Our New Grand Knight's Message

My Brother Knights, Wives, Significant Others and Families

Thank You, Past Grand Knights for having this confidence in me.

I am really looking forward to upholding our great council's traditions and hopefully advancing new ones. To my council officers for this coming year, I am fully confident you will help guide me as we move forward in our campaign:

'Faith in Action' --This is now our new National Mission of the Knights of Columbus.

It was five short years ago that I joined the Knights. I remember Deacon Larry Smith at my first meeting saying "stay active." Well, I was thinking to myself "don't let the Deacon down." I wanted to start off small and slow, but soon that changed. In a few months, it seemed like I was involved in almost every activity. Why? It was because I have never met the nicest, most friendly, and compassionate people.

Our Knights, their wives and families give you inspiration to give back to the church and community.

I have made a lot of special friends here. Our brother knights mentoring me and their advice are priceless. One in particular is truly special. We made our first, second, third and fourth degree together and he is now our new Past Grand Knight, John Vlnka. I would like to thank him for all his support of me during these past five years.

Most important, I would like to thank my wife Patty. Without her support, I would not be able to be the Knight I am today. She is my rock, my confidant and she is the flower in my desert.

To my fellow brother Knights, I am truly humbled and honored to be your Grand Knight.

Vivat Jesus
God Bless You and Thank You!
