Grand Knight's Report

2020 September 1

Continuing under Covid-19 conditions for another month, we will schedule another "virtual" Membership Mtg on September 1st at 7:30 pm. It will be conducted by FreeConferenceCall with the dial-in number being 602-580-9712. When prompted, enter the access code 6864032.

August of 2020 was one filled with Sorrow for our Council Family. Not only did we lose two full-fledged Knights in Bill Dufinetz and Rudy Radwan but also two lovely ladies (Eileen Ewell and Stephanie Girard) who continuously supported their husbands, Les and Dave, respectively, in their commitments to this Council.

My Thanks to all that supported the Special Olympics Breakfast With Champions event and to those that were able to donate blood at our Blood Drive last Saturday.

Again, I ask for your support in the Annual Charity Golf Tournament, October 3rd, 8:00 AM, Bear Creek (Brother Tony Rubino @ 817-880-5800)

Thanking all of you for your service to our Council, our Community, and our Church.

Stay Safe and Keep your Guard.

Joe Martinez, Grand Knight

Annual Charity golf tournament –

As you are aware the planning for the 27th Annual Charity Golf tournament is underway. This is the 2nd biggest fundraiser that we do in our Council, and plays an important part in reaching our charity goals. With the impact of Covid-19 this year, we face an uphill battle in securing hole sponsorships and donations for our silent auctions tables. Due to Covid-19 many businesses have cut this program from their budgets in order to assist them with their own cash flow for the remainder of the 2020 year.

With that stated, this puts a major focus this year on us securing golfers to play. Our goal as it is every year is to fill the tournament with 120 golfers (30 teams), and this will play the biggest role in the tournament being able to meet its goals.

So if you know anyone hand them the attached registration flier, and I can promise you that they will have a great time. Ask your neighbors, your friends, your co-workers, etc... We will take single players, 2 man or 3 man teams, as we can always pair people up to make groups.

If you have ever wondered how you can help and contribute to the council, now is your chance. If you ever thought of playing, then now's your chance. Please continue to reach out for the donations, and sponsorships and we will overcome. Sponsorship letter documents are attached and can be printed if you need them.

Thank you in advance and if you have any questions you can reach me at info below.

Life Program Opportunities-

Our Life Program has various (4) Chairman Opportunities for members of our Council who are highly motivated in defending the dignity of each human being at every stage of life. Please read on for the details on each project that's available for you to choose from:

- **Pregnancy Center Support:** Change public hearts about abortion by showing love for both mother and child before and after birth. Councils can provide material, financial, labor and other support to pro-life pregnancy centers that help women during pregnancy and following the birth of their newborn children.
- **Silver Rose:** Share the message of Our Lady of Guadalupe and promote respect for life by participating in this meaningful pilgrimage. The Silver Rose program demonstrates the unity between Knights of Columbus in Canada, the United States and Mexico, through a series of prayer services promoting the dignity of all human life and honoring Our Lady.
- **Ultrasound:** Save lives by helping women choose life by giving them the opportunity to view their unborn children on ultrasound machines at pro-life pregnancy centers.
- **Christian Refugee Relief:** Help persecuted and at-risk Christians facing genocide all over the world, particularly in the Middle East. The Knights of Columbus strives to bring awareness and support to those who have suffered for their faith through various parish-based programs and fundraisers.

If you would like to be part of our Life Program, please contact Juan Santos at your earliest convenience at js2911@icloud.com. Defend Life!
