So in order to comply with regulations we have another event scheduled Saturday March 31. Please help if you can. We especially need help in the afternoon shift... noon to 3.

Also we have our River Oaks Fund raiser coming Saturday May 5. All these fund raisers are necessary as our main source of revenue because Bingo receipts have fallen so low. If Bingo doesn't recover by the end of the year we may consider quitting it.

If you can help please contact Curt Lampkin at 817 444-6677 or e-mail him at curtlampkin@charter.net

If any Knights can help, the meals on Wheels program needs volunteers.

The Texas State K of C convention is in Houston this year April 27 to 29

## *Grand Knight's Report*

Brother Knights

Our first fund raiser at Beach and Belknap was a great success raising \$2651. I wasn't able to get everyone to sign in so I can't list any names but thank you to all who helped. Because of this extra money coming in we have been able to help several charities that we had been delaying payment to even though they were on our budget

Because of Ft Worth regulations we are only allowed two events if they are less than 30 days apart.

Dan has been a Knight for 15 years. He was born and raised in Barrington NJ. He and his family moved all over the US as Dan worked as a quality control officer building nuclear power plants. He moved to Texas in 1988 and was a member of the council at St Patrick's cathedral for several years. He moved to Saginaw and became members of St Thomas in 1999. Dan works at the St Thomas food bank, he helps clean the church, he's an acolyte and helps with the parish breakfasts. He has been council recorder and inside guard. He is also the chairman of the Active Older Adults (AOA) chapter at the Northwest YMCA, and has been named the YMCA volunteer of the year. He'll be honored at the yearly YMCA banquet at the "Depot" at the TRE station facility on April 1. He is an avid golfer and just recently started a YMCA garden project.

The Knights are having a food drive "40 cans for Lent". We are asking Knights to donate one or more cans of food during Lent. After lent the cans will be donated to our food pantry.

# Family of the Month

## Tu and Kim Doan

**Scholarship funding**  
 Because of our successful fundraising and a one-time lottery payment from the Bingo hall we are able to offer five \$500 scholarships this year. We have included the instructions and the application form. The deadline to apply is May 4 which is only a month away so please make application as soon as you can.

Tu escaped from Vietnam when he was 10 years old. He met his wife Kim in college at Lamar U in Beaumont TX They have 3 boys. Tu retired early from Lockheed as a mechanical engineer. He bought a cleaning business which both he and Kim run. They have both been heading the highway cleanup for the Knights for several years and do a wonderful job. It is always well organized and supplied with all we need for the cleanup. Tu is also a Eucharistic minister. He helps with fundraising Samaritan house and the Cowtown Brush-up. Kim is on the pastoral council, the fundraising and the building fund committees. Tu's hobby is tennis while Kim enjoys gardening. They have been at St Thomas for 10 years moving here from Houston

**Nominations for next year**  
 Our nominating committee will have a slate of officers to present at the April meeting. The elections will be at the May meeting and installation at the June at the combined awards/ installation dinner.

**The Cowtown Brushup** is on April 14. Please contact Phil Talbert (817 232-8762) for details and sign-ups

**Some Thoughts**

If you ever wondered what the basic difference is between Christianity and other religions it is this. Christianity teaches that the universe had a beginning and will have an end.

Other major religions such as Islam, Hinduism, and Buddhism teach that the universe is eternal, that it has no beginning or end. To them existence is a never ending cycle. This fits in with reincarnation and the desire of many Islamic mullahs and imams to return to the 7<sup>th</sup> century for pure Islam. It also explains their

relative lack of curiosity about the universe and their weakness in science (except for what they have imported from the West). The main result of this is that the idea of progress is mainly a Christian concept. It also explains why the Christian or western civilization has progressed to its leading position. Unfortunately the West is rapidly becoming secular and denying Christian beliefs. That is weakening our country and the West in general. Families (which are the basic unit of civilization) and of life in general are under attack. If any politician or media person tries to tell you religion has no place in politics or civilization, it shows they aren't well educated in some important areas
