MEETING NIGHTS: SECOND & FOURTH TUESDAY OF EACH MONTH - 7:30 PM - (757) 930-0491 - WWW.KOFC5480.ORG

October 2018

Issue 30 Number 10

Grand Knight Message

 We had our third and final daytime picnic for this calendar year, they were enjoyed by all who attended, the picnics, young children to us older kids. At all three events I saw new faces, young families that don't we normally come to our events, we need to keep them coming back in order for us to grow. Thanks to the Family Director, Robbie and Jeanette DeBartolo, and his who crew of Knights in Action.

We are hosting an admission degree on October 9th, I ask requesting any and all candidates to attend an informal Open House on Friday, October 5th at 7:00 p.m. to meet with the admission committee, meet some of our members, and tour our facilities. This way the candidates will have a better idea what council 5480 is about. This will take as long as the candidate wants to stay.

We have some important events in October, see the calendar for the dates and times.

Vivat Jesu!

David Kerstetter, Grand Knight

Knight of the Month

 Congratulations to Sir Knight Deacon Dan Johnson, Council 5480's Knight of the Month for October! *Deacon Dan Johnson is a member of the Our Lady of Mount Carmel parish and his duties include caring for the Sick & Distressed, Respite, In-home and Nursing home visitation, and family Bereavement. He is the Director of Pastoral Care at OLMC and Peninsula Catholic High School. Until recently Deacon Dan has served as the Council 5480's for Spiritual Advisor. Congratulations Deacon Dan Johnson for being council 5480 Knight of the Month.*

Family of the Month

 Congratulations to the of October Family of the Month for Council 5480: Steve and Tracy Chipman. *They have two children and are active members at Our Lady of Mount Carmel Parish. Steve is a Scout Leader and supports Peninsula Catholic High School Booster Club by working Knights of Columbus bingo. Both Steve and Tracy are members of the Council 5480 Family Committee and are invaluable at all of our family events. Steve is retired from the US Coast Guard. Congratulation to Steve and Tracy and thank you for your dedication and hard work.*

Change, how I loathe thee! We are in our fourth month of the multi-year program called Faith-in-Action and the change is slowly starting to happen. This is good and I thank those that have taken an effort to review the new material and see where they can match up the old with the new to make things happen. Keep an open mind and please be receptive to new ideas and goals.

Retention Program is a multi-faceted effort to engage and keep those that the Admissions Program brings in. How is this done? Simply: Mentorship! When we bring in a Catholic Gentleman into the order as a proposer we have also become his Mentor. How do I do that? Get him involved in the programs offered, help him start one that he is interested in starting, Keep in touch with him at the Parish and the Columbian Center, call him if you don't see him after a period of time. Invite him and his family to social events, like the wonderful picnics and dinners we have. Be understanding! If the Brother is younger with a family he probably isn't going to be able to make all the meetings. Family time versus Meeting time? Family is going to win most of the time. We've been there. If the new Brother is a new empty-nester then perhaps he can fit in meetings with his work schedule. In summary, proposing a Catholic Gentleman to be a Brother Knight is not a fire-and-forget event but a chance to forge a bond of Brotherhood that lasts a life time.

Bingo! Oh yes, Bingo. Bingo is the fuel we use to provide Charity to the Churches, Catholic Schools and community in general. It takes an army to host a successful bingo session. I find during bingo operations that I see Unity and Fraternity being practiced while working on Charity. It is a wonderful thing to see. We are always in need of new Bingo Callers, mathematically inclined folks, and, of course, younger folks who can walk and sell for a session. I believe the Team method would work better for Brothers who wish to volunteer to work the floor. I would love to see a couple of two-person teams walking the floor on Thursday nights. If you think this could be a viable option for you please let me know. I'm looking for Brothers who are willing to work for the just cause of **CHARITY** not just for this particular Parish or that particular school. Not every session or every Thursday but once a month for five hours. Get your steps in and put your *Faith in Action!*

Don't forget to bring your best Chili to the Chili Cook-Off/Kids Outdoor Movie Night on the 20th of October and our Memorial Mass on the 23rd of October.

An Ethical Responsibility

In March of 2018, the Knights of Columbus was named one of the World's Most Ethical Companies by the Ethisphere Institute for the fifth year in a row.

This is a tremendous honor and achievement that all Knights should be proud of. You are part of a fraternal benefit society that puts integrity above everything. But tremendous though it is, being one of the world's most ethical companies is not just an achievement; it's our legacy and our responsibility. We won't settle for less. We owe it to our founder, to our Church, and to our members.

As a business, the Knights of Columbus holds a unique place in the world. For starters, we were founded by a Venerable Servant of God, who, we pray, is on the path to Sainthood. How many companies can say that? It is our responsibility to continue the business in a way that Father McGivney intended. He founded this organization so that a caring community of Catholic families could come together and protect widows and orphans from financial devastation upon the death of the bread winner. Our mission remains the same 136 years later.

From our founding to the present day, we are and have been an unapologetically Catholic company. For us, this means that we must conduct our business in accordance with Catholic principles. We have established a strict screening process for our investments, and we refuse to invest in companies that deal in abortions, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of the aforementioned, and pornography. We are an organization by brother Knights, for brother Knights. We don't worry about stock price, shareholders, or corporate takeovers. We worry about doing what's right for our members and their families. After all, we're brother Knights too.

As agents, we are rigorously trained to adhere to the highest ethical standards. Each of us must sign a Code of Ethics, which is modeled after the Ten Commandments. Among its commandments is "Thou shall present, honestly and accurately, all the facts necessary to enable a member to make an informed decision." "Our fraternal ties to our members," it goes on to say, "make it more incumbent on us, in our dealings with them, to assure that their interests are uppermost in our minds as we provide solutions to their financial needs. It all boils down simply to the golden rule – Do unto others as you would have them do unto you." After all, we are our brother's keeper.

That's our commitment to you. And that's our commitment to conducting our business in line with Church teaching, and in line with the vision of our holy founder. We are honored that the Ethisphere Institute has acknowledged that commitment. I encourage you to discover the benefits of doing business with one of the World's most ethical companies. Contact me for a complimentary consultation today.

From the Faithful Navigator

Greetings to all Sir Knights and your families!

October already! Tempus Fugit indeed. We are now in the busy time of the year when the heat isn't beating down on us and we venture outside to partake in a large variety of festivals, oyster roasts, tailgates, pumpkin picking, and corn mazes. Now is also the opportunity to advance in their knowledge and status a few certain select Brother Knights.

On October 2nd, the Assembly will enjoy each other's company at a Dining Out at Hibachi Grill Sushi Buffet at 12745 Jefferson Avenue, near Denbigh Ave and Jefferson Ave. This wonderful event will begin at 6:00 and will cost about \$15 a person. Please join us!

The Autumn Patriotic Exemplification is on 27 October, and it is in the Northern part of Virginia near Dulles Airport. Distance can seem like a deterrent to joining this month but I was able to use the "windshield time" in strengthening my bond with two other Brother Knights when I took my 4th Degree in Northern Virginia. Please encourage those who are most suited for this adventure in the Knights of Columbus to join soon.

Finally, next month will do our Veteran's Day program on Election Day, November 6th. Which brings me to the Patriotic Duty part of the Knights of Columbus. Everybody please vote each and every time you are given an opportunity. Our Civic Leaders are savvy enough to know how many people they represent and how many actually voted. The more that vote, the more they listen, its human nature. Go vote, Please.

Rick Schirm
Faithful Navigator, Father Michael J. Bader Assembly 2430

Don't Tell Anyone, But . . .

Be The Difference!	In the last decade, Knights of Columbus have donated over \$1 billion, with a B, to charitable causes, However donating financially is only part of what we do for the betterment of society. During the same time frame, local Knights have contributed over 700 million hours of volunteer service. Knights and their families give selflessly of their time. Council 5480 is deeply imbedded within the many ministries of OLMC and St. Jerome. We also are a help to the Religious, Catholic grade schools, and PCHS. However, the adage of many hands make light work still applies. Help us, help them!.
A Few Good Knights	The Council is self-supporting for Admission Degree Exemplifications. There is, and always shall be a need for Brothers who can participate in this important endeavor. We always need to train understudy personnel who can step in, and of course we are looking for a super hard charger to become the Degree Team Captain. If you are interested in participating, please contact the Grand Knight, David Kerstetter.
5480 Club Elections	If you would like to be on the board of directors of the 5480 Club Inc. please inform any member of the nominating committee; Jessie Powell, Jim Healy or Tony Merendino. Phone numbers for these members are in the Council Directory in the newsletter. Positions to be elected include; President, Vice President, Secretary, Treasurer and two 3-year Directors. We ask all current board members to inform us of their intentions for the coming year.
Newsletter Submissions	As of 1 September 2018 the new submission procedure for the Knightly News is for all. Eileen Mazury had to retire as the Knightly Newsletter Editor. Submit all articles to the Deputy Grand Knight at rickschirm@hotmail.com by the 20 th of each month. This will remain in effect until the DGK can find a new Knightly Newsletter editor.
Did You Know?	The name of our 5480 Council is not some religiously famous event, person or angel but a humble businessman from Newport News. His name was Walter Pollard who originally hailed from Birmingham, England, who emigrated to the U.S. in the early 20's as a newly converted Roman Catholic. As with most immigrants he was poor but was committed to hard work as a road towards financial freedom, and as was normal for the times, he sought out political freedom and the freedom to worship as he wanted. Mr. Walter Pollard was devoted to the ideals of Columbianism and became a Sir Knight in the Order. Sir Knight Walter Pollard started a florist business which is still in service today and he was a stalwart of the Church on the Peninsula. He was a driving force behind the creation of OLMC parish in 1953 and raised his family with the Christian and American values that he was not born into. So in summary SK Walter Pollard was a Get-It-Done sort of fellow who we should all strive to be like.
Memorial Mass	Our annual Memorial Mass will be celebrated on 27 November 2018. This is a Council/Assembly event and all are highly encouraged to attend and participate. Please help us honor those who have gone on before us and acknowledge their and their families continued importance to all of us. The Mass begins at 7:30 and will be celebrated in the Carpentino Hall at the Columbian Center.

Adolescent Crisis Intervention Workshop

Would you like to be part of a small faith community of adults with and without disabilities?

The SPRED (Special Religious Development) communities at Our Lady of Mount Carmel Parish are looking for volunteers, who can commit to one evening a week, 24 weeks per year, to grow in Christian community alongside an adult Friend with a developmental disability or learning difference. This is a ministry of presence, and no prior experience in a similar community is necessary.

If you think you might be interested, or want to learn more about SPRED Communities, please call Christa Blomstrom at Our Lady of Mount Carmel Parish at 757-595-0385 Ext. 107.

To learn more about SPRED and the SPRED method, visit <http://www.spredpartnersva.org>

On Wednesday October. 10th, from 7-8:30 p.m. in the St. Jerome Family and Life Center, a workshop will be conducted on preventing adolescent suicide; the second leading cause of death for 14-24 year olds.

This workshop is for those who work with our parish youth, teachers, interested parents, leaders of parish ministries, and high school youth who have a leadership role in the parish or simply want to be informed. It is **NOT** a therapeutic session for those burdened with ideations of suicide. Instead, we will explore prevention, intervention and postvention strategies. The goal of the workshop is to gain practical insight into crisis intervention and become empowered to act when crisis situations arise.

The presenter is Dr. Paul D. Fallon, Ph.D. Paul, a former Catholic high school principal, facilitated this workshop for us in 2014. He has conducted more than 80 crisis interventions.

If you would like to join us for this informative workshop, please RSVP to Margaret Curtis (margie@stjeromennva.org) by 8 October.

Club 5480, Inc., News

In 2014, the Supreme Council established a policy that Councils using Home Corporation facilities must maintain written agreements governing a Council's use of Home Corporation facilities. Since that time the Jurisdiction of Virginia has worked toward meeting the Supreme Policy. Likewise, Council 5480 and 5480 Club have been steadily working on the agreement.

The Club Board of Directors obtained legal guidance to assist the Board. The guidance directed us to bring our By-Laws into more alignment as a Virginia State Corporation. The Board has worked diligently to complete this task and it has recently been posted, per By-Laws, in the facility for the membership to review and eventually to approve at the Annual October meeting.

These recommended By-Law changes have minor and major revisions. Articles and Sections are highlighted to assist you in your review. Please take the time to review and if you need some clarification or have questions please ask me or any of the Board Members to address your item.

The next steps in this complex process will soon fall to Council 5480.
