

- Membership Intake **575**
- New Councils **3**
- Suspended Councils **5**
(requires 3 reactivations or mergers)
- Round Tables **50**
- Star Councils **20**

This is certainly doable, but it will require focus and hard work beginning today. The Star Council requirement I see as the “Key”. If we can get a jump on that item, many of the others will come together as a result of the success in the Star Council goals.

**The Supreme Knight and Deputy Supreme Knight have issued a challenge to all jurisdictions- We have been asked to create a membership plan to do 1 member better in membership intake for the months of July and August than we have in the past few years. What this means is that we need to have intake numbers of the following:
July- our best month was 35, so we need 36
August- our best month was 56, so we need 57.**

Whether you are a returning Council Officer or a new one, we need help from all councils to

Cabral cont.

make this happen. This will only be possible if we get degrees scheduled in these months. Remember, schedule the degree FIRST, then RECRUIT the members. You'll be able to tell these men exactly when they join rather than stringing them along for weeks or months. **KEEP IN MIND THAT ALL NEW MEMBERS RECRUITED BY DECEMBER 31, 2017 ARE CHARGED AT \$5 RATHER THAN \$10.** So, please take advantage of this savings for your councils!

Brothers, thank you for all the hard work over the last year. It has been an honor working with you to promote the vision of Fr. McGivney and I look forward to another exciting year filled with great programs and hearing the success stories from your councils.

Dear Brother Knights:

Two days ago a member of the Louisville Serra club, who a few months ago had pushed me to actually get the Knights Traveling Chalice Program going, told me how delighted he was that we are beginning this. Only at that point did he mention that fifteen years ago he and (I believe then-Bishop Lori) and former Supreme Knight Virgil Dechant were discussing this project, with Virgil pushing my Serran buddy to have them help the Knights with this. Had I only known that the Knights were the originators of the request I would have pushed this idea quicker.

Essentially, councils can get credit in both the domestic church and the vocations areas by passing among their knights one of the 4th degree chalices they would get from the assembly they belong to. two knights would be "prayer" battle buddies for that month, each keeping the chalice for 2 weeks and handing it off to the other before returning it to the council. While in the Knight's home, each day the family members--particularly the little children--would pray for vocations to the diaconate and religious life the first week, and for vocations to the priesthood the second week they have the chalice. Our program

chair has all the forms and instructions--which are very, very easy to follow.

The reason for having little children say a prayer while actually holding the chalice is that they are the ones who will benefit if there are priests available when they grow up and need one. Also, though God loves us all and hears all our prayers, there is evidence that he is particularly receptive to the prayers of children.

May you enjoy this pilot program, and may it increase vocations in your diocese so that you (like me) can have a priest over your deathbed absolving you of your sins at that most critical of times.

Blessings and Vivat Jesus!

State Secretary Cameron Peck

Brothers,
Welcome to the
new fraternal year.

We had a great meeting last weekend at the Organizational Meeting in Lexington. We talked about new strategies for the upcoming year and we accepted Supreme's Fast Start Challenge. So, that means we need to bring in 36 new knights this month and 57 new knights in August. We can do this, we just need to start now and don't lose our focus.

I would like to send out a special thank you to the members of Saint Elizabeth Ann Seton Council 12774. They arranged for us to celebrate Mass and prepared a terrific meal for us afterwards. You guys did a great job!

On another note, it has been my pleasure to serve you as the the State Newsletter Editor for the last three years. But now my duties as Secretary demand more of my time than was necessary as Advocate and Treasurer. I am excited to announce that Grand Knight, Mike Mudd, has stepped up to take over as State Newsletter Editor. I am sure that he will do a great job. And if you have something for the newsletter, you can still send it to kykofcnewsletter@gmail.com.

Congratulations to all of the newly elected council officers and newly appointed District Deputies

...And to all you old guys that already have at least one year under your belt as a council officer or DD!

Safe Environment Training:

With the new fraternal year comes a renewed effort on the part of Supreme to have every council 100% compliant with the Safe Environment Training initiative. The program was rolled out this past fraternal year and Supreme was somewhat relaxed in their enforcement. However this fraternal year will be different. Hopefully you picked up a copy of the slide presentation to help you remain compliant with Supreme. If you didn't get a copy please email me and I'll send you an electronic copy.

Delinquent Council Reports:

Let's make the 2017-2018 Fraternal Year a banner year for all.

State Advocate

State Warden Luke Williams

Brothers,

As we start the new fraternal calendar for 2017-2018, I would like to Congratulate all of the newly elected council officers and newly appointed District Deputies and wish all officers, a successful year.

Thanks to all who made this month's Organizational meeting in Lexington a success. All who presented at the meeting did a great job of letting us know what the goals and plans for the

Kentucky State Jurisdiction are for the upcoming year. Many questions were also brought up so that clarity can be obtained about the programs, initiatives, overviews and training presented. There is now council officer training provided via the internet and can now be viewed by anyone. Speak with your Grand Knight if you would like more information.

2017 SWEEPSTAKES

At the Organizational meeting, I made a presentation about this year's NFL Football Frenzy 2017 Sweepstakes. The main points I tried to stress:

1. We hoped the councils who sold 0 tickets last year would please participate this year.
2. To strive for all council members to participate in this KY State Charities fundraiser so that it is a successful fundraiser for your council.
3. Last year's return to council per ticket was \$3.08.
4. Sell at least 25 tickets per council to receive 25 points towards the State Deputy Award.
5. The Buy 2 get 1 free offer is available again this year.

Each council has or will receive a packet containing instructions and tickets to trade for money. Grand Knights, if you or a council representative did not attend the meeting, either your District Deputy picked them up to give to you or I will mail them directly to you. Please delegate someone in your council to head up this worthwhile fundraiser for both the State Charities Fund and your council. The tickets contain 4 pre-selected NFL teams each week for 10 weeks starting on the weekend of October 29th. If your teams for that week scores the highest, down to the 7th highest or the lowest and 2nd lowest total points, you're a WINNER! If you buy two (2) tickets you have the opportunity to get a

Williams cont.

third ticket free from Green Bee. Just go online and register the two tickets that you bought. They don't even have to have the same person's name on them. You also have the option of joining the Green Bee Savings Club (no cost to join) where you can save money at a variety of restaurants nationwide.

Please ask your Grand Knight or Program Director how you can get involved with your council's fundraiser or that you're interested in buying one or two. Remember...the proceeds from the sale of the NFL Sweepstakes tickets go to help fund your KY State Charities and your local council. The KY State Charities Board receives Grant requests from individuals or organizations who present via a "Request For Grant" form that asks for a statement of need and

justification for that request. Many worthwhile needs have been presented funds throughout the years from this KY State Charities account. I encourage you to find out more about this in the "KY State Program Guide" or contact your District Deputy or a State Officer.

Brother Knights –

Happy New Year! I trust that you are ready to get this fraternal year off to a fast start! If you are a new Grand Knight, don't wait to get your program chairmen lined up. There are a lot of programs that you should consider doing in July and August. As they say, "Act Now!"

Now, you should be planning your council's activity calendar. It is important to get the new year started strong. In July (if not sooner), the Grand Knight and council Program Director need to meet with the pastors that their council serves in order to identify ways and activities that the Knights of Columbus can support the parish to integrate the council with them. This will make the council and parishes stronger as well as their members.

Following this meeting, the Grand Knight, Program Director, and key officers and chairman should meet to develop the program activity calendar for the year. A Chairman for every activity should be appointed, regardless of when the program is scheduled. The calendar should be complete no later than August 1st. Identify the programs that the pastors want the council to do as well as those programs that the council wants to repeat, and consider adding some new activities – especially those from the Supreme Council's "Building the Domestic

Church" program.

There are five highlighted programs that every council should consider adding to their portfolio. They are all quite simple and designed to bring the parish and council together. These programs include: Holy Family Prayer Program Journey to the Inn.

**Consecration to the Holy Family
Affirmation of Wedding Vows
Fifth Sunday Rosary**

I strongly urge every council to review these programs and add as many as possible to your program calendar.

We have just announced two new State Programs at the State Organizational Meeting that you should get familiar with. The Knights of Columbus Traveling Chalice (KCTC) and Junior Knights Anti-Bullying Campaign are being finalized now with the help of our State Chaplain, Fr. Patrick Dolan, who brought these programs to the State Council. Look for them in the Program Spotlight for this month. I urge to seriously consider adding one or both programs to your program portfolio.

Schmidt cont.

In July and August, councils should be conducting programs such as the Fifth Sunday Rosary (July 30th), Family Week Celebration (August 7-13), and selling the NFL Sweepstakes tickets.

Councils should start planning for programs in September, October, and November in July and August. Programs such as Voter Registration, Soccer Challenge, Fifth Sunday Rosary (October 29th), and Tootsie Roll Drive to name a few should be planned now.

Lastly, program reporting is very important. In order to earn points towards the State Deputy Award, a representative from your council needs to email me a monthly report of the activities that you conducted during the previous month. Pictures and any other details that you find interesting or noteworthy should be included. Be sure to include your District Deputy. We want to know details of your council's activities!

As always, remember to use every program as an opportunity to invite a fellow Catholic gentleman to join the Knights of Columbus. Invite a friend to join us and be part of the programs your council has to offer.

Fraternally,
Bill Schmidt, PSD

Knights of Columbus Traveling Chalice

The Knights of Columbus Traveling Chalice [KCTC] offers councils a simple, reverent means for praying for vocations by giving an opportunity for young people to view, touch and revere the presence of a Knight's Chalice while praying for a priest to come and use that chalice. Each council recruits Knights to be "prayer battle-buddies" who take a 4th Degree Knight's memorial chalice home with them and return it with a "prayer log" at the next council meeting. Each Knight, with their family, would participate for two weeks before turning the Chalice over to the next "prayer battle-buddy".

Details of the program are being finalized now, including the log form. The prayer program currently will use the Serra Club Traveling Vocations Chalice Prayer Book. For more information on this exciting new program, please contact State Chaplain, Fr. Patrick Dolan. More details of this program will be presented at the Regional Meetings in September. See you there.

Junior Knights Anti-Bullying Campaign

Squires or sons/grandsons of Knights serve as "Junior Knights" at school or anywhere that Knights cannot enter. Junior Knights serve as an anti-bullying agent simply by being known that they will stand with those who are oppressed, in the same way that knights have done throughout the Middle Ages. They themselves will know what to do from the good example of the Knights with whom they interact regularly.

Rubber armbands are given to Junior Knights to subtly identify them as an anti-bullying agent. Details of the program are being finalized now, and further details of the program are available by contacting State Chaplain, Fr. Patrick Dolan.

July Events;

Beginning of the Battle of Gettysburg during the American Civil War started July 1, 1863. July 2, 1774, the Continental Congress in Philadelphia

adopted the following resolution, originally introduced on June 7, by Richard Henry Lee of Virginia: "Resolved, That these United Colonies are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the State of Great Britain is, and ought to be, totally dissolved. That it is expedient forthwith to take the most effectual measures for forming foreign Alliances. That a plan of confederation be prepared and transmitted to the respective Colonies for their consideration and approbation."

Our 4th Of July: Have you ever wondered what happened to the 56 men who signed the Declaration of Independence? Five signers were captured by the British as traitors, and tortured before they died. Twelve had their homes ransacked and burned. Two lost their sons serving in the Revolutionary Army; another had two sons captured. Nine of the 56 fought and died from wounds or hardships of the Revolutionary War. They signed and they

pledged their lives, their fortunes, and their sacred honor. What kind of men were they? Twenty-four were lawyers and jurists. Eleven were merchants, nine were farmers and large plantation owners; men of means, well-educated, but they signed the Declaration of Independence knowing full well that the penalty would be death if they were captured. Carter Braxton of Virginia, a wealthy planter and trader, saw his ships swept from the seas by the British Navy. He sold his home and properties to pay his debts, and died in rags. Thomas McKeam was so hounded by the British that he was forced to move his family almost constantly. He served in the Congress without pay, and his family was kept in hiding. His possessions were taken from him, and poverty was his reward.

Vandals or soldiers looted the properties of Dillery, Hall, Clymer, Walton, Gwinnett, Heyward, Rutledge, and Middleton. At the battle of Yorktown, Thomas Nelson, Jr., noted that the British General Cornwallis had taken over the Nelson home for his headquarters. He quietly urged General George Washington to open fire. The home was destroyed, and Nelson died bankrupt. Francis Lewis had his home and properties destroyed. The enemy jailed his wife, and she died within a few months. John Hart was driven from his wife's bedside as she was dying. Their 13 children fled for their lives. His fields and his gristmill were laid to waste. For more than a year he lived in forests and caves, returning home to find

Dykuis cont.

his wife dead and his children vanished. So, take a few minutes while enjoying your 4th of July holiday and silently thank these patriots. It's not much to ask for the price they paid. Remember: freedom is never free! We thank these early patriots, as well as those patriots now fighting to KEEP our freedom!

Next Exemplification: July 22, 2017, Father Alexander Korte, Bowling Green, KY. The planning is done and the information is on the Kentucky Website. The information was handed it out at the State Convention, this Exemplification will be held in the Owensboro Diocese. This will be the First Exemplification for 2018 Fraternal Year. The new Year starts July 1, and I hope to have an Exemplification in each of the Diocese of Kentucky. The October Exemplification will be in Lexington on October 14. The February Exemplification will be held in Radcliff on February 24. If your Assembly would like to sponsor an Exemplification, please let me know.

June is also election month. Please conduct your elections and report the new Assembly

Officers on the Knights of Columbus Website.

Please help the Kentucky District with new Sir Knights. You can do this by assisting your council holding; First Degree - Admission Degrees, Second Degree - Formation Degrees, and Third Degree - Knighthood Degrees.

There are a large number First Degree members of our order that need to be advanced to 2nd and 3rd Degrees. These are members that would make Great Council Officers and Sir Knights. But as Sir Knights, we should be having Admission – First Degrees at our council meetings. Yes, the Council can use the DVD, as works great. Please note my new e-mail address; garydykhuis@att.net

General Agent

Darrell Swope

One hundred and thirty-four years ago, Father Michael J. McGivney worked to protect Catholic families.

Now, in 2017, Father McGivney's mission has taken on several different shapes and services, including charitable works, evangelical missions, catechetical programs and, of course, our insurance program.

Together, these things form the core of the Knights of Columbus.

Guided always by our fraternal principles of charity, unity, fraternity and patriotism, we are most effective when the different aspects of our organization operate in conjunction with each other. When the Knights who lead our programs work together, the results can be truly life changing — not just locally, but globally.

This summer, as we embark on a new fraternal year, spend time with your field agent and general agent to coordinate your activities.

Your Knights of Columbus Insurance agents are tremendous resources for you and your council. For these men, the Knights of Columbus is more than just a career, it's a vocation, and they are deeply committed to furthering Father McGivney's mission in all its facets.

Ask for their help with membership drives during Sunday Masses. Seek out their assistance with various committees and fundraisers. Lean on them to help supply manpower for hands-on charitable events. Open the door and welcome them. Invite them to full participation in your council life.

Remember, these men work tirelessly to serve the members in their area. Although they may not always be able to take part in each and every initiative, they want to be involved with their councils as much as possible.

As a professionally trained Knights of Columbus field agent, your agent brings tremendous value to your council and to your members. He also brings with him a full product portfolio of high quality insurance products. He holds the key to the greatest fraternal benefit of all: the insurance program.

The men in your council will no doubt be at various stages of life, with varying needs and varying means. Nevertheless, at some point in their lives, surely most of them will look for life

Swope cont.

insurance protection, retirement products, disability income or long-term care insurance. When they do, why would they look anywhere besides their very own Knights of Columbus?

But the truth is, many of your council's members probably don't think about our insurance business. They may have met with a field agent once or twice during their time as Knights, but they probably don't know about our current full line of products. They probably don't know about our \$100 billion of life insurance in force. They probably don't know about our consecutive years of receiving the highest possible rating for financial strength, A++ (Superior), from A.M. Best. They probably don't know about our being named a "World's Most Ethical Company" in 2014, 2015, 2016 and 2017. They may not even know of Father McGivney's vision of financial protection for Catholic families.

But they should.

When your members are in the market for insurance products, they have a choice. They can purchase from one of more than 1,500 life insurance companies in North America who will do whatever they choose with their premium dollars and invest in whatever offers them the best returns. Or, they can purchase from their Knights of Columbus, who will invest ethically and donate generously. It's what we call "The Catholic Difference."

What would it mean to your members to know that the money they spend protecting their family, preserving their retirement, guarding against the financial strain of a disability or providing for long-term care goes to an organization that supports the Church? To an organization that has donated more than \$1.5 billion to charity in the past decade? What would it mean to your members to know that their insurance purchase will someday not only change the lives of their family, but maybe even the lives of families halfway across the world?

Invite your field agent to talk about the Catholic difference. Set up a fraternal benefits night where he can address the council on our slate of products and the benefits that they bring to Catholic families. Welcome him as a Knight. He, too, is deeply committed — not only to protecting Catholic families financially, but also to standing up for the marginalized, standing up for the poor and standing with the Church.

New years are times for new resolutions. As you embark on the 2017-18 fraternal year, resolve to incorporate your field agent into your council life so that your members have the opportunity to profit from our greatest fraternal benefit.
