Grand Knight's Report

I had the pleasure of visiting Past Grand Knight Frank Svacina recently. Frank was Council 10930's First Grand Knight when the council chartered in 1992. Frank, a pharmacist, brought a wealth of Knights of Columbus experience with him from Wisconsin. He along with Fred Bolliger, Frank Helwig, Rane Fief, Tom Dera, Harold Green, Tom Konen, Joe Kozel, Larry Loftus, Bob McWilliams, Charlie Parr, John Phillips, Willie Seger, Gene Sieja, Lee Sperry, Walter Stank, Rev Sal Stefula, John Thome, Tom Walsh, and others launched the Council 10930 with 50 members. The list of charter members hangs in St Thomas Parish Hall.

Thanks to a solid foundation, nearly 20 years ago, our Council now has 204 members. (Charlie Parr deserves considerable credit for this accomplishment, at least for the 6+ years I have been a member of this council.) There will be one more First Degree ceremony May 10. Please have prospective brothers complete a form 100 and give it to Charlie, or me, ahead of the 5/10 meeting.

After some necessary attrition, we hope to finish this fraternal year with more than 205 members. Numbers/statistics do not mean much without corroborating evidence, but I will let you be the judge of how much of an impact Knights and their families have had over the last 20 years. Currently, Knights and wives serve on the Pastoral Council (6), the Finance Council (4), Why Catholic team, (3) Fund Raising Committee (12), and Stewardship committee (5) (Number in parenthesis indicates minimum number of Knight/wives on the committees; there may be more). We help staff various ministries including Eucharistic, Lectors, Hospitality, RCIA, RCIC, as well as Social Outreach service through the Food Pantry, Samaritan House Suppers, and the Presbyterian Nights Shelter. No doubts these roles would be occupied even if there was not a vibrant Knights of Columbus Council 10930, but I am sure they would not be filled as well!

These are only the most recent examples of a nearly 20-year commitment that Knights and their families have made to St Thomas the Apostle and Holy Trinity. We make an enormous difference in the church and community. Heartfelt thanks to you, our present and past members and wives, for what you have done, what you are doing, and you will continue to do.

Vivat Jesus!

Family of the Month

Family of the month April 2011 Steve & Anne Gonzalez

Steve has been a Knight for 10 years and was the recorder for 2 years. Charlie Parr recruited him. Steve and his wife Anne have lived in Ft Worth all their lives. They met while they were both working at Mervyns in Ridgmar Mall, and have been married 20 years. They both attended All Saints parish for years when they were younger but never met (it is a big church). They have a son, a daughter a daughter-in-law and a grandchild who they enjoy very much. Their son Eric is a 1st degree knight having joined last February. Steve and Eric helped with Highway Cleanup and Knights Pancake Breakfast.

Steve is an electronic technician and Anne is a billing analyst. They have been at St Thomas for 12 years. They help with RCIA now and trained the altar servers for 8 years and worked with the youth group for several years

They both like fishing (obviously Anne is a dream wife) and outdoor activities in general especially camping. They are big TX Rangers fans and actually got to see the World Series game here that the Rangers won.

concerns recently, but he is recovering well.

Tommy was born and raised in Anna TX a little past McKinney. He later moved to Oklahoma. He had a long career in the army. One of his duties was as an engineer for amphibious vehicles, which he demonstrated in Europe and America. When the Berlin Wall fell in 89 it caused downsizing in the armed forces so Tommy retired from the army in 1992 after a 21-year career. He then worked for the Department of Defense. Tommy had two children while in Europe with his first wife a son and daughter. They both still live in Europe and both speak German fluently as well as English. His daughter is a senior VP for a bank and travels the world establishing new bank branches

He came to Ft Worth at the urging of his future wife Pat. She also got him coming to St Thomas.

His hobby has been building miniature furniture for dollhouses. He said it was a great way to relax and work off the frustration of work.

Reports

Insurance Agent Change

Brother Nels Pearson, our council's insurance agent, has left the Regan agency. We thank Nels for his

contribution to Council 10930 and wish him well. John Regan advises that representative R Terry Peffers, 817-690-7924, will cover for Nels until a new agent permanently takes the position. Below is the message I received from Nels:

Worthy Grand Knight,

I wanted to let you know I am leaving the insurance agency. My last day will be tomorrow, Thursday, March 17. I have really enjoyed being part of Council 10930 and pray that God continues to bless all of you in your work. While I really love the Knights of Columbus and will remain active in my Council in Grapevine, it is time for me to look in another direction.

I was recruited (twice) by American Health Underwriters, which sells health care plans from a number of different insurance carriers, including Blue Cross, to small businesses, the self-employed and other individuals. Most of this work is done on the phone responding to people who have requested information via the internet or telemarketing firms. This will allow me to work out of my house, with very little driving, which my doctors have encouraged.

This has been the hardest decision of my life due to my love of the Knights of Columbus and my firm belief that our life insurance products are the best in the market. I have also met some of the finest men in the world in the councils I have served.

However, after a great amount of prayer and discussion with my wife, I feel the Lord has given me an answer and it is in health care, where I have tons of experience due to plenty of health issues over the years.

Until a new agent is assigned to St. Thomas, please call John Regan's office at 972-599-2803 for assistance.

Vivat Jesus!

Are You Degree Officer Material? (Borrowed from the Texas Knights Website)

Terry Fruge', Communications Director

Ceremonials are vital when it comes to making council quotas and goals. Setting regular dates for the exemplification of the degree and for team practice is important for the best presentation.

It is just as important for a degree team to recruit new members as it is for a council to recruit new members for the order.

As leaders in the Knights, we need to step up to understudy a role that may have particularly impressed us as you observed a veteran team perform their charge. Some are longer than others, and some are only a few paragraphs. What it takes to become a First Degree Team Member is a commitment to live life according to the ceremonials. From the beginning, the degree has taught the candidate a lesson that was specifically focused on a man's duty to God and his family. Our ceremonials are important because they cross all national and economic boundaries.

These principles are Catholic duties that guide a member for a lifetime. Thus the presenter must also be of a caliber to live the lesson that is taught. Ceremonialists often comment that work as a degree officer is extremely fulfilling. Memorization is a tall order for some. Team depth is especially important to help the Order move forward at a more rapid pace. Teams and team members must be well versed in not just one role, but several, so that a complete team is ready and able to admit candidates to the council.

A well-memorized and inspiring delivery will motivate a new member to become active in his council. It helps him to see the dedication of the members that have worked to memorize a talk and have it seem to come from the individual rather than from a piece of paper. This is the true test. Anyone can read words aloud, but the man who lives the virtues

expressed as a true member and a gallant Knight.

Degree members come from the membership and are often some of the more busy brothers we have. They learn how to arrange their calendars around scheduled degrees.

The degree officers should have the ability to deliver in a professional and eloquent manner. The words are very important, but how it is delivered will always leave an impression on the recipient. Council officers need to keep their eyes open for members who show aptitude for becoming a certified degree officer. Not all will be able to make the cut, as the standards are high.

Practice and rehearsal is important. The professional presentation and depth in each role is key to the long-term growth and success of your council.

Knights Needed for St Thomas the Apostle Carnival

Brother Michael Walker is chairing the St Thomas Parish carnival October 8. The Councils' Leadership voted to commit the necessary work force to assure the carnival's success. (Jan Drais and Virginia Campos also attended.) Many more Knights and parishioners are needed for tasks including planning, marketing, construction, staffing, food preparation, prize acquisition, security, and others. Contact Michael Walker: phone (817) 236-7458, email kwaknet33@sbcglobal.net, or see him at the April 12 membership meeting.
