### **Your Support This Year Surpassed Last Year's Record**

Our parish churches: Church of the Holy Spirit, St. Hubert and St. Matthew, plus Elite Stars, Misericordia and Gigi's Playhouse will now continue to benefit from your dedication to support their calling.

This wasn't easy. Covid 19 directives changed how we must pursue contributions. Even so, 53 knights, 19 friends, relatives and people from our charities volunteered for 267 hours.

We were limited to work only two street corners. Even so, with signage, tent stations and the volunteer aggressive work effort, we beat last year.

Our focus was on getting online donations: [TootsieRollDrive.com](http://TootsieRollDrive.com). We created signage and bombarded our Knights and friends with emails, bulletin ads and social media. The result was outstanding.

A special thank you to the businesses that supported us during our pre-sales event and donated over \$5,000.

With Our Prayers for God's Blessings,  
Our Appreciation and Best Wishes
