Grand Knight's Message

To all Brother Knights and their families,

Thanks for all you did for another successful fundraiser for July. We are off to a good start for the new year. Let's

work together on the next one for November. Please make all efforts to make monthly meetings and to pay dues. And also try to recruit a new member, be it family or friends. Thanks again for your hard work. God bless!

The Knight Behind the Nametag

We're all frequently reminded to wear name badges and K of C items, especially before volunteer or recruitment event. Have you ever thought how the benefit of wearing our badges go far beyond these events?

When you wear your name badge at a church event, parishioners can immediately identify you. They see a trusted person who can answer questions or lend a helping hand. Fellow members see a friend and brother Knight. Your pastor sees a Knight who might serve as an usher, a greeter or a Eucharistic minister. A young father sitting in the pew near you sees a person he can ask about joining the Order.

Your name badge brands you. It tells everyone you encounter that you are a man of faith, a man of character, a man willing to lend a hand. In short, it tells everyone that you are a Knights of Columbus.

Hail, Holy Queen (Salve, Regina)

Hail, Holy Queen, Mother of mercy,
our life, our sweetness, and our hope.
To you do we cry,
poor banished children of Eve.
To you do we send up our sighs,
mourning and weeping in this valley of tears.
Turn then, most gracious advocate,
your eyes of mercy toward us,
and after this, our exile,
show unto us the blessed fruit of
your womb, Jesus.
O clement, O loving,
O sweet Virgin Mary.
Pray for us, holy Mother of God,
that we may be made worthy
of the promises of Christ.
Amen.

Knights of Columbus INSURANCE

George E. Martinez, FIC, FICF
Field Agent

Dear Brother Knight:

Like physical health, maintaining financial health requires frequent checkups. Financial needs are a moving target so they must be looked at periodically. We can't treat our retirement plans with a "set it and forget it" philosophy.

The Knights of Columbus' portfolio of protection should not be any different. Start by meeting with your local field agent. It will be a friendly encounter that will include a fraternal update and a complimentary financial checkup. Likely, the agent will look at your current financial situation and it's impact on your family's retirement goals, security and general welfare. He also will discuss the Order's "Tradition of Protection," explaining our founding mission and current events. He will talk about benefits relevant to you, and explain how those benefits can augment and safeguard your portfolios. A confidential "Family Service Record" is then updated and individualized recommendations are made.

The field agent exists solely to ensure your full financial protection. If he finds that you are well-situated, then you have the increased peace of mind that comes from this validation. If he discovers some gap or oversight, then you have an opportunity to implement a remedy before a small problem becomes a disaster. The meeting has no risk and can be a major win. When members obtain their protection from the K of C, they are availing themselves of exclusive benefits that non-members cannot access. These exclusive benefits not only help their families, but the good works and mission of the Order. If our members are the bone and fiber of the Order, then the insurance is the lifeblood

Fraternally yours,
George Martinez

My Brothers

Congratulations on a great year! I am proud of Council 15343 and their accomplishments for the entire year. I feel the council has grown united in support of the church and community and has made great strides in enhancing the reputation of the Knights of Columbus. Keep up the great work and look forward to working with you for the coming fraternal year.

Honestly, I have held off the past year on introducing new programs. One program is Building the Domestic Church initiative which Supreme introduced last year. This year, Supreme has incorporated the Building of the Domestic Church into a new program in Fraternal Year 2019. Supreme has simplified the old Surge with Service 6 programs and consolidated them into a new initiative called "Faith In Action".

In the coming 2018-2019 fraternal year, Faith in Action will be the new program model for the Knights of Columbus, replacing Surge... with Service. The new model seeks to balance all our

priorities as an Order — Faith, Family, Community and Life, - and offer Knights meaningful opportunities to serve people in need in our parishes and communities. Faith in Action fully integrates Building the Domestic Church programs, limits the number of requirements for Columbian Award, and most importantly allows Councils to concentrate on implementing faith-filled family programs. Our goal? Quality - not quantity.

Featured Programs

The supreme Council has designated select programs as featured programs in each of the program categories. when your council conducts a featured program and satisfies the associated requirements, it will receive two credits toward that program category.

Required Programs

Additionally, a council must conduct one required program in each category to be eligible for the Columbian award. The vast majority of councils are already doing one or more of these programs, which are designed to enrich the spiritual life of the council, family and community. required programs are incredibly simple to implement, often complementing other activities the council is already doing.

God Bless You and Yours.
Paul Gurley, DD54
